Dedicated in Honor of

Mrs. Grace Henson

Grace Bryson Henson was born April 9, 1912 in Macon County near Franklin, NC. She was the third of seven children. Grace's first husband died when their son, D.C. Dills, was only 11 months old. Grace married Fred Henson and they had one son, Eddie. She how has six grandchildren and four great-grandchildren.

Grace grew up in the Methodist Church. She and Fred were baptized by Pastor Nane Starnes at the West Asheville Baptist Church in 1937. Sixty-three years ago, Grace began attending Woman's Missionary Union meetings.

As Fred's work took them to different locations in North Carolina and Tennessee, Grace always found a place of service in the WMU organization. She worked with children, GA's, Acteens, Youth, Baptist Women and Women on Mission.

Grace and Fred lived in Hendersonville for a few years in the 1940's. They returned in 1967 and again became member's at Hendersonville First Baptist Church. Here, Grace has served as WMU Director, Assistant Director, group leader, and taught in the Sunday School.

Grace served as secretary-treasurer of the Carolina Baptist Association for five years. At the age of 77, she went to Brazil on a mission trip. Last year, 2000, she went to Mexico and taught children in Bible school. A few years ago, Grace went to Glorietta Baptist Assembly as one of twenty North Carolina delegates to a WMU meeting.

In the Carolina Association, Grace has served as the Director of WMU, Assistant Director, Nominating Team member, and presently is a Missions Growth team member. She loves to visit churches and tells them about the work of the WMU. Grace said, "I have gone to church all my life and I have been going to Ridgecrest forever! And missions involvement - praying, learning, giving, doing, and going - that has been my love all my life!"

Dedicated in Honor of

Rev. Ralph Banning

Ralph Allen Banning was born on July 7, 1911 in the Boylston community of Henderson County, NC. His parents were David Jasper Banning and Lillie Cox Banning. He is one of nine children, five of whom are deceased. He graduated from Etowah High School where he successfully competed in public speaking contests and ran track.

In 1934 Ralph married Estelle Moffitt. They have five children (Valeria Creech, Betty Jones, Jack Banning, Doris Marlowe, and Dixie Rodgers), fifteen grandchildren, and thirteen great-grandchildren. Estelle has been a dedicated partner in his ministry.

On July 4, 1942, Ralph was ordained at Boylston Baptist Church and began a lifetime of preaching and ministering to others. While the children were growing up, he attended Fruitland Baptist Bible Institute where he graduated in 1951. In 1952, Ralph and Jack built the mountain cabin which he has used for meditation and study through the years. He pastored New Salem, Blantyre, Etowah, Pleasant Grove, Mount Moriah, Pacolet, Enon, West Hendersonville, Fletcher, Mountain Home, and Campfield Baptist Churches. Also, through the years Ralph taught numerous singing schools using shaped notes.

When Ralph retired in 1974, he and Estelle moved back “home” to the foot of Forge Mountain in Boylston. This place is part of a land grant to the Banning family in the mid-1800’s. During his “retirement,” he has done interim pastorates at Calvary in Brevard (where he is pastor emeritus), Balfour, Boylston, Barker Heights, Cashiers, Dana, Mountain View, Cathy’s Creek and Glady Branch Baptist Churches. He has also taught Bible studies, written poetry, grown a garden most years, and regularly visited shut-ins. Almost every day he spends time at his mountain cabin.

At 90 years old, Ralph gives God the glory for the blessings in his life and for the good health he still enjoys.

I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to everyone that believeth.
Romans 1:16 (KJV)

Dedicated in Honor of

Rev. Harold McKinnish

On January 30, 1933 in Henderson County, Harold Lloyd McKinnish was born to Lloyd M. and Maragret Pace McKinnish. At the age of 16, he answered the call to preach and was ordained by the Ebenezer Baptist Church in 1951. He was pastor of the Liberty Baptist Church while he was a senior at Edneyville High School.

On October 7, 1951, he married Lois Griffin. They are the parents of two children, Dr. Linda M. Bridges of Winston-Salem and James Harold (Jim) McKinnish of Hendersonville. They have three grandchildren, Joshua Harold and Amber Bea McKinnish and Kyle McKinnish Bridges.

After graduation from high school, he attended North Greenville College while he was pastor of the Tuxedo First Baptist Church. He graduated from the Fruitland Baptist Bible Institute in 1956. Harold enrolled in several seminary extension courses. He also attended NC State University, Western Carolina College and A.B. Technical College.

Harold and Lois have served ten Baptist churches in North and South Carolina. In the Carolina Baptist Association he has pastored Liberty, Tuxedo First (three times), Fletcher, Ebenezer, Refuge and Fruitland Baptist Churches. He has served as interim at Balfour, East Flat Rock First, Fruitland, Saluda First, Mount Olivet, Refuge, Oak Forest, Tracy Grove, Blantyre, and Zion Hill Baptist Churches. He has conducted over 400 revivals in twelve states during his ministry. Harold has served as Moderator of the Carolina Baptist Association as well as serving on several committees. At present he is a trustee of the association.

After three heart attacks, he has been blessed to continue preaching revivals and playing his mandolin with the Log Cabin Band at nursing homes and churches.

For the past 52 years, he has been and still is a faithful servant preaching the Word, loving God, loving his family, and loving people. He is an encourager to young ministers and to all who cross his path. He often says that he has been well blessed and that he is enjoying the journey. To God be the glory!

January 16, 2001

Reverend Victor Rampey led the group in praising our Lord with "Down at the Cross," "I've Got Peace Like a River" and "My Jesus I Love Thee."

The meeting was called to order by Moderator Joe Mullins, who asked Reverend Bill Landreth to lead the opening prayer.

Minutes of the Executive meeting on July 18, 2000 were reviewed from printed copies. Points emphasized were: $26,305.00 was granted for summer camps, mission trips and scholarships for ministry studies. Also mentioned were the contacts Dr. Sandy Beck had made with fifty eight churches during the first five months of his time here. A motion was made, seconded and approved to accept the minutes.

The Treasurer's report was given by Financial Manager Paula Janes. For the year 2000, fifty churches contributed $157,420.58. As of December 31, 2000 the checking account year-to-date expenses is $185,874.84. Checking account balance is $11,767.82. NC Baptist Foundation Investments is $425,692.63. Designated checking account balance is $36,895.08. Designated CAP account balance is $154,206.51. A motion was made to accept the report. Motion was approved.

Committee reports: Dr. Sandy Beck reported that Bob's Creek Baptist Church has completed one year of watch care and is eligible to become a full member of Carolina Baptist Association. A motion and second were given to accept Bob's Creek Church into the association. The motion was approved.

Report of Association Council was by Moderator Mullins. The Council meets monthly. Those active members are: Association officers, council directors and the association staff members, WMU director, Brotherhood director and members of the Finance Committee as ex-officio members. The Council:

1. Screens requests from churches for scholarship funds.
2. Considers association staff issues, Council Director reports and plans.
3. Hears recommendations from DOM.
4. Miscellaneous issues needing attention between bi-annual meetings.

No new business.

Attendance report: 14 members from 7 churches and staff members. Balfour (2), Crab Creek (1), First Baptist Hendersonville (4), Fruitland (1), Main Street (1), Pleasant Grove (1), Saluda First (1), CBA staff (3).

Dr. Beck gave a brief summery of part of his activities:

1. WMU leadership under SBC is encouraging Job Corps training and assistance for single mothers in preparation for jobs so they can get off of the welfare program. He is doing research in this proposed ministry.

2. Mrs. Anne Beck, who has had training and experience in women's ministries, is available when invited by a church to train or assist women (including wives of pastors or staff members).

3. A meeting with American Tract Society for use of tracts (especially in small churches) is planned for February 19.

4. A first time meeting at Hendersonville First Baptist for celebration of Martin Luther King's day was very successful. Contacts were made with the Mud Creek Association and Star of Bethel Church for our black brothers and sisters to sing and speak.

5. A study of Intermediate Care for assisted living has found that plans are primarily for a church to be the main sponsor with associations in assistance. Long range dream is to see an Intermediate Care that would have care for our elderly who have not been able to find assisted living and at the same time the church care minister to them spiritually.

6. The Tarheel Leadership is off and running. Twenty-six men have signed up this year. This is practical help for ministers as they work in the churches.

Rev. Billy Cline asked for time to compliment Carolina Baptist Association for the leadership in placing Dr. Sandy Beck as DOM of this association. Sandy has done great work. He also spoke of good leadership of Skip Fendley of Hendersonville First. He quoted a favorite quotation of his mother: "A merry heart doeth good like medicine." As he spoke of the joy of finding humor in our meeting.

A motion was heard, seconded, and approved to adjourn. Moderator Mullins led the closing prayer.

AND WHEREAS, souls have been saved, saints have been edified and worship of God has been dynamic,

AND WHEREAS, faithful leadership and fervent service has abounded in our association, resulting in an abundance of mission actions here at home and in other countries,

BE IT RESOLVED, that we glorify God and render hearts of thanksgiving and praise.

BE IT FURTHER RESOLVED, that we voice our gratitude and appreciation to the Mount Gilead Baptist Church and their pastor Rev. Roy Perry for their kind hospitality in hosting the 124th semi-annual meeting of the Carolina Baptist Association on the April 24, 2001.

BE IT FURTHER RESOLVED, that we express our sincere appreciation and thanks to Dr. Henry S. (Sandy) Beck, III, Director of Missions, Mrs. Paula Janes and Mrs. Linda Marie Phillips, secretaries, for their excellent and faithful service to our association.

BE IT FURTHER RESOLVED, that we express gratitude to Rev. Joe Mullins, Moderator, Rev. Brain Davis, Vice Moderator, Dr. Victor Rampey, Association Music Director and others who have worked faithfully to assure this successful meeting.

BE IT FINALLY RESOLVED, that we continue with faith and devotion to Jesus Christ our Savior and Lord, to fulfill the mandates of the Great Commission.

THEREFORE HAVING SO RESOLVED, let us with renewed vision and commitment "press toward the mark for the prize of the high calling of God in Christ Jesus," (Phil. 3:14).

A motion to adopt was by the committee, no second needed. the report was approved.

Ron continued with a second resolution on the North Carolina State Lottery.

WHEREAS, we understand gambling to involve any game of chance,

AND WHEREAS, gambling assaults the family unit by robbing the family budget of monies needed for family essentials,

AND WHEREAS, the 2001 North Carolina General Assembly is considering a bill to institute a state-sponsored lottery,

BE IT RESOLVED, that the Carolina Baptist Association meeting in the semi-annual session at Mount Gilead Baptist Church on April 24, 2001, go on record opposing such a lottery and any similar state-sponsored game of chance.

BE IT FURTHER RESOLVED, that we intensify our efforts to promote biblical family values that advocate honest work ethics, responsible family budgeting, and resistance to any form of gambling including any state-sponsored lottery.

BE IT FINALLY RESOLVED, that as a concerned and informed association of churches, we communicate our opposition to the lottery to our elected legislators and other persons of influence.

THEREFORE, HAVING SO RESOLVED, let us ever renew our vigil of prayer for our family, community, and state, always seeking spiritual guidance as we voice our concerns and work together to promote biblical morality in our land.

The motion to adopt came from the committee, needing no second. An amendment to the report was by Rev. Paul Chandler, Oak Forest Church, who asked that letters including the resolution should be sent to our legislators. Rev. Harold McKinnish, East Flat Rock First, made the second, and the amendment was approved. Then the vote was taken on the resolution regarding disapproval of a state lottery with the amendment and it was approved.

Members of the resolutions committee are Jim Clayton, Don Lesley, and chair Ron Fousek.

18. The Spanish Mission report was by Samuel Vixtha, the interim pastor. They do not have a full time pastor. The members of the mission are working hard and Samuel preaches every Sunday. Last February they had 9 deacons trained from western North Carolina. In August they will have a revival and will invite area Hispanic churches. They plan to become a constituted church in the near future. Samuel asked for prayer that they may grow and win more people to Christ. Rev. Joe George prayed.

19. Travis Harrison, chair of the singles committee gave a report. In January Dr. Beck, Linda Marie Phillips, Jeanette Ballew, April Nichols, Mark Harrison, Ronnie Shehan met with Travis. David Moore from the Baptist State Convention came to discuss how local churches could better minister to single adults age eighteen and up. Singles include never married, divorced or widowed. Several other meetings have been held and pastors have helped with forming a new ministry team. Plans are being made for the singles in the association. Travis thanked all who helped.

20. A report on Interfaith Assistance Ministry was given by Director David Cook. IAM is an ecumenical nonprofit organization with the mission: "To provide financial or in-kind assistance to Henderson County residents who find themselves faced with financial crisis."

IAM was founded here in 1984 and is supported by nearly ninety faith communities in Henderson County. It is funded by churches, synagogues, religious groups, industry, civic groups and individuals. IAM has been selected by Duke Energy Foundation administrator to *Share the Warmth* funds in Henderson County. Annually IAM has met basic needs of more than 5,000 families.

21. Music director Dr. Rampey led the congregation in singing "*Tell the Good News.*"

22. The introduction of the speaker was by Rev. Harold McKinnish, who in his usual way brought smiles and laughter among the congregation. He complimented the Association Director of Missions, Dr. Sandy Beck, for his devotion to the pastors, their churches, and any group that is functioning in service. Then he defined the name of "Sandy" by which Dr. Beck prefers we use as: Sandy - gritty or grainy. Then he used an acrostic of the name Sandy:

S - solidly and well trained
A - anchored by many varied experiences
N - noble in dealing with people
D - delightfully in love with Christ
Y - youthful in attitude

23. Special music was given by Harpist Carroll Ownbey whom Dr. Beck called a "women preacher" who with her hands presents a spiritual message. The Lord uses her greatly.

24. Association Director of Missions Dr. Sandy Beck introduced his message by presenting the Carolina Baptist Association purpose statement:

Carolina Baptist Association is a self-governing fellowship of autonomous Southern Baptist churches. Our Purpose is to develop healthy churches and help them grow: Warmer through fellowship, Deeper through discipleship, Stronger through worship, Broader through ministry, and Larger through evangelism.

Moderator Mullins recognized Rev. Michael Smith (Fruitland Church), who stated that his opinion is that we are Baptist Churches that cooperate with the Southern Baptist Convention. He made a motion that the word "Southern" be stricken from the purpose statement. The second to the motion was by Rev. Dan Blackwell (Dana Church). Rev. Paul Chandler, Oak Forest Church, spoke against the motion, as did Rev. Harold McKinnish. Rev. Rymer (Hendersonville First) stated that since he served as moderator is 1953 he feels that we are with the Southern Baptist Convention as stated. From Refuge Church, messenger Mr. Bob Cockrell asked, "What does national headquarters say?" Dr. Beck stated that we have no national headquarters. The autonomist churches make up the Southern Baptist Convention, there is no national stand and we are autonomous churches. He stated that he felt if anyone wanted to speak in favor of the amendment, he should be heard.

As a point of clarification, messenger Paul Black from Saluda First Baptist Church asked if by keeping the word "Southern" in the purpose statement, would it keep Independent and Cooperative Baptist Fellowship churches out of the Association? Sandy said that it would not if they were dully aligned.

There was a call for the question for the amendment that the word "Southern" be stricken from the purpose statement. The vote was taken and the amendment was defeated. The vote was taken on the motion to accept the original motion. The motion was approved.

Dr. Sandy Beck spoke of a burden that bothers him, that ministers are becoming an "Endangered Species." The number of preachers entering the ministry has dropped in the least ten years. "Early retirees are the cream of the crop." We need to build up the body. Dr. Beck referred to Thessalonians 5:12-13 where Paul encouraged us to love our pastors for their labor of love, for spiritual leadership, for their admonishment of us to "stop" when we are going astray.

Again he warned: "Your pastor is one of the "Endangered Species." We can express love to our pastor by 1) Affirmation 2) Appreciation and 3) Admiration. Sandy listed thirty-six ways to overwhelm your pastor with love.

25. Dr. Rampey expressed his thanks to Director of Missions Sandy Beck for his leadership. Then Dr. Rampey led the congregation in singing "*Take the Name of Jesus with You.*"

26. Moderator Joe Mullins declared the 124th Spring Session of Carolina Baptist Association adjourned with a closing prayer led by Rev. Joe George.

Lucy Sitton, Clerk

EXECUTIVE COMMITTEE MINUTES

July 17, 2001

The meeting was called to order by Moderator Joe Mullins. He asked that we remember Rev. Bill Landreth, who usually attends and whose father-in-law is ill. David MacEachern led the opening prayer.

Copies of the January 16, 2001 Executive Committee were reviewed. A motion and second were given and the report was approved.

The Treasurer's report was given by Financial Manager Paula Janes. Thirty-three churches contributed $20,004.13 in June, forty-five churches gave $94,759.88 year-to-date. Balance in the general operating fund account as of June 30, 2001 is $14,562.30. Total in designated checking account is $22,222.30. Balance of the designated CAP account as of June 30 is $138,944.13. Camp Sale Investment value as of June 30, 2001 is $429,929.73. A motion was given, a second made and approved.

Committee Reports

Committee on Nominations report was by Zollie Ward. The only position that was not filled in April was that of treasurer. He presented the name of Sandra Roberts, member of Refuge Baptist Church. Coming from a committee no second was needed and the recommendation was approved.

The Committee on Membership report was by Roy Waldroup. A letter was received from Holly Springs Baptist Church that they dissolved all relations with Southern Baptist Convention and Carolina Baptist Association. David made a motion, seconded by Ray to accept their request for withdraw. The motion was approved.

Also from the Membership Committee was an application from Living Water Baptist Church, Rev. Mike Stewart pastor, asking to come under the watch-care of Carolina Baptist Association for membership. Dr. Sandy Beck spoke to the request. He had a meeting with the Living Water church leadership. They are forming a new church leaving the fellowship of Refuge Baptist Church with differences on Philosophy and style of worship. Sandy has talked with two deacons from Refuge and believes that two good churches can be developed. A motion was made, seconded and approved to accept Living Water Baptist Church under watch-care of CBA.

Reports

The following reports were bought by Dr. Sandy Beck, Director of Missions.

1. The Liberty Celebration at Hendersonville First Baptist was well attended, had excellent music with the church orchestra and choir, and a good message by their interim pastor Dr. Hal Freeman.

2. Christian Concert Night scheduled for September 2 at Dietz Field the last night of the Apple Festival. The Council discussed opportunities for reaching youth or those who enjoy contemporary music. The parents of slain Columbine student Cassie Bernall will be guest speakers. The council approved the Concert with a support of $1000 from part of the State Missions Offering that the Baptist State Convention sends to the Association.

3. A portable trailer for Sunday School classrooms is available. Sandy must see where the city will allow it to be parked, about movement, and underpinning. It will be fine for prayer time for a group now meeting and the useful for a church needing additional classroom space on a temporary basis.

4. Sandy is burdened about reports of Satan's attack in our area. He is expecting God's touch at the September 2, Concert Night. We have specific need to pray and fast for revival in our midst. This is what *Solemn Assembly* is about. He will be asking the pastors for making plans this fall. If it is successful, it is of God. If not, it will not be prayed out and prayed through.

5. Sandy knows of no greater blessing in CBA than that of having Fruitland Baptist Bible Institute located in our area. As he has talked with ministers and churches, he has felt led to ask Carolina Association to make a one time movement to support the library building program at Fruitland by having an offering honoring Alex and Bea Booth. He has found these two Christian deceased members to have the love and support of Carolina Association. Sandy made a motion to collect an offering for the Fruitland library in the month of October, Lucy Sitton made the second, and it was received with enthusiastic approval.

Reports of Association Council by Joe Mullins: The Council meets monthly to deal with issues that come up between semi-annual association meetings and Executive Committee meetings. One of the leading acts of business is awarding scholarships according to Priority 1, Camps 2, Missions, 3, Education and 4, other requests. As of to date, $41,952 has been granted in scholarships. Joe stated that he finds the Council one of the sweetest groups of leaders with whom he has had the chance to work with.

Old Business - none

New Business

As information Bob Dutton, Discipleship Training Director, spoke of his recent informative experience in Leadership Training at Ridgecrest. he is available to assist churches in use of excellent materials available. He had copies of several books: *The Body Life Journey* by John Powers; *Worship Believers Experiencing God* by Henry Blackaby and Ron Owens; and *The Ways of God.* He had leaflets about a time at Ridgecrest on September 27-29 entitled *On Our Knees: Becoming a People of Prayer.* Key note speakers will be T.W. Hunt, D.L. Lowrie and Evelyn Christenson. He urged pastors to encourage members to make reservations.

Attendance report was by Clerk Lucy Sitton. Twelve churches had eighteen members. Churches: Balfour, Bat Cave, Ebenezer, Etowah, Fletcher First, French Broad, Fruitland, Kings Grove, Living Water, Main Street, Refuge, Shaws Creek and three CBA staff members.

Ruby Pruitt led the closing prayer. Meeting adjourned.

Carolina Baptist Association Semi-Annual Meeting
Fall Session, October 23, 2001

Afternoon Session

1. The fall session of the 124th annual meeting of the Carolina Baptist Association met at Contemporary First Baptist Church on Tuesday, October 23, 2001 at 4:00 PM. The theme of the meeting is "***Christian Arts in Action***."

2. Music Director Victor Rampey led the opening praise session at the piano playing familiar hymns: "Praise the Name of Jesus," "I Heard the Old, Old Story," "Amazing Grace," "My Jesus I Love Thee," and "Go, Ye Therefore."

3. Dr. James McMinn, pastor, gave a great welcome to Contemporary First Baptist Church. For most of the messengers of Carolina Association it was their first visit. His devotion reading was from Matthew 28:19-20, Jesus telling his disciples to "Go, ye therefore." He led the congregation in an opening prayer.

4. Moderator Joe Mullins declared the fall session of the 124th semi-annual meeting of Carolina Baptist Association in session.

5. Moderator Mullins referred to the *Book of Reports* and asked for an adoption. A motion and second were given and it was approved.

6. Moderator Mullins thanked Contemporary Church for their reception to their beautiful new facilities and the first visit of Carolina Baptist Association. He then recognized Dr. Kenneth Ridings, President of Fruitland Baptist Bible Institute.

7. Dr. Ridings thanked Carolina Association for the privilege to come to bring two important facts. First, he expressed appreciation that the Association has set aside this month for an offering for the new library honoring the memory of Alex and Bea Booth. He thanked God for Dr. J. Canipe who had the foresight in 1946 to start the Bible Study that led to the beginning of the Institute. In 1968 when Alex and Bea booth came on campus, everyone was blessed. No couple has meant more to that Institute than Alex and Bea Booth. They set more souls on course for the study of the Gospel than any other. Alex was a wise man and Bea was the smartest woman. She knew all students by name and continued to touch lives throughout hew life. We miss them today.

The second reason for this visit is that he wants to express his promise that Fruitland Institution will stay true to the Word of God. Quoting II Timothy 2:15 "Study to show thyself approved unto God," he affirmed that this is the desire at Fruitland.

8. The Mission Ministries report was given by David MacEachern, pastor of Bat Cave Church, who expressed his gratefulness for having studied at Fruitland Institute.

David referred messengers to the list of scholarships granted, see page 48. He thanked those who have been willing to go on mission. David announced that this will be his last time to give this mission report as David Treadway, Mud Creek Church, will fill this position following this meeting.

9. Treasurer Carrie Barton covered records from January 1, 2001 through September 30, 2001. These records are on pages 46-51. Carrie thanked Paula Janes for her integrity and honesty in handling resources of Carolina Association.

10. Puppetry arts by Crossway Creative Ministries, Neal and Cheryl Brown. Neal portrayed a person whom God asked him to surrender everything to Him in order to be in God's will. He surrendered his trophy, his money, himself and his most treasured possession at the foot of God.

11. Baptist Hospital report was by representative Jim Murphy. "All is well, God is working through our churches and institutions" was the beginning of the report. Since September 11th, the tragic moment in our history, young physicians from our Baptist Hospital have headed to New York City. They were trained to save lives, so they went of their own choice.

Your Baptist Hospital is pro-life, to save lives, no abortion is performed except to save a mother's life. We have Christian doctors who give their time and expertise at no cost when the real need is found. He asked for prayers that they at Baptist Hospital be in God's will here and around the world.

12. Vice Moderator Davis thanked Jim Murphy and introduced Chad Marshall from the International Mission Board. He brought packets of materials for each church. He encouraged churches to get involved, to pray about our mission, to go into the United States and overseas in ministry. He was pleased to see the report of places our people have been on mission.

In 2000, Southern Baptists excelled in the challenge to spread the gospel worldwide. Unprecedented numbers of Christians responded to God's call to serve overseas. The total mission personnel in 2000 was 4,946. New missionaries was 879 and 30,805 volunteered. There were 451,301 baptisms and 6,525 new churches started. That brings the total number of overseas churches to 60,988.

13. WMU report was by Director Carrie Barton, whose report is on page 45. Woman's Missionary Union is a mission organization. The purpose never changes, missions is the reason for our being. Our national and state leaders keep us up-to-date with ways to improve - to be flexible. We are laborers together with God.

14. The Committee on Committees report was by Rev. Billy Salyers pastor of Pacolet Baptist Church. Others on the committee were: Paul Black (chair), Gordon Elliott, Jana Jones, Ricky Levi, and Bill Landreth.

Moderator Mullins asked for nominations from the floor. There were none. The report came from a committee so no second was needed. It was approved.

15. The Baptist Men report was given by Rev. Zollie Ward, pastor of Shaws Creek church, who came in his bright yellow jacket and cap of the NC State Baptist Men. He stated that the highlight of this past year (September 1, 2000 through August 31, 2001) was having 104 men and women from thirteen churches in our association register for the state

level training ministry. The training was in March 2001 at Beverly Hills Baptist Church, Asheville, NC.

"I am thankful that Maurice Lancaster, our Disaster Feeding Coordinator, for his work in scheduling this training event for our area, and to Mike Nelson for his work in providing the roof repair training at the event. We wanted several volunteers to be trained and ready if another disaster like Hurricane Floyd were to occur." The complete report is on page 40.

16. Moderator Mullins asked for business. There was none.

17. The memorial service was led by Dr. John Rymer. The memorial page is on 24. Dr. Rymer first expressed his appreciation for the report by Jim Murphy, a former student at Fruitland Baptist Bible Institute. Billy Slayers was also a student at Fruitland and is now pastor at Pacolet. John recalled that as a young student he came to know three ministers who had the greatest impact on his life. Rev. Mack Goss, Rev. T.B. Proctor, and Dr. Alex Booth (Director of Fruitland at that time). He thanked the Lord for the encouragement and instruction that he was given as a minister. He then read all names of deceased church members while messengers were standing. There was a moment of silence and the prayer was by Dr. Rymer.

18. The dedication of the 2001 association annual was by Emerson Searcy. The committee recommends that the 2001 annual be dedicated in honor of three devoted individuals who have contributed so much for so many years to the Lord's work through the channel of the Carolina Baptist Association. There certainly are others that qualify for this selection, but they felt led to recommend the following people: Mrs. Grace Henson, Rev. Harold McKinnish, and Rev. Ralph Banning. No second was needed and the report was approved.

19. The Association Council report was by Rev. Brian Davis. The Association Council exist to serve the Association and functions as an advisory board for the Director of Missions. The Council joins Dr. Beck in praying for wisdom, guidance, and direction in the many endeavors of the Association. The Council covets your prayers as they meet monthly to consider the ministry needs of the Association and conduct the Lord's business.

20. Visual Arts by Ruth Ellen Busbee of Hendersonville First Baptist Church. As a mother of young children and serving as a Mission Friends leader, she began to be a missionary. In 1991, at a difficult time in her life, Jesus brought her to the passage about the vine and the branches. Jesus brought out a talent in painting that she did not know she had. Several of her paintings were displayed at this meeting. Each one had a Bible verse that had given her the inspiration for painting. She had a print-out of her work.

21. Moderator Mullins asked Pastor McMinn for direction about the way the messengers and visitors would go for the evening meal. Then he asked Rev. Mike Smith for the benediction and blessing for the meal.

A beautiful, delicious meal was served by ladies and men of Contemporary First Baptist Church to about 150 people.

Evening Session

22. Puppetry Arts by Crossway Creative Ministries was given. First, the puppet planted and watered flower seeds, a sun flower appeared, but weeds took over the flower and it withered. Then the puppet planted and cultivated money seeds, money grew, but a strong wind carried the money away. A lady appeared, the puppet planted and watered heart seeds to grow love. A heart appeared, but the lady tore the heart in two. The puppet started crying, a cross appeared with a heart on it. He took the heart off the cross and placed it near his own heart. This brought a change to the puppet. "At the Cross" was heard and he seemed to praise God. A beautiful crown was placed on his head showing God's love. Beautiful presentation that all enjoyed.

23. From the Baptist Children's Homes, Director Lloyd Fish brought a message of this ministry from "Hickory to Hanging Dog." He is a graduate of Fruitland and spoke of how he benefited being under Dr. Rymer and Rev. Mac Goss when he was a student.

He thanked the messengers for their offering through their churches to State Missions Offering. Five cents of every dollar (twenty percent) that is given goes to support the Children's Homes. Because of the times now, the offerings are down this year. He asked that all remember that Thanksgiving is a special time for giving to support the children in our homes. Also, "Thank you" was expressed for praying for the children, they come with many needs. He told of several children, that because of difficulties at home, came to one of our homes where they found a light that North Carolina Baptists have left on for them.

24. Mime - The Silent Art - *Silent Messengers* from Hendersonville First Baptist Church set up a courtroom scene with a judge, jury, two lawyers, and a prisoner. With a silent demonstration the lawyers presented the case and the Judge seemed to find the prisoner guilty. A person appeared, representing Jesus, who spoke to the Judge in Mine. The prisoner showed encouragement. The Jury agreed with Jesus. The prisoner is released to go with Jesus.

Those taking part were: Children's Director: Paula Johnson, Mime Director: Kathy Jones, Assistants: Tammy Ruff and Jean Schell, Mime team: Shelley Briggs, Laura Cowlishaw, Ashley Jones, Ryan Jones, Tyler Jones, Hannah Morrison, Vanessa Price, Lauren Ruff, Rachel Schell, Brandy Scott, Holly Smith, Kelsey Stout, Anna Thompson, Laura Walters, Molly Walters, Jennifer Waters and Ryan Womack.

25. Gospel Ministries from Al and Maybeth Bauch was explained by Mr. Bauch. He called theirs the smallest ministry in the world because they travel here and there, offering Bible study by mail, seminars on adults or children's ministry, training in use of back yard Bible clubs - all that the meaning of Christ by known. They pray to be used here.

26. The proposed budget for 2002 was presented by Rev. Harold McKinnish for the Finance Committee. Chair Billy Cline was away in a meeting. The proposed budget is on page 51. Moderator Mullins asked for discussion. Rev. Mike Smith came to speak in support of the budget. However, in recalling that the 2001 Treasurer's report shows that Carolina Association is about $11,000 behind budget, he challenged each person that "if you vote 'yes' that you go back to your church to vote to support the Carolina Association budget there." Though Fruitland Baptist is not one of the larger churches, you will see that in Carolina Association giving, Fruitland ranks next to Hendersonville First.

Harold reminded the messengers that much of the good the Association is doing is with the Designated Funds from NC Baptist Foundation interest that was invested with money form the camp sale and from the estate of Brother Frank Nevelle. These designated funds cannot be used for budget ministries. Because of the faithfulness of churches in the past, we have met our needs. Rev. Harold thanked Carrie Barton, Treasurer, Paula Janes, Financial Manager, Linda Marie Phillips, Administrative Assistant and Dr. Sandy Beck, Director of Missions. We are so blessed. Baptist people work well when you don't put blinders on them. So, you may ask the staff members if you want more detailed information that is given today. Moderator Mullins asked for the vote. The 2002 budget was approved.

27. Recognition of new pastors and staff was by Rev. Ray Talley, who asked these members to come to the podium. Those present: Rev. Mike Willoughby (wife Judy unable to be here) from Mills River, Rev. Richard Merck and wife Beverly are with Naples Baptist Church, and Brother Daniel Mercado, who asked for prayers as he assumes leadership at the Spanish Mission. Daniel will be meeting with the Ordination Committee next week. Rev. Ray thanked them for coming.

28. Moderator Mullins asked for other business. There was none.

29. Martial Arts - *Totally Christian Karate* was presented by Rev. Thom Sherwood of Bearwallow Baptist Church. Thom has a first degree black belt of Self Control. Others on the team were Assistant Servant: Daniel Ross (level - junior black belt, Warriors: Seth Guge (level - purple belt), Will Guge (level - green belt), and Jim Jabel (level - orange belt). Each level has Bible study and memorization of scripture to prepare Christians in a way of truth, Word of God, and of life. Three enemies are: World, flesh and the devil. Senior Servant Thom said "I can do all things through Christ" and broke by hand all 3 boards held by his assistants. Then he said "Give God the Glory."

30. State of the Association report was by Dr. Sandy Beck. He said that the state of Carolina Baptist Association is good and for sake of time, he will be brief. He presented the *Open Arms* ministry in Hendersonville, new to most. He asked that we pray for this group as the only active pro-life, anti-abortion unit in our locale. Our Council and Association are studying the Open Arms situation and may adopt the Open Arms ministry. It will come before the Executive Committee before final decision is made. They are behind $1,500 in their budget and the Council recommended to the Finance Committee that we assist them in this way. (Action has been taken by the CBA Council and Board of Open Arms).

Sandy thanked Mike Smith for the challenge given in support of the 2002 budget. Only seventy to eighty per cent of our churches have returned the 2001 Congregation Profile for Southern Baptist records. Most all churches have reported gains in some area: in size, in giving, and/or in ministry.

Next Tuesday, October 30 a Team is coming to our Resource Center from 9:00 AM to 4:00 PM. The purpose of this meeting is to train churches to use teams in addition to committees in their churches. Pastors, lay person, everyone is welcome. Dr. Sandy said "Thank you for letting me be Director of Mission of Carolina Baptist Association."

31. Rev. Ron Fousek of Ebenezer Church brought the report on resolutions. Others on the committee: Don Lesley and Jim Clayton.

THEREFORE, HAVING SO RESOLVED, following the adoption of this resolution, let us stand and sing in union, "God Bless America."

The Moderator asked for approval that was received. The messengers stood in approval to sing "God Bless America."

32. The Hendersonville Rescue Mission report was given by Rev. Anthony McMinn. He brought greetings from the Rescue Mission and expressed his happiness that Daniel Mercado, who has been with him four years and who loves Jesus, has been asked to pastor the Spanish Mission. He asked for prayers for the staff meetings and their extended ministries.

From July 2000-June 2001 Hendersonville Rescue Mission:

- Served 42,791 meals.
- Provided emergency shelter for 875 men, women and children with an average stay of 11 days.
- Counseled 5,217 hours to individuals.
- Provided medical help to 278 individuals.
- Had 3,082 hours of volunteer service.
- Had 279 decisions for Christ

33. Dramatic Arts - Drama Team of Etowah Baptist Church. Subway Announcer: Bryan Billings, Christian Witness: Jamie Bratu, Businessman: Dale Phillips. The drama portrayed a lady that did not know how to witness to a man sitting by her as they were awaiting a subway. She talked to herself ashamedly but could not get the courage to use methods she knew for witnessing and left without doing what God would have her do. A good demonstration of disappointment by a witness.

34. Enrollment report was read by Moderator Mullins. There were 111 messengers and 37 visitors with a total of 148 representing 33 churches.

35. Installation of new officers. Director Mullins asked those who have agreed to serve as officers for Carolina Association to stand: Moderator: Joe Mullins, Vice Moderator: Brian Davis, Clerk: Lucy Sitton, Treasurer: Carrie Barton (willing to serve until a replacement can be located) and Historian: Ruby Pruitt.

37. An offering was taken designated for the library at Fruitland Baptist Bible Institute in memory of Dr. Alex (Director) and Mrs. Beatrice Booth (Librarian) who served for more than thirty years at the Institute. They both served in many positions in Carolina Association. The offering at this meeting totaled $307.00 which will be added to the offerings collected by CBA churches this month.

38. Rev. Harold McKinnish introduced the speaker. He said that it was a joy for him to have this privilege. Rev. Dan Blackwell was born in Hendersonville County in 1933, and grew up here. His second birth was in 1950 when at sixteen he was born again into the kingdom of God. In 1954 he "stole Marie Orr" from her family and took her away to Hawaii for several years where they served in ministry while he was in service. Dan was pastor of Locust Grove, Beulah, Upward and is presently at Dana Baptist Church. Harold stated with enthusiasm, "Both Dan and I have been blessed with good wives who could preach better than we could if they had a chance."

38. Vocal Arts - Anita Suttles, Jessie Horton and Dennis Horton from Living Water Baptist Church sang beautifully "This Must be the Place." Dennis was also the pianist.

39. Rev. Dan Blackwell, pastor of Dana Church delivered the annual message. He selected as his scripture "The Good Samaritan" from Luke 10 because he felt that it is timely for our day and age. Thanks were expressed for all the good Samaritans who had a part in his life.

Today there is a great need for service. Millions have been hurt in disasters. There has been more emotional hurt, distrust, anger, and tears of compassion shed since September 11th than in most of our lifetimes. We know that Jesus Himself came as a Samaritan. As a thief in the night, the devil, false religion, and cults are all along side of the road.

Rev. Blackwell used former pastor of First Baptist Hendersonville, Steve Scoggins, as one of the best pastors that influenced his life because he was not only in his church, but in the hospital, on the streets, in the community, visiting and serving the Lord. God calls pastors to be Samaritans. There are churches not winning one soul to the Lord in a year. Let us not be like the priest or Levi who passed by on the other side and let heathens take our nation. Compassion can break a heart and reach the lost.

Peter and John went by a cripple. They did not go off to pray or hold a meeting, but healed the man where he was. He stated, "I know that you are good church people, the backbone of your churches who appreciate the church. Church people cannot help but pray in these times. However, we need to be Samaritans who reach to people where they are."

40. Moderator Mullins stated "What an encouragement Rev. Blackwell gave us." There was no congregational hymn.

41. Moderator Mullins asked Rev. Zollie Ward to pray the benediction.

42. Adjournment of the 124th Semi-Annual session of Carolina Baptist Association was declared by Rev. Joe Mullins, Moderator.

Associational Council

Brian Davis

The Associational Council exists to serve the Association. The Council functions as an advisory board for the Director of Missions. We join Dr. Beck in praying for wisdom, guidance, and direction in the many endeavors of the Association. We meet monthly to consider the ministry needs of the Association and covet your prayers as we conduct the Lord's business.

The Carolina Baptist Association continues to be the recipient of the gifts from Mr. Frank Nevell, as proceeds from an endowment in his name, and the sale of Camp Bearwallow continue to generously fund scholarships for men and women, boys and girls involved in a variety of Christian pursuits and endeavors.

The Association Council is proud to report that we have been blessed with the opportunity to grant numerous scholarships that support boys and girls in going to camps, Carolina Baptists Association churches as they go on mission endeavors, and men and women that are preparing for the Gospel ministry as they seek to prepare themselves educationally. However, to be good stewards of the money in which God has entrusted to our care, we have implemented two important changes in the way in which scholarship funds are to be granted.

First, the Council has implemented a timeline in which requests are to be submitted, (15 days prior to the monthly meeting). Those requests that come after this 15 day timeline are not considered until the following month's meeting.

Second, the Council has established a maximum amount that can be requested for CBA member mission trips. For sometime we have granted scholarships with individual maximums in place, but with no restrictions concerning how much an entire group might request. The maximums are clearly stated on the newly revised forms.

I feel that it is also important to recognize two members of the CBA Council who have served for many years, but are now rotating off the Council. Rev. David MacEachern and Rev. Mike Smith have been used of God over the years to lead and serve our Association through the work of the Association Council, and we thank them for the often thankless, yet vital work they have so selflessly and generously provided for our Association, and ultimately to the Kingdom of God.

Baptist Foundation of North Carolina

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institution and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2000, the Foundation provided assistance to individuals in establishing 30 endowment funds and 18 charitable remainder trusts totaling $1.9 million and received $3.6 million in contribution to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 164 churches and associations during the year to promote *Make Your Will Month*, Christian estate stewardship, and church fund management. Over $4.6 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. With a total of $10.1 million in contributions, it was the best year eclipsing the previous high of $9.3 million recorded in 1999.

The Baptist Foundation is blessed to have one of Carolina Baptist Associations members, Mrs. Girtrue Talley of Etowah Baptist Church, as Second Vice President. Our director of missions states "They have made a wise choice." Girtrue has been involved with the Baptist Foundation for a number of years.

Baptist Hospitals

"We desire to build a hospital to bring the healing art more definitely under the dominion of the Great Healer." Baptist Hospital's founding commission penned these words in 1921, and this partnership in healing has been our defining purpose. Our Christian heritage remains the foundation of Baptist Hospital and undergirds our daily commitment to provide compassionate, state-of-the-art medical care to those we serve. The Christian faith is truly the "soul of our institution."

North Carolina Baptists, through the Mother's Day Offering, opened their hearts to patients in financial need and gave $560,624 in 2000 for the compassion mission of benevolent care at Baptist Hospital. All of these funds were used to pay the hospital bills of patients in financial need. The fund helps patients who "fall between the cracks," making too much for government assistance but not enough to pay for health care insurance. They are deeply thankful to NC Baptists for this gracious witness to God's love. As one recipient said, "God smiled on us through the Baptists of North Carolina." Her son is a 13-year-old cancer patent.

Highlights for North Carolina Baptist Hospital:

1) Baptist Hospital ranks among the nation's top hospitals according to the July 2001 issue of *US News and World Report*. One hundred eighty-eight of the nation's 6,299 hospitals appear on this list.

2) The Medical Center's Comprehensive Cancer Center received a 5-year renewal of its status from the National

Cancer Institute. The Comprehensive Cancer Center is one of only 37 such centers in the nation, and is the only one in Western North Carolina. It includes Prostate and Breast Cancer Centers of Excellence.

3) The 47,000 square foot downtown Health Plaza opened in 2001 to provide healthcare for underserved people in Forsyth and surrounding counties. Thousands of indignant children, adolescents, and adults have received compassionate and thorough medical care during the year.

4) Construction of a 400,000 square foot 11-story addition to the hospital's Ardmore Tower is moving toward completion. Six of the floors will provide space for Brenner Children's facilities, such as private patient rooms, family resource centers, and programs for children with disabilities. The Tower will also include new cardiac catherterization labs and operating rooms.

Baptist Men's Ministry

Zollie Ward

Since the Associational meeting in April 1998, I have had the honor of coordinating the Baptist Men's work for our Carolina Baptist Association of churches. Brother Maurice Lancaster serves as the Disaster Feeding Coordinator and Brother Mike Nelson has worked in Disaster Recovery with clean up. Mike becomes our new Baptist Men's Director for our association in January 2002.

The highlight of this year (September 1, 2000 through August 31, 2001) for me was having 104 men and women from 13 of our Associational churches register for the state level training for disaster ministry. The training event was held in March 2001 at the Beverly Hills Baptist Church in Asheville, NC. I am thankful to Maurice for his work in scheduling this training event for our area, and to Mike for his work in providing the roof repair training at the event. We wanted several volunteers to be trained and ready if another disaster like Hurricane *Floyd* were to occur.

While we have not been called to help with a natural disaster this year, recently some of our trained volunteers were put on stand-by to serve on the NC feeding unit #3 based out of Sylvia. Within 24 hours of the tragedy on September 11, 2001 of the hijacked plane that crashed into the Pentagon, a mobile kitchen was on site in the south parking lot at the Pentagon providing food for the rescue workers. There is a 7 minute video report that has been to our churches giving details of this ministry. I would encourage every congregation to view it, and then pray for the recovery work.

While the feeding need has ended, there are still opportunities for folks to go even now to New York City to help in the clean up efforts. Volunteers are needed to remove the dust and small debris from the many buildings all around the area where the World Trade Center towers collapsed. If you want more information, please contact us.

I sincerely thank you for allowing me to serve our Lord these past four years as your Baptist Men's Director. I know you will continue to support Brother Mike Nelson as this mantle of leadership is passed on to him. And please contact us if you want to serve Christ through any of several ministry opportunities of the North Carolina Baptist Men. I shall continue to labor together with you all in His service.

Baptist Retirement Homes

John F. Rymer

Baptist Retirement Homes (BRH) of North Carolina, Inc. was founded in 1951. BRH is one of North Carolina's most respected providcss of long-term care. With four retirement communities throughout the state, BRH provides all levels of care for older adults, including special programs for conditions such as Alzheimer's Disease. The Homes' new continuing care retirement community called ***The Gardens of Taylor Glen*** is under development near Charlotte.

Fees vary according to facilities and the level of care chosen or required by residents. A full schedule of fees is available upon request. There are no entrance fees associated with any of the health related facilities owned and operated by Baptist Retirement Homes.

Contributions received from the Baptist State Convention Cooperative Program, the North Carolina Offering for Older Adults, and from local Baptist churches across the state are used exclusively to help BRH provide care for those older adults in either assisted living or nursing care who are unable to pay the full cost of the service they need.

Facilities are located in Winston-Salem, Asheville, Hamilton and Albemarle. A continuing care retirement community is under development in Concord, North Carolina. For further information concerning this ministry, you may call 1-800-887-7410 or call me locally at 828-692-3772.

Children's Homes

Judy Sinyard

As the representative for Broyhill Children's' Home, I am pleased to say we used Broyhill Children's Home in April 2001 for our Children In Action (Mission Kids) Missions Fair held at Oak Forest Baptist Church. Mr. Reginald Gilmore was our speaker and brought along a display of the projects that our churches could help with. Our WMU at Oak Forest also had Mr. Gilmore as a special speaker. Naples Baptist Church joined us for a combined meeting and fellowship.

Baptist Children's Homes have a lot of good projects to chose from which our Carolina Association could participate in. Mr. Gilmore or other representatives are available to speak to our churches, WMU's, Brotherhood or to help us be a part of missions here at home. If I can help your church or group to arrange a display or time for a speaker, please feel free to contact me.

Christian Higher Education

When it comes to colleges, "one size does not fit all." There is a difference.

North Carolina has 117 post-secondary institutions. Some classified as community or technical colleges. Others are public, while some are private. Some are Bible colleges. One is a seminary and one is a junior college.

Some have large campuses, while others have modest facilities. Some have major sports teams, while others offer intramural events. Some have significant endowments, while others struggle to stay open. Some have government support, while others depend upon private support.

North Carolina Baptist colleges and universities are unique. They are institutions we trust and support. They represent places that share our core belief that one's education should involve the heart, soul and mind. This belief is not shared by every institution in our state. Some are not allowed to invoke the name of God, neither are they allowed to worship God. North Carolina Baptist colleges, however, are different.

Students in our churches struggle when they are deciding which college or university to attend. It is a decision that will follow them the rest of their lives. If they choose a school where faith is left out of their educational experience, they will graduate with degrees without the benefit of their faith being challenged.

Thank you North Carolina Baptists for your continued support of Christian higher education at Campbell, Chowen, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate.

Cooperative Program

William W. Willingham

The Southern Baptist Convention adopted this definition of the Cooperative Program in 1979:

"The Cooperative Program is a financial channel of cooperation between the state convention and the Southern Baptist Convention which makes it possible for all persons making undesignated gifts through their church to support the missionary, education, and benevolent work in their state convention, and also the work of the Southern Baptist Convention."

Through the years, the Cooperative Program has been a proven winner. The Cooperative Program is the most efficient and effective method of supporting missions in the world. The cost of raising and handling Cooperative Program funds is approximately 2-4 percent of these funds. This pays the treasurers, bookkeepers, and staff members who promote the Cooperative Program in each convention. Ten to thirty percent is considered reasonable by most charitable organizations.

The Cooperative Program is efficient because of its consolidated money-handling system. It is efficient because thousands of local pastors and church members, just like you, promote it instead of paid agents or missionaries who are turned aside from their primary task.

Because of you and your gifts, over 9,300 missionaries are on the field today and more are being addend each year. Every day we should thank God for them and pray for them. We trust that you will continue to support them by your generous contributions to the Lord through your church.

It is quite easy to summarize the Cooperative Program. The Cooperative Program is missions.

For 75 years Southern Baptist have been making a difference by supporting missions through the Cooperative Program. Led by the Holy Spirit, let us continue the Cooperative Program team spirit of working together - all for the purpose of getting the gospel of Jesus Christ across the street and around the world.

Discipleship Training

Bob Dutton

How does your garden grow? Long ago, in a fanciful way, a child's poem showed us the picture of an exciting place. Many things are needed: land, planning, seeds, water, fertilizer, weeding, plenty of loving attention. How does your garden grow?

How does that relate to discipleship training? Transfer the image to the church. Land is required - buildings and classrooms. Planning is important - if we don't plan for spiritual growth, our results will be scattered and poor. Seeds - small, large, white, black, brown; each is important. People are the seeds that produce fruit.

The church garden requires a lot of work - often difficult, definitely challenging. Sometimes we think the work is not worth it - fruit does not come easily. Watering, adding fertilizer, weeding - the work never ends. But when we "hang in there" we will see the fruit.

As we move into 2002, we are all going to be challenged in ways that we could have never imagined a few weeks ago. Are you equipped to help your garden grow? As a denomination, we have a publishing house that has produced the best discipleship training materials available - prime fertilizer, when used properly, that will enable your folk to grow into mature disciples that will produce much good fruit: *The Ways of God, Jesus By Heart, The Mind of Christ, In God's Presence, Sharing Jesus Without Fear, BodyLife Journey, The Man God Uses, Breaking Free, A Heart Like His, Experiencing God as Couples.* The list goes on and on.

Jesus says. "Make disciples." If you want your church to grow and be successful, make disciples. Call me, and we'll look through the catalogue together - planning for a garden that can grow into the image of Christ.

History

Ruby Pruitt

This year began with the theme, "These Hills are Alive with the Sound of Music" which echoed throughout the churches, not only in music but in ministry and in service.

There was training in every aspect of our churches, including disaster relief. We have ongoing prayer groups. Evangelism, partnership with other countries, and mission efforts. Some results were going over goals for special projects, such as gloves for inmates in NC Women's Prison.

Ministry at the WNC State Fair resulted in seventy-five (75) professions of faith and three carnival workers were saved! Christmas Toy Project ministered to thirty-nine (39) families who received gifts for eighty-eight (88) children. One person received Christ during the witnessing time.

Historically, our motto says we are "***A Family of Churches Since 1877 - Churches Working Together to Reach Others for Christ***." All efforts should go to this end, reaching others for Him. Matthew 25:40 says "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

The following is from history reports from the congregational profiles and the Carolina Baptist Association newsletter. Be sure to list happenings from your church. Thank you for contributing to this report.

International Missions

Frank J. Baker

This past year has seen much activity among our churches related to International Missions. Giving among the churches has been extremely generous. Even among the smallest, Locust Grove raised over $1,000 for the Lottie Moon Offering. The most recent figures available (August 1999-August 2000; those for 200-2001 have yet to be calculated) reveal that giving to all mission causes (those outside the local church's needs) totaled $1,558,901.00. Of that amount, $647,834 went to the Cooperative Program. The International Mission Board receives 50% of its annual budget from the Program and depends upon the annual Lottie Moon Christmas Offering for the remainder of its needs. Only about 10% is used for administrative needs, 90%, including ALL of the Christmas Offering, is used to meet the needs of missionaries and programs overseas.

Many remember when the denomination's Bold Mission Thrust included an IMB goal for enlisting 5000 missionaries by the year 2000. Through 1999 the board saw "record missionary appointments in six of the last seven years. Six-hundred twenty eight were appointed in 1997." It anticipated reaching 700 the next year, but instead commissioned 885. The net growth in missionary appointment exceeded 900. The number of missionaries on the field now exceeds 5000.

In addition to monetary gifts, many churches are playing a more personal and direct part by helping member-groups reach the field as volunteers and appointees. Ron and Gail Davis have gone out from French Broad Baptist Church as Missionary Associates to Africa for their first four-year term. Mud Creek and First Baptist, East Flat Rock have sent members to serve in Honduras, while Naples Baptist collected $3,704,07 to send one of its members to Kosovo. First Baptist, Hendersonville has sent members to Russia, Scotland, Africa, Haiti, Mexico, Honduras, and India. Others from First Baptist and seven from Bat Cave have served in Romania. The pastor and some members of Shaws Creek went to Morocco. Churches have shared their pulpits with missionary couples and observed Missionary Moments in worship services.

We praise the Lord and give thanks for the generous loving spirit of our churches.

If you or you church would like to know more about opportunities of service or simply more information about IMB, please log on to their web-site: **http://www.imb.org**; call the Prayer Hotline 1-800-395-PRAY or 1-888-422-6461.

JOY Singers

Duane Francis

JOY Singers continues with its weekly activity. The volunteer group meets every Tuesday afternoon at 2 PM at the Resource Center. After an hour's rehearsal, the group goes to a retirement home or health center to sing and to visit with those residents who have come to hear the program of hymns, gospel songs and choruses. The 30 minutes program ends with residents participating in a "sing-along" of some songs or choruses and the Lord's Prayer. They seem to enjoy this very much and even the managers show their appreciation for our efforts.

This is the thirteenth year of JOY Singers and we thank the Lord for its ministry which began in 1988. Boyd Sutton began the year as Music Director but soon had to resign due to needed surgeries to remove a tumor on his spine. He is still recovering but occasionally joins the group as a singer. We have been fortunate in acquiring the services of the Rev. Dr. Carl F. Waldron as our current Music Director. He brings us vast experience and resources in the music field.

Currently, we have 40 representatives from 12 churches with an average attendance of about 28 each Tuesday. We are scheduled at nine different retirement homes or health centers and are being invited into more if and when the schedule permits.

The members of JOY Singers are grateful for the opportunity to minister to those who are less mobile and more confined. We appreciate the prayerful and financial support of the Carolina Baptist Association.

Membership

As of February 1, 2001 Holly Springs Baptist Church voted to withdraw its membership from the Carolina Baptist Association, Baptist State Convention and Southern Baptist Convention.

On July 17, 2001 the Executive Committee voted to accept Living Water Baptist Church under watch care for one year. Living Water will be eligible for full membership in July of 2002.

Media

Janet Allman

Carolina Media Library Ministry has much to offer churches and individuals in the association. Resources, information, instruction and inspiration just to name a few.

The Christian Growth Study Plan books for Media Libraries are available at the association office. These resources can be used to help develop media skills and leadership qualities.

The council includes; Janet Allman (697-1103), Faith Searcy (692-1261), and Hazel Duncan (693-6593) and are ready to assist churches to organize or reorganize media libraries. The council members have the training needed to help our churches. If we can be of service to any of you, in any way, please do not hesitate to telephone.

Highlights this past year includes a spring meeting on copyright guidelines. Printed material, videos, music and other items were discussed. Ed St. John, Faith Searcy, and Hazel Duncan presented the information to the group. Seven churches were represented. Handouts were available for information.

Ordination

Ray Talley

The Carolina Baptist Association Ordination Committee is charged with the responsibility of examining a candidate to the gospel ministry when requested by the pastor and church of a cooperating church in the Carolina Baptist Association. This committee makes a written recommendation to the requesting church but understands that ordination of the candidate is solely the responsibility and authority of the requesting church.

The Ordination Committee examined two candidates during this associational year. Both candidates were found to be exemplary Christians with a genuine call to the gospel ministry and both were highly recommended to their requesting churches.

On July 19, 2001, the Committee examined and recommended to Jones Gap Baptist Church (Rev. Curtis Pace, Pastor) that Eddie Gordon, III be ordained. Brother Gordon has been called as pastor of Lynn Baptist Church in Lynn, N.C.

On July 31, 2001, the Committee examined and recommended to Balfour Baptist Church (Rev. Joe Mullins, Pastor) that Anthony Dale Pace be ordained. Brother Pace has been called as pastor of Rehoboth Baptist Church in Maple, N.C.

Carolina Baptist Association is always excited when God calls men to the gospel ministry. It is always a privilege to examine and recommend these God-called men to their church for ordination.

Spanish Mission

Samuel Vixtha

The Hispanic Baptist Mission of Edneyville is continuing with God's task of evangelizing the Hispanic community.

At the beginning of the year we had a Deacon Training meeting in our church with Brother Larry Phillips from the Baptist State Convention as the leader.

During the month of August we had a revival meeting where several Hispanic churches around Western North Carolina gathered with us. It was a blessing to see many churches together to worship the Lord.

During the month of July we had Vacation Bible School that many children attended.

Through the Gideon's, we have distributed some New Testaments to the Hispanic community.

Our church has been without a pastor for over a year. Samuel Vixtha has been filling in as interim pastor. At this time, the church is in the process of voting for a new pastor.

Our goals for the near future is to become a constituted church and grow for the kingdom of God.

Woman's Missionary Union

Carrie Belle Barton

Woman's Missionary Union is a missions organization, not an organization that just happens to be involved in missions. This is the purpose for which WMU was founded. It is an organization in the local church; it cooperates with other churches in the association to do missions and ministry. The state and national organizations provide materials and assistance to the association as well as the local church.

Associational WMU work is challenging; it is essential; it can be difficult; it can be fun; it may be exhausting; it is always necessary, worthwhile, and rewarding.

Woman's Missionary Union has an organization for everyone - men, women, boys, and girls:

Adults - Women on Mission/Adults on Mission (co-ed)
Youth - Acteens/Youth on Mission (co-ed)
Children - Girls in Action/Children in Action (co-ed)
Preschool - Mission Friends (co-ed)

During the year WMU promoted the Weeks of Prayer, Offerings, and Mission Study for International Missions, North American Missions, North Carolina State Missions, and Emphasis for our state Baptist Retirement Homes, Baptist Hospital, and our Baptist Children's Homes as well as Associational Missions.

We observed World Day of Prayer at Refuge, a Celebration Experience at Bat Cave with "Fannie Heck" (Patricia Frazier), a Prayer Retreat with Phyllis Foy at Main Street, our Annual Meeting at Saluda, a special WMU meeting at Etowah with Laura Savage from National WMU; and Linda Hoffman from Alaska. We attended Missions Extravaganza at Ridgecrest, leadership training at Fruitland, and we had local church training at Shaws Creek.

Some of the projects we have been involved with are Women's Prison Ministry, Toy Project and Distribution at the Resource Center, collecting food for IAM, World Hunger, Mainstay, Hendersonville Rescue Mission, Open Arms, collecting baby clothes for a mission team to Morocco to assist an orphanage, Operation Christmas Child through Samaritan's Purse, collecting A-Dime-A-Day for our state WMU Endowment, Mountain State Fair Ministry, praying daily for our missionaries on their birthday, each of us being On Mission and witnessing where we are, etc.

Thanks to each member of the Leadership Team for all you do. We express special thanks to Jewel Adcock for her leadership the past three years.

WNC Mountain State Fair

Norma Melton

The mission of the Mountain State Fair Ministry is to share the Gospel of Jesus Christ with the people working at and attending the Fair. This will be accomplished by volunteers from Baptist Churches in Western North Carolina who will witness by caring for the physical and spiritual needs of fair employees and fair guests.

Thank you to the hundreds of Baptists in Western North Carolina who cooperated to accomplish the goal of the above mission statement. Thank you for being a part of a unique ministry to carnival workers and to those who attended the fair.

WNC Baptist were there at the fairgrounds when the tragic disaster in America occurred. We were there to pray with Sheridon, a carnival worker, when he learned that his cousin's husband died and his cousin and her child were badly injured from the fallen debris of the World Trade Center.

We were there to encourage Jack and Debbie, carnival workers, when they got married at our Break Tent.

We were there when Charles, a carnival worker, had a collapsed lung and needed medical attention to survive.

We were there to share Jesus with a young couple attending the fair. They accepted Jesus with as their Savior. We were there when about 100 others also accepted Jesus into their hearts.

We were at the fairgrounds with the North Carolina Baptist Men Medical/Dental Van to assist 111 carnival workers with medical attention and 103 carnival workers with dental attention.

We were there very late one night to answer a young man's question, "Why are you still here this time of night with people like us?"

We were there to provide haircuts, clothes, hygiene kits, blankets, and food. We were there to share Bibles, Jesus videos, Christian tracts and stickers, salvation bracelets, and a Christian witness.

We were there to hear the carnival workers say, "Thank you...We love you...wish you would go to the next show with us...see you next year...thank you..."

Dedicated in Honor of

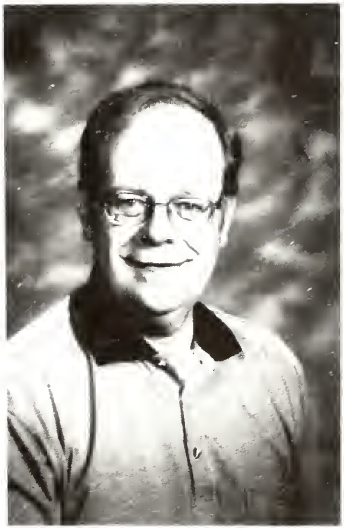
Mrs. Charlotte T. Swift

Mrs. Swift was born in Charlotte, NC, on September 10, 1908, to Daniel Allen and Madge McQueen Tedder. She is a graduate of Shelby High School and earned a B.A. in English and Religion from Meredith College. She later earned an M.A. in Education from Appalachian State University. She did further study at the University of Denver and at East Carolina State University in Library Science. She married Frederick J. Swift on October 7, 1944. They had one daughter and two sons.

She worked in North Carolina public schools more than twenty-five years; first as a teacher and then as a librarian. Her church religious service consisted of two years as church secretary and educational director of the First Baptist Church of Lexington and four years at the Baptist Sunday School Board in Nashville, TN. After leaving the Board, she and her husband moved to Hendersonville and were members of First Baptist Church, Hendersonville. The 1952 Annual of the Carolina Baptist Association reports that Mrs. Swift held associational positions in both Training Union and WMU, but that was just the beginning.

Soon she came to be clerk of the Association, a position that carried responsibilities far beyond the current concept of clerk. From September of 1953 until January of 1955 Charlotte was the total staff of the Association. The 1954 Annual Report speaks of Charlotte's service: "...her work has been most gratifying. She has held clinics for WMU and Vacation Bible School leadership, inspired and assisted in the organization of WMU's and has conducted five Vacation Bible Schools." Charlotte has a rather remarkable record for a "clerk."

From Hendersonville, Fred's employment took them to Shelby where Charlotte worked with the Shelby City Schools for nineteen years. Both Fred and Charlotte were very active in Shelby First Baptist Church, giving special leadership in mission activities. For fifteen years she wrote monthly articles for the *Training Union Magazine*. Once she retired from teaching, she accompanied her husband on several volunteer mission trips under the auspices of the Baptist Foreign Mission Board. Her main focus in life is to witness to others. The Charlotte Swift Witness Group in the First Baptist Church of Shelby has been named for her. In 1988 the Swifts came to be residents at Boorkridge Baptist Retirement Home in Winston-Salem, NC.



Dedicated in Memory of

Mr. Monty O. Parker

Monty O. Parker was born May 18, 1940, in Battle Creek, Michigan. He was married for forty-two years to his school sweetheart, Sandra M. Hoff. They had a son, Daniel, of Moscow, Idaho; a daughter, Carla Humberg, of Hendersonville and a granddaughter, Bethany. An infant son preceded Monty in death.

Monty, who came from an unchurched home, received Christ as his Savior at a Youth for Christ rally at the age of fourteen. Soon after his conversion, he led his grandmother to the Lord and was influential in other family members coming to the Lord in the years that followed.

Monty received a Bachelor's degree in education with a major in Spanish from Western Michigan University and a Master's degree in driver education and traffic safety from Michigan State University. His life's work was in education, both public and private (Christian). In 1977, he was named co-director of a three-year government study in traffic safety based in DeKalb County, Georgia. Wherever he lived and worked Monty's first priorities were always honoring and serving his Lord and Savior and loving and caring for his family.

Monty and Sandy moved to Hendersonville, NC, in 1994. They became active members of First Baptist Church, Hendersonville, where Monty served as a deacon, greeter, chairman of the Missions Committee, and coordinator of migrant outreach. He had a heart for missions working with the Spanish Mission church in Edneyville, serving as an ex-officio member of the Carolina Baptist Association Language Committee, and participating on several mission trips to Mexico and Honduras.

At the time the Lord called him home on January 14, 2002, he had been teaching Spanish and driver education at West Henderson High School.

EXECUTIVE COMMITTEE MINUTES
January 15, 2002

The meeting was called to order by Moderator Joe Mullins. He asked Rev. Bill Landreth to lead the opening prayer. Music Director Victor Rampey, playing his small guitar, led the group in worship by singing "Glory to His Name," "Amazing Grace," and "God is so Good." The minutes of the July 17, 2001 Executive Committee meeting were scanned by the clerk and accepted as given.

Old Business

In the July meeting a decision was made that Carolina Association would make a movement to support the library building program at Fruitland Institute by having an offering during October honoring Alex and Bea Booth, who served the Institute as President and Librarian respectfully and served Carolina Association in many positions. This offering was taken and reported $2,157.18 was given.

As a result of a report in July by Discipleship Training Director, Bob Dutton, regarding the September 27-29 conference *On Your Knees,* three from CBA attended and were blessed. Another prayer conference is planned for 2002.

New Business

Jana Jones of Shaws Creek asked that the Evangelism Committee request permission of Blue Ridge Mall to place a rack for gospel tracts in the building. If permission is not given, that *Open Door* Bookstore be asked if they would allow CBA to place a cart with tracts in their store and then they would place it near their door each day. CBA would be responsible for replacing tracts as needed and that the tracts be ordered from American Tract Society with funding from the Evangelism Committee budget. This request will be referred to the Evangelism Committee.

The Treasurer's report by Carrie Belle Barton: Forty-eight churches gave $171,001.13 in 2001. As of December 31, 2001: Balance in the general fund is $3,651.40; Value of the NC Baptist Foundation camp sale investments is $429,044.05; Balance of designated checking account is $2,956.66; Balance of the designated CAP account is $140,611.73. The budget for 2001: $193,887.00. Total receipts for 2001: $172,017.34. This is 88% of the budget. The report was received as given. Scholarships granted from CBA from January - December 2001 were $59,007.50.

Committee Reports

Committee on Nominations report was by Zollie Ward. At the July meeting a person had accepted the position of treasurer of CBA but another responsibility made it impossible for her to fill the position. The committee had another person who considered the place but also declined. Fortunately, Carrie Belle Barton has agreed to fill the place until someone is found.

The Committee on Membership report was by Joe Mullins. A letter from Providence Baptist Congregation dated December 17, 2001 was received. Providence voted to withdraw their application for membership of Carolina Baptist Association.

Reports

Report of Association Council by Brian Davis: The Council meets monthly to handle any business that is needed between two annual meetings and two executive committee meetings. Personal changes this past year found two long-term and faithful members being replaced. Director of Missions Ministries David MacEachern was replaced by David Treadway and Church Development Director Mike Smith is replaced by Jim Clouse.

Director of Missions Dr. Sandy Beck was unable to be at this meeting as he is attending a state Director of Missions meeting at Caraway. He left as information a report given by Moderator Mullins:

1. **Open Arms** is an organization in Henderson County of people who believe in pro-life. The existing board needed support and CBA Council agreed to work with them. They are now under the unbrella of CBA. Dr. Sandy would like to find good godly businessmen/women, pastors and lay leaders who will offer to serve on the board or in other ways.
2. **CBA Property** as shown on a map became an owner of this plot when land was obtained from West Hendersonville Baptist Church. The land is a narrow strip and not worth anything to CBA at this time. West Hendersonville does not want the strip. There is an owner adjacent who wants the land. Our trustees will handle the sale of the land.
3. **I-26 Corridor**: The goal of CBA is to establish healthy churches to reach the new community(ies) that are moving in along the interstate in Henderson County from Polk County to Buncombe County lines. Brian Davis stated that perhaps a need is to place signs near I-26 so that travelers may know where to find a church if they want to worship. Churches near exits that are willing to cooperate in this effort are: East Flat Rock First, Ebenezer, and Living Water.
4. **Seminary Extension**: We have been approved by the Seminary Extension Division of the Southern Baptist Convention to operate a Seminary Extension at CBA.
5. **Christian Women's Job Corps**: Information through the WMU Council has been made available regarding the WMU involvement in CWJC. Dr. Beck will be going to York, SC with WMU Council members to learn of their success in this ministry.

Bob Dutton, Discipleship Training Director for CBA, reported that there is a new study for churches on mission which is an eight week study with video and books. Materials for scanning are available in the media center. Bob recommended *On Mission with God, Living God's Purpose* as an excellent study. This study is written by Avery T. Willis and Henry Blackaby.

Attendance report was by Clerk Lucy Sitton. Nineteen messengers from fourteen churches are present. Churches are: Balfour, Dana, East Flat Rock First, Etowah, French Broad, Fruitland, Living Water, Main Street, Mount Gilead, Naples, Pleasant Grove, Shaws Creek, Spanish Mission, and Tuxedo First.

The Closing prayer for adjournment was by Bob Dutton.

18. Resolutions Committee report was given by Rev. Ron Fousek, Ebenezer Church.

WHEREAS, God faithfully watches over His work in the local churches of our association,

AND WHEREAS, God is vindicating the obedience and servanthood of His people,

AND WHEREAS, our association moves ever forward to obey the mandates of the Great Commission by faithfully giving leadership while involved in serving the particular needs of our churches as they fulfill their God-given vision,

BE IT RESOLVED, that we allow the Lord to bring personal revival and that we yield to Him the gratitude of our hearts for His continual ministries to us,

BE IT FURTHER RESOLVED, that we express our gratitude and appreciation to the Jones Gap Baptist Church and their pastor, Rev. Curtis Pace, for their gracious hospitality in hosting this 125th semi-annual meeting of the Carolina Baptist Association on this April 23, 2002.

BE IT FURTHER RESOLVED, that we express our love and sincere appreciations to Dr. Henry S. (Sandy) Beck, III, Director of Missions, Mrs. Paula Janes, Financial Manager, and Mrs. Linda Marie Phillips, Administrative Assistant, for their excellent and committed service to our association.

BE IT FURTHER RESOLVED, that we express appreciation to Rev. Joe Mullins, Moderator, Rev. Brian Davis, Vice-Moderator, Dr. Victor Rampey, Music Director, and Lucy Sitton, Association Clerk, for their leadership and service in this session, with other persons on the program who have contributed much to the success of this meeting.

BE IT FINALLY RESOLVED, that we refresh our faith, renew our commitments, and continue the work to which God has led us, to include mission training and actions here at home and around the world.

THEREFORE HAVING SO RESOLVED, let us be encouraged that "I (we) know whom I (we) have believed, and am (are) persuaded that He is able to keep that which I (we) have committed unto Him against the day." (2 Timothy 1:12)

A motion to adopt this resolution was by the committee, no second needed, the report was approved.

Ron continued with a second resolution on "Troublesome Times."

WHEREAS, we are living in troublesome times across the span of our beloved America,

AND WHEREAS, daily developments are increasingly alarming and disarming,

AND WHEREAS, we witness the unraveling and dismantling of what many of us consider essential values,

AND WHEREAS, signs do not point to any improvement on the horizon,

AND WHEREAS, the image of family is changing into that which reflects the base nature of man rather than the holy nature of God,

AND WHEREAS, the sanctity of marriage is attacked and marriage vows considered unimportant in some circles,

AND WHEREAS, the parental authority in the home is challenged by some children at the sanction of new societal mores,

AND WHEREAS, Christians who espouse Biblical values are often ridiculed and persecuted by the media, while anti-Biblical antics are given attention and approval,

AND WHEREAS, the Lord's Day is sometimes neglected and not revered,

BE IT RESOLVED, that we renew or sacred vows unto our holy God,

BE IT FURTHER RESOLVED, that we speak again our stand with the things of God, the values of God, and the ways of God, as recorded in the holy Scriptures,

BE IT FURTHER RESOLVED, that we proclaim and give clear and uncompromising attention to the Biblical definition of marriage and the family, highlighting the role of the man as husband and the woman as wife, and the children under parental authority in the home.

BE IT FURTHER RESOLVED, that we again speak of such tried and proven blessings in the home as Bible reading and prayer at a Family Alter, families gathering around a table for a family meal preceded by "the blessing," families traveling together to a local church for Sunday School and Worship.

BE IT FINALLY RESOLVED, that we strive to be light and salt in the world to make a difference in our communities where we live.

THEREFORE, HAVING SO RESOLVED, let us refresh our faith in God, embrace our families with love and care, return to our churches with renewed commitment, recognize and affirm Christian families, and do as Judah did after the prayer of King Jehoshaphat: "And all Judah stood before the LORD, with their little ones, their wives, and their children." (2 Chronicles 20:13)

The motion to adopt this resolution came from the committee, needing no second, it was approved.

Members of the resolutions committee are Mike Willoughby, Don Lesley, and chair Ron Fousek.

There is a need for a group to be started for college age to 35. The people that attend singles meetings are looking for good Christian fellowship. Pastors are asked to encourage single members to attend. Dr. Beck, Linda Marie and Paula have been encouragers and are appreciated for their support.

23. Fruitland Baptist Bible Institute - Todd Edmiston encouraged church groups to come to Fruitland and experience fun, food, faith and fellowship starting with chapel service at 9:45 AM, a historical presentation of Fruitland, a tour of the campus, and ending with lunch ($5.00 per person). She also spoke of how JAARS (Jungle Aviation and Radio Service) is serving Bible translators worldwide by transporting Bibles via land, air and water to places where there is great need.

27. This is only one half of Carolina churches that are planning with their pastors and staff for their future. **Good news** – Assistance was given to the widow of Dr. Kay Huggins in his recent death because he was covered by the Annuity Board. Kay Huggins, son of Janius and Ethen Huggins of Fruitland Baptist Church, was active in Carolina Association.

Old Business

At the January 2002 meeting a request was made, approved and referred to the Evangelism Committee to place a tract unit in the Blue Ridge Mall. The Committee met and a tract stand will be located outside the Open Door Book Store. The rack will be taken inside at their closing time. Tracts will be replaced as needed.

Membership Committee - Chair Paul Noe made a recommendation from the Membership Committee that Living Water Church, Pastor Mike Stewart, be received into Carolina Baptist Association with full membership. They have completed one year under watch care. A second was made and accepted.

Committee on Committees – Paul Black, chair of Committee on Committees, gave a completion to the report from May 24, 2002. Paul Chandler was named to serve on the Committee on Nominations for one year. Mike Smith was named to serve as chair of the Finance Committee for three years. The report from the committee was approved.

New Business

Constitution Committee – Robert Garren, chair of the Constitution Committee, reported some changes to the Association Constitution and Bylaws. This report, with approval of this Executive Committee, will be referred to the Fall Session on October 22, 2002. Copies of the revisions recommended as given tonight will be sent to all churches prior to the October meeting, and will also be given at the meeting. The committee's report was approved.

Association Council - Brian Davis asked members to turn to the application for financial assistance, this was prepared by the Screening Committee and approved in June by the CBA Council. These changes were due to financial requests having increased as the funds have remained about the same. Our NC Baptist Foundation representative, Coy Jeans, cannot tell us what the dividends will be for the summer receipts. Mike Smith commended the work done by the Screening Committee and Council to make the necessary changes and clarify the forms. The report was approved by the Executive Committee.

Other Business

Open Arms is doing well and progressing, Sandy reported. Open Arms needs board members who will be active, such as good business persons, attorneys, pastors, or WMU ladies. Not all need to be Baptist, this board could have sixteen or so members with one half the members being Southern Baptist. Call the CBA office (693-4274) to give names of those who would like to be on the board. Open Arms at present needs funds and grants as well as additional leadership.

Christian Women's Job Corp is on hold, the needs are leadership and grants. The WMU will be pursuing leadership.

September 11 Service is underway in remembrance of the anniversary of that mournful day last year. Mud Creek Church has been honoring law enforcement people once a year. Sandy has made contact with Mud Creek for a September 11th evening gathering there with association churches. Plans are indefinite now.

Designated Money Market Accounts for World Mission Conferences with a balance of $18,095.91 and Emergency Church Needs with a balance of $33,457.14 are not drawing much interest and not expected to be used any time soon. It is felt that better leadership would direct us to place the funds elsewhere until the economy improves.

Regarding World Mission Conferences: The desires to bring members or pastors of churches visited by some of CBA church members on mission must be on hold with travel in the world as it is. Coy Jeans is our advisor in regard to investment. Our former treasurer, Carrie Barton, questions investing with NC Baptist Foundation with these funds as the interest only would be used. Suggestions have been that if CBA would establish a program as a Foundation, perhaps such a Mission fund might be mentioned in wills as Frank Neville has done.

Sandy referred to financial giving report by churches. It had been better until the last month. Sandy expects CBA to meet the budget in 2002.

The possibilities of new church starts up-to-date:

1. The camp ground church will not take place. They do not want to be Southern Baptist.

2. East Flat Rock First is starting a Spanish Mission as there is a great need in their area. Agua Viva will be assisting in this new work.

3. A Bible study for Cambodians is being held at Shaws Creek monthly. The teacher is coming from Charlotte. This is a good church-start possibility.

4. Another group of unchurched young adults are in the Arden area. A Seventh Day Adventist Church is willing to share space for meetings on Sunday. This has not started yet.

Other Reports and Announcements

Brian recognized Mike Smith whose mission group had just returned from Georgetown, Ohio. A building was started with Fruitland Church leading. Fruitland had 34 going, Bat Cave sent 12, Main Street had 1 and Etowah also had 1 member to go. The Association there furnished a large tent and a utility cart for pop corn, cotton candy, and snow cones. This was a great help. If CBA had such a resource, it could be scheduled by various churches for VBS, Homecomings, Block Parties and other needs. Fruitland borrowed or rented tents to use to sleep and eat in. Bryan Hamilton from Etowah put a forty gallon hot water unit in his trailer for two showers. This was a great addition to the comfort of the mission group.

Linda and David Bradley, Fruitland leaders of the mission trip, spoke enthusiastically of the equipment in Ohio. The tent and utility cart could be on loan for one night at various VBS groups to great advantage. Sandy said that a tent is used by CBA with Buncombe Association at the State Fair. Sandy suggested that this would be a good project for the Brotherhood. Bryan Hamilton wants churches to know that his trailer with the showers is available. Linda Bradley made a motion, seconded by Robert Garren, that the Missions Committee look into the possibility of getting a tent and a utility cart with equipment for pop corn, cotton candy and snow cones be looked into for our association. The motion was approved.

Attendance for the Executive Committee Meeting: 19 present with 14 churches represented. Balfour (1), Double Springs (1), East Flat Rock First (1), Etowah (2), Fruitland (4), Hendersonville First (1), Horse Shoe First (1), Living Water (1), Main Street (1), Mud Creek (1), Oak Forest (2), Pleasant Grove (1), Saluda First (1) and Shaws Creek (1), the 3 staff members from the CBA office are included in this number.

A motion and second were heard to adjourn.

The closing prayer was by Robert Garren.

Carolina Baptist Association Semi Annual Meeting
Fall Session, October 22, 2002
"Celebrating 125 Years"

Afternoon Session

1. The Fall session of the 125th Annual session of Carolina Baptist Association met at East Flat Rock First Baptist Church on Tuesday, October 22, 2002 at 4:00 P.M. The theme of the meeting was "Celebrating 125 Years."

2. Music Director Victor Rampey led the opening session in singing "Revive Us Again." Diane Hamilton was pianist and Brian Davis played drums.

3. Brian Davis, pastor of East Flat Rock First Baptist Church, gave a hearty welcome. He used the changing of season with leaves colorfully falling as a basis of his devotion. The loss of their sap in leaves brings stress and so the change of color. We learn in God's word to be able to handle the stress in life by the teachings of Jesus and the writing of Paul to have love, forgiveness, joy and peace. He led the opening prayer in celebration of the 125th session.

4. Moderator Joe Mullins declared the fall session of the 125th Semi-Annual meeting of Carolina Baptist Association in session.

5. Moderator Mullins referred to the Book of Reports with its attractive photograph of our Resource Center in color. He thanked the staff for preparation and Mud Creek Church for printing the cover page. He asked for the adoption of the Book. A motion and second were given and it was approved.

Moderator Mullins thanked East Flat Rock Church for their reception to their beautiful facilities. This is the first session of Carolina Association in this building. He then recognized Debbie Beaver, Treasurer.

6. Treasurer Debbie Beaver referred messengers to the report on page 9 of the Book of Reports, showing receipts from January-September, 2002 and the account balances. The treasurer's report is on page 32 -33 of the Annual. The report as reviewed was accepted.

7. The WMU report was given by Director Carrie Barton. It is found on page 31 of the Annual. She gave a brief history of the beginning of WMU: National, in North Carolina and in Carolina Association.

8. Report of the Baptist Men was given by Director Mike Nelson of Mud Creek Church. He enthusiastically spoke of activities men and women carried out in New York, Alaska, Kentucky, Colorado, eastern North Carolina, Louisiana and in countries outside our United States. He invited everyone to see the recovery trailer in front of the church. This trailer will be available for use by CBA churches. The trailer needs to be stocked with tools. A sheet was given out of a list of recommendations for needed hand tools, electrical and lighting, and miscellaneous items to furnish the trailer. (An insert was in the Book of Reports). Messengers were encouraged to give money for supplies through the Resource Office.

9. Vice Moderator Brian Davis presided at the 4:00 P.M. session. He recognized representatives of institutions and agencies.

10. Laura Shepherd spoke fondly of her work with the children at our Baptist Children's Homes. She invited individuals and church groups to visit campuses of our homes. She also said that groups of the children with their home leaders would be glad to visit our churches. She spoke of a small eight-year-old boy who came on campus with a little bag of all that he owned. When he learned he would be going to church, he responded, "I have no clothes to go to church." Of course, he was taken shopping for clothes, also a toy he especially wanted, he went to church.

11. The Open Arms report was by Teresa Lyons. This group of volunteers has an office on Washington Street near the library. They have forty-one active clients who have come for assistance when they need counseling, maternity clothes, training in child care and other guidance as they prepare to go back into the workday world. Teresa stated that if it were not for Carolina Baptist Association's help, Open Arms would have had to close its doors. Carolina Association has placed a limited assistance in the budget to be adopted today.

12. Dr. Thad Dowdle came to tell messengers of the valuable asset for many years that Fruitland Baptist Bible Institute has been to this area. A Christian high school was opened on that campus in the late 1990's under the leadership of Brother A.I. Justice and others. This service was available until 1936 when public high schools became accessible to young people. The property was idle a few years until in the 1940's when camps for girls and boys were held during the summer months.

J.C. Pips and J.C. Canipe each began teaching young ministers who were unable to attend college. In 1946 Fruitland Baptist Bible Institute was opened with Dr. Canipe as the first President.

The Institute is now in session with eight quarters of work for students. Some go on to obtain Bachelor of Arts degrees and then to seminary.

From Fruitland many pastors and staff go into ministry in this area and into far away ministries.

He spoke of the new Randy Kilby Library that opened this summer and of the prayer Chapel. He invited individual or groups to visit the campus. Todd Edminson, Director of Campus Services, will make arrangements. You may attend chapel, tour the campus and have lunch. Dr. John Rymer is completing his fiftieth (50th) year on campus, teaching Old Testament.

13. No representative of the North American Mission Board was able to be present.

14. Special music was presented by the *JOY Singers* under the direction of Boyd Sutton. The music enjoyed by all: "Joy in Serving Jesus," "Sunlight in My Soul," "Now I belong to Jesus" and their "Benediction" in acapella. See page 28 for report of JOY Singers.

15. Moderator Mullins came to conduct miscellaneous business at 5:00 P.M. The report by the Nominating Committee was referred to the evening session.

16. Vice Moderator Davis gave the Association Council report. He referred messengers to the scholarships granted from North Carolina Baptist Foundation interest income. This showed funding January-September, 2002. Sixty-eight children and youth from nine churches received funds to attend camps. More than one hundred members of seventeen churches received funds for mission trips. Twenty-eight members from sixteen churches received funds for education. Further information will be found on page 2 of the Annual.

17. The report on Resolutions was given by Rev. Ron Fousek. Others on committee: Mike Willoughby and Don Lesley.

***WHEREAS**, God has pronounced His abundant blessings on all of the churches of our association,*

***AND WHEREAS**, God's Word has proven its relevance and application to our many needs,*

***AND WHEREAS**, souls have been added to the kingdom of God and nurtured to follow Christ daily,*

***AND WHEREAS**, our association has effectively assisted in multiple mission efforts and encouraged our churches in accomplishing our unique purposes under the Lordship of Christ,*

***BE IT RESOLVED**, that we acknowledge the very presence of God and render to Him our praise and recommitment to His will,*

***BE IT FURTHER RESOLVED**, that we express our gratitude and appreciation to the East Flat Rock First Baptist Church and their pastor, Rev. Brian Davis, for their gracious hospitality in hosting this 125th semi-annual meeting of the Carolina Baptist Association on this October 22, 2002.*

***BE IT FURTHER RESOLVED**, that we say a big "thank you" and "we love you" to Dr. Henry S. (Sandy) Beck, III, Director of Missions; Mrs. Paula Janes, Financial Manager; and Mrs. Linda Marie Phillips, Administrative Assistant, for their excellent commitment to Christ and to our association.*

***BE IT FURTHER RESOLVED**, that we express appreciation and affirmation to Rev. Joe Mullins, Moderator; Rev. Brian Davis, Vice-Moderator; Dr. Victor Rampey, Music Director; and Mrs. Lucy Sitton, Associational Clerk; for their exemplary leadership and service in this session and also to other persons on the program who have had a very valuable part in this exciting meeting.*

***BE IT FURTHER RESOLVED**, that we continue to lead our churches to sincerely pray for our nation, our leaders, and our military during this time of global threats of terrorism and possible impending war with Iraq.*

***THEREFORE, HAVING SO RESOLVED**, as we celebrate our 125th year, let us be an Acts 9:31 association, affirming "then had the churches rest throughout all Judea and Galilee and Samaria, and were edified; and walking in the fear of the Lord, and in the comfort of the Holy Ghost, were multiplied."*

18. No one was available for the report on Singles Enrichment.

19. Eric Wyatt and Brian Cartee gave the report on Youth Enrichment. They gave as a goal for this year: "To reach out to other youth groups." This was to invite all youth leaders to become team players as they worked with youth in our Association. As they share ideas, joys and burdens in going about the Lord's Kingdom work, they found that "two heads are better than one." From Fruitland, Linda Bradley and her group shared about the eleven trips by youth and adults in northern states on mission. The Ebenezer Judgement House project that begins again this week is visited by many; they are asking churches to make reservations for group attendees. They reported reaching over two hundred who made decisions for Christ last year. The "Meet You at the Pole," student lead prayer in September, has become popular on most school campuses.

20. Memorial Service was by Rev. Harold McKinnish. He thanked the Association for the privilege to perform this honor and read scripture from Revelations 13:14. He read the names of deceased members by their churches. This list "In Loving Memory" is found on page 55. After the reading, the messengers were asked to stand in reverence for a moment and a closing prayer was by Rev. Harold.

21. John Rymer gave the Report on Dedication of the 2002 Annual. This annual will be in honor of Mrs. Charlotte Swift, and in memory of Mr. Monty Parker. The dedications will be found on the first pages of this annual.

22. Moderator Mullins asked that the congregation join in prayer with Rev. Paul Chandler for the benediction and blessing for the evening meal. He also asked that the prayer include special prayer for Zeke and Doris Crawford who are recovering from surgery and illness. Rev. Chandler led the congregation in prayer.

The messengers and visitors were dismissed and directed to the Fellowship Hall for a delicious meal prepared and served by members of East Flat Rock First Baptist Church. Their new Fellowship Hall is a beautifully arranged room.

Evening Session

23. Moderator Mullins called the evening session to order and presented Historian Ruby Pruitt for the125th Carolina Association Celebration History Report. The full report in on page 26.

24. Moderator Mullins introduced former Director of Missions for Carolina Association Rev. Ron Pinkerton who spoke of his friendship with Brother Frank Neville. Upon his death, Mr. Neville's estate was left to Carolina Association. It was invested wisely (along with the sale of Camp Bearwallow) with the North Carolina Baptist Foundation to enable Carolina to use the interest to carry on the scholarships listed on pages 34 - 37. Those shown in this annual are for only one year. We have had use of this investment since 1993 and will continue its use until Christ returns.

Mr. Mullins thanked Mr. Pinkerton for coming to give us this interesting information of our benefactor, Brother Frank Neville.

25. Recognition of new pastors and staff members was by Ray Talley. Only one new pastor was present: Eddie Conard of Crossroads Baptist Church. He was given a hearty welcome to his first Association gathering.

26. Tim Hunter, representing JAARS (Jungle Aviation And Radio Service) was introduced. The gospel is spread by their ministry. JAARS, along with Wycliffe Bible Translators, attempt to fulfill the call of Jesus in Matthew

28:19-20: "Go, ye therefore, and teach all nations..." A vision for 2025 is to see parts of the Bible translated in progress in at least every language group where Wycliffe has been able to make a copy in native tongue. More than 350 million people on this earth do not have the Bible written in their own language. In Africa radios are heard in Kenya, Togo, Chad and by satellite in other areas in their language. In the Phillippines pilots take messages and does construction work.

27. Jim Greene, who with wife, Joyce, presented most of the program for the 125th Fall Session on a screen behind the pulpit. He spoke of their company, *Church Video Solutions*. They are introducing local churches to the amazing world of video technology and offering competitive prices of their equipment. Their strategy is to produce good quality at a reasonable cost. They want all churches to have the ability to provide their shut-ins with videos of services as well as for other needs in their church and community. They may be reached at email: jjjgreene@juno.com

28. Moderator Mullins recognized Tom Jump from French Broad Church regarding a mission project used by their fellowship at Smiley's Flea Market. They rented a space at Smiley's Flea Market to provide a place for mothers to change their babies or for a nursing mother to feed her baby in private. The ministry has grown tremendously in number coming by and those they have shared a Christian witness.

29. Moderator Mullins opened the meeting for the second business session and presented Robert Garren for the changes to the constitution and by-laws.

Robert Garren reported that the changes were to be found in the Book of Reports. These changes had been read and accepted by the committee, then presented to the Executive Committee at the July 2002 meeting. The changes are recommended by a committee and need no second. The messengers approved the report. Other members of the committee are: Ida Manus, Lois McKinnish, Girtrue Talley, Richard Ritter, and Nancy Martin.

30. Chair Nancy Martin of the Committee for Nominations recommended Zollie Ward to be named Church Development Director. The recommendation was approved.

31. Chair Michael Smith referred the messengers to the Report on Committee in the Book of Reports. The motion to approve was from the committee, needing no second. It was approved by the messengers. Others on the committee: Gordon Elliott, Lois McKinnish, Ricky Levi, Faith Searcy and Thom Sherwood.

32. Chair Michael Smith of the Finance Committee referred to the Proposed Budget for 2003. This 2003 Budget was less that one percent over that for the budget for the past year.

Items added this year were: Open Arms, Fruitland Baptist Bible Institute, Pastor's Wives, Financial Audit and Anniversary Bonuses for Personnel. The motion from the Finance Committee to approve the budget needed no second. It was adopted by the messengers. See page 38 for the 2003 Budget.

33. Chair Paul Noe of the Membership Committee presented two churches for consideration as new sister churches of the Carolina Baptist Association. He introduced Rev. Matthew Tollison, Sr. and members of the Mud Creek Missionary Baptist Church that is located at the corner of Roper and Mine Gap Roads in East Flat Rock. He introduced Rev. David Blackwelder and members of the New Jerusalem Baptist Church which is temporarily located on Terry's Gap Road, and Clear Creek Roads.

The Membership Committee recommended that the two churches presented be approved for watch care status in Carolina Baptist Association. The messengers approved the report. The members of the committee were: Jana Jones, Phillip Capell, Dr. Sandy Beck and Paul Noe.

Chair Paul Noe asked for the privilege to thank those who during the past year have prayed for him, sent letters and notes. He is finished with his long treatment for cancer and is thankful for all the blessings received.

34. The State of the Association Report was by Dr. Henry S. (Sandy) Beck, Director of Missions. He spoke of a letter received from the Henderson County Board of Commissioners. This may have gone to pastors as well. The letter announced a scheduled meeting Monday, October 28, 2002 in the Board of Commissioners room. It is on the agenda to approve a draft of a New Henderson County Zoning Ordinances. They plan to define what a church is and how property owned by churches may be used. He urged pastors and members to attend this meeting to let them know in a Christian way that we vote. "Go in a Spirit of Christ." He encouraged a large number to attend.

He thanked the Church Video team for the use of their equipment during this 125th session and their operation of the equipment.

The Carolina Baptist Association is a self-governing fellowship of Southern Baptist churches. "Our purpose is to develop healthy churches and help them grow: Warmer through fellowship, Deeper through discipleship, stronger through worship, broader through ministry and larger through evangelism."

The purpose of team leadership is that we have healthy churches. He is taking a study that will enable his to work with churches in Carolina to see where we stand. We have an aim to have a one hundred per cent goal of healthy churches. Dr. Beck moved that Carolina Association go forward with team approach. Paul Black made a second to the motion and it was approved. The chart of this leadership team is on the back of this annual.

35. Perseverance Racing Ministries was given by Tim Aultman and his wife, Lisa. This ministry is based in Sherrills Ford, NC. Tim and Lisa began this ministry in January 2002. Their goal is to spread the gospel of Jesus Christ to the small, local race track drivers, crew members, their families and all those in attendance on race days. They had brochures printed up for pick-up that contained information, pictures and a form for donations to the ministry.

36. The Enrollment Report was given by Lucy Sitton, CBA Clerk. There were 104 messengers and 87 visitors with a total of 191 people representing 36 churches.

37. Recognition of Lucy Sitton for serving twelve years as Clerk for Carolina Association: Dr. Sandy Beck presented her with an attractive plaque. She expressed her enjoyment working with the association council and at annual

meetings and for the privilege of knowing more of the leadership of Carolina than she might have known otherwise.

38. Moderator Mullins recognized newly elected officers of Carolina Association and asked them to come to the platform. They are: Moderator: Brian Davis; Vice-Moderator: Roy Perry (Mt. Gilead Church); Clerk: Jana Jones (Shaws Creek Church); Treasurer: Debbie Beaver (Mud Creek Church); and Historian: Brenda Whiteside (Ebenezer Church).

39. Moderator Mullins asked for ushers to come forward for an offering that would be used for the New Church Starts. The Moderator asked Mike Stewart, pastor of Living Water Baptist Church, to lead the prayer.

Asheville Korean Church choir came to give the offertory music. They sang in a most impressive way in their native language two hymns: "Jesus Loves Me" and "His Truth is Marching On."

40. Introduction of speaker was by Ray Talley. Ray was pastor of Central Baptist Church, York, SC when a young man at the age of 17 came to tell him that he felt God had called him to preach at age 14. In many ways Ray knew that this was a true call from God. This young man asked his pastor if he could practice in the church preaching to empty pews, the message he wanted to use to witness to his classmates. This youth was Paul Noe.

His education: York Comprehensive High School, North Greenville College, B.A., Winthrop University, Master of Divinity; New Orleans Baptist Theological Seminary, Doctor of Ministry, Luther Rice Seminary.

He was ordained to the gospel ministry by the Central Baptist Church on June 16, 1985 and has served Woodhaven Baptist Church, Rock Hill, SC; Darby Baptist Church, Poplarville, MS; North Long Beach Baptist Church Long Beach, MS; Temple Baptist Church, Gaffney, SC and has served as pastor at Etowah since October 1999. His wife is Bobbi and his children are Alyss and Chandler.

Ray said: "I used to be his pastor...now I am proud to say he is my pastor. I ask you to hear prayerfully and gladly, my pastor, Dr. Paul Noe."

41. Special music by the group GRACE from the Etowah Baptist Church. This group of men and women are led by Bobbi Noe, wife of Pastor Paul. She told the meaning of their name which is an acrostic: **G**od's **R**iches **A**t **C**hrist's **E**xpense. Paul Noe wrote a poem during his battle with cancer called *GRACE*. His wife had the poem put to music and the group sang it for him and the Etowah Baptist Church on Father's Day during the morning worship service. This is the song they sang this evening.

42. Dr. Paul Noe read from the Sermon on the Mount by our Lord. Matthew 6:33. "But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you."

What is the Kingdom of God? It is the rule and reign of God. The reign and rule of Jesus Christ allows the invisible Kingdom to be within you.

I. The Kingdom of God should be our Priority – We must be focused upon the Kingdom, and we must be faithful to the Kingdom. The Kingdom priority should be in our church, Association and Convention. We must be about the Father's business (Kingdom of God).

II. The Kingdom of God should be our Passion – Some churches and pastors have lost their passion. We used to be passionate about the work of God, but some have become lazy. Apostle Paul wrote: "Be faithful in season and out of season." Paul Noe said, "I thank Christ Jesus that he counted me faithful. I am honored and privileged to be called to be a minister."

III. The Kingdom of God should be our Prayer – Our Lord's prayer should be our prayer. Pray as in 1 Thessalonians 5. "Our goal at Etowah is to have someone in the prayer room everyday."

IV. The Kingdom of God should be our Proclamation

43. Moderator Mullins thanked Dr. Noe for the sincerity of his message. He expressed appreciation to East Flat Rock Baptist Church for the use of their beautiful church building and for the enjoyable meal in their attractive Fellowship Hall.

44. Rev. Paul Black led the benediction.

Moderator Mullins declared the 125th session of Carolina Baptist Association adjourned.

ASSOCIATION REPORTS

Annuity Board

John Love

As your Annuity Board representative, I have attended two sessions this year to learn about what is available through our state convention. There are some good programs available if your pastor and other church staff are not currently enrolled in retirement plans. Do not put it off as there are too many sad stories where financial plans were not considered important. Give me a call at my home (891-7167 until 11 PM) and I will get you the information you need or put you in contact with someone who will help you. Do it today because tomorrow may be too late.

Broyhill Baptist Children's Home

Judy Sinyard

Another year has come and gone. I have felt for a while that our biggest problem with involvement in our Children's Homes has been lack of communication with the churches. As your representative I have met with Mr. Lloyd Fish from Broyhill Children's Home. We hope the year 2003 will bring the change we need to get information to the churches so more people will get involved.

We as Baptists have a missions opportunity right here at home. Broyhill Children's Home is a "hands on" ministry, their slogan "helping hurting children…healing broken families" is a need of great proportion. Our families have and will continue to be under attack, they need the Lord. We as Christians have a responsibility to reach out and be a part of sharing God's love to hurting people.

Our schools deal with hurting children with family problems daily. Our family life affects school progress, our jobs and even our church life. No one is immune to all the changes in our world. I never thought I would see our God under such attack because of worldly standards. No prayer in schools, removing "under God" from our pledge, agreeing on same sex marriages, etc!

I have been very fortunate to have had Christian parents and grandparents. They taught me faith in God through their own hard times. We knew God and put Him first, and I taught my children the same. But I was not left without with family problems. I have seen first hand how divorce affects a family. But I also know how God lifts us up and delivers us from such evils. His love is greater than any hurt we could ever have. His love for us was evident in His Son.

America has turned away from God! We have bent the Ten Commandments until we have revised and restated them to our liking. Let's reach out and help each other. Let's read over our Ten Commandments and understand them Gods way! Put Him first and all else will go well. Look around and look up for His guidance.

Let's make a difference in 2003. Our mission is here at home. I encourage all churches to at least find out how the Baptist Children Home started. Find out how far they have come in the lives of many children.

I will contact a Baptist Children Home speaker for your church and help you plan on-going projects for Broyhill Children's Home. Mr. Lloyd Fish is our area representative. He is willing to come and inform any of our churches of Children's Homes because his hearts work is at Broyhill. Contact Mr. Fish or myself for a home mission project for your church. Let's make a difference in 2003 in the life of a child!

CBA Scholarship Testimony

Barry Stallings

Not only have I received mission scholarships, but I also received education scholarships. It is because of this assistance provided through this program that I was able to continue my studies at Fruitland Baptist Bible Institute, and to subsequently graduate in June of 2001.

My first mission was to Mexico in February 2000, and I have just returned from my fifth mission there. On May 11th, I will again be leaving for the Ukraine, followed by Germany on May 25th, 2002.

I cannot tell you the number of people who have accepted Jesus Christ as Lord, but I can tell you the joys of seeing:

- Alters where there was not even standing room.
- Or churches that were packed to overflowing with people hungry to hear the Gospel; many who had walked for miles.
- Then there's the 12 year old girl in Mexico who wanted a better house. You must understand that most of the houses where she lives have no wooden floors…only the ground and the dirt, and no running water or bath facilities. That night she accepted Jesus as her Lord and Savior. "She got that better house. A house not made with hands." (2 Cor 5:1)
- Or the 10 year old boy who just wanted a better pair of shoes, not a new pair, but just a pair that would be better than the ragged and stringless pair he was wearing. That afternoon he softly prayed to ask Jesus into his heart and not only did he received a new pair of tennis shoes that day – but he also received…a new walk." (Romans 6:4)
- Or the Mexican lady that just wanted better health. With tear filled eyes she asked Jesus into her heart and received the promise of a new body… all in the twinkling of an eye. (Phil 3:21 & 1 Cor 15:52)
- And a 20 year old German girl that when asked to read Revelation 3:20 stopped abruptly at, "Behold I stand at the door and knock," exclaimed, "That's Jesus talking to my heart, He wants to come in." Pausing she then said "I must ask Him to come in" and she did.

- Or the 6 foot, 200 lb. middle aged Ukrainian man who on the last night of my stay there, walked into my room just before midnight, and with tears streaming down His face said "*Da*!" (Meaning, *Yes!*) "I want Jesus."

These and a multitude of other real life experiences all were made possible through the generous support of the mission scholarship program of the Carolina Baptist Association.

Cooperative Program

William W. Willingham

The word ***Cooperative*** means "working together." The word ***Program*** means "plan." Baptists have a plan of working together for the financial support of missions at home and around the world.

Quite frequently the question is asked, "What does the Cooperative Program have to do with me and my church?"

Jesus said in the Great Commission, "Go ye therefore, and teach all nations." You are an important key to it all as God's steward. When you give your tithes and offerings to your church and your church sends a part of your offering to mission ministries through the Cooperative Program, you help start new churches, aid sick people, teach in seminaries, and participate in hundreds of other state and worldwide ministries.

Another question that is asked rather often is, "How much should my church give through the Cooperative Program?"

Each individual church votes on the percentage it will give through the Cooperative Program. Some churches give 11 percent. Others may give 15 percent. There are some churches that give more than 25 percent of their budget to the Cooperative Program. The amount that your church gives to the Cooperative Program reflects your church's mission concern.

The Cooperative Program is vital to the work of over 8,000 Southern Baptist missionaries. Through the Cooperative Program, Southern Baptists provide homes, food, and resources such as Bibles, literature, transportation, and buildings. By way of this channel of love and concern, Southern Baptists support state convention causes as well as Southern Baptist Convention causes.

Your response to the Cooperative Program can make a lot of difference.

First, commit yourself anew to Christ and His Great Commission.

Second, examine your own giving and determine whether or not you are giving all you should in response to the way God has blessed you.

Third, help your church's stewardship committee to become aware of the mission ministries supported through the Cooperative Program.

Fourth, use every opportunity to study biblical truths of stewardship.

Finally, help your church decide to share an increasing percentage of its budgeted income through the Cooperative Program. As you do these things, you can play a very important part in continuing the work Christ has commissioned us to do.

Council on Christian Higher Education

"Shaping Lives for…a Life" is the mission of North Carolina Baptist colleges and universities."

Students come to the campuses of Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate expecting to receive an education. What they may not expect is an experience that will shape the rest of their lives.

Like the artist who carefully and methodically sculpts wet clay, giving it form and function, the faculty and staff of North Carolina Baptist colleges and universities shape the lives of students through their dedicated teaching and mentoring.

The graduates of these campuses emerge as people who become our future ministers, doctors, lawyers, artists, teachers, businesspeople, and church and community leaders.

It has been shown that graduates of church related institutions invest themselves in their churches and communities in greater numbers than graduates of public institutions of higher education. As a result of the support of North Carolina Baptist, the future looks bright for our churches and communities.

Gifts to the Cooperative Missions Budget of the Baptist State Convention of North Carolina last year made it possible for six hundred twelve (612) members from four hundred forty-five (445) convention related churches to receive special scholarship assistance to attend our five affiliated institutions of Christian higher education. Seventy-four (74) out of eighty (80) associations were represented in this group.

Some of the recipients would not have been able to pursue their dream of a degree from an accredited college or university without the financial assistance provided by generous North Carolina Baptists. One of those recipients lost his father unexpectedly during his freshman year in college. Scholarship assistance from North Carolina Baptists made it possible for him to continue with his studies. He graduated this year.

Another scholarship recipient is the mother of six children. In spite of the pressures to be a good mother, she pursued her studies while holding down a full-time job. She, too, graduated this year with a perfect 4.0 grade point average. She is employed by a North Carolina Baptist institution.

These are a few of those who are benefiting from your generous support of our Baptist State Convention. In the coming years, we will benefit from their contributions to our life as North Carolina Baptists.

Discipleship Training

Bob Dutton

"For my thoughts are not your thoughts, neither are your ways my ways," declares the Lord. "As the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts" (Isaiah 55-8-9, NIV). With these words, God helps us understand that we need to focus on Him, not on ourselves. Question: What would it mean to see life from heaven's view?

If we could see ourselves as God sees us, most of us would conduct our lives a lot differently. In *From Heaven's View,* author T.W. Hunt helps us understand that seeing the world through God's eyes can bring tranquility, contentment, and understanding – regardless of whether we are walking in triumph or in tragedy.

"Each of us has been influenced by our upbringing, our education, our culture, and our experiences to view life in a particular way. An ongoing life of discipleship requires that a believer grow in the ability to see life from an eternal perspective and to evaluate experiences according to God's purposes and priorities."

From Heaven's View is an incredible study. Only one of a long list of studies designed for small group discipleship experiences, you'll be able to understand God's process in bringing His children to glory. Other recently released studies include *On Mission With God, The Prayer of Jesus, The Life-Changing Power of Prayer,* and *Spiritual Warfare: Biblical Truth for Victory.* Time-tested studies include *Experiencing God, The Man God Uses,* and *Share Jesus without Fear.*

Take advantage of the opportunities to study and grow in the Lord. It will transform your life, and can transform your church. Growing Christians and growing churches are a delight to the Lord.

Evangelism

Jack Hyde

The Evangelism Committee covets your prayers and support as we work toward an association wide evangelism crusade. We, the committee members, need your prayers for Divine guidance and wisdom as we try to find the right place, time and personnel that God wants for this crusade. We don't have the answers to all the important parts that must come together in such an endeavor as this. We are counting on you to support and back us because it will fail without your encouragement and support. We are counting on you.

The Carolina Baptist Association voted at the January Executive Committee meeting to place a tract rack outside the Open Door Book Store at the Blue Ridge Mall. We hope the tract rack is a reality by now and that the tracts will reach out to meet the needs of those who choose to take and read the tracts. Pray for this ministry.

Henderson County Hunger Coalition

Wesley Walker

The Coalition is a volunteer board with representatives from 12 local churches and the synagogue that meets monthly and serves 3 year terms. The group has been in operation 20 years.

The board is committed to relieving hunger in Henderson County by raising awareness of the need and then raising money for hunger related agencies through and annual Hunger Walk. The Hunger Walk is the only fund raiser and the main project we work on. The board decides how to distribute the money from the walk.

The Coalition maintains a wood lot and owns a truck to deliver wood to people in emergencies in the winter months. Wood is still used for heating and cooking in many homes in the county. We estimate that we deliver approximately 100 loads of wood each winter.

Since they have neither an office nor an official telephone number, please call one of the current board members for more information about the Coalition or the Hunger Walk:

Chairman – Wesley Walker (697-6586)
Vice Chairman – Tom Looby (891-9633)
Secretary – Pat Fisher (693-4940)
Hunger Walk Chairman – Nancy Morton (693-4584)

Hendersonville Rescue Mission

Anthony McMinn

As we reflect on the events of 9-11, I praise the Lord for the resolve of our great nation, as we rebound from the actions of cowardly men.

Many of you know the Hendersonville Rescue Mission has a volunteer base of 125 men and women who give their time each month impacting the lives of the homeless, hungry and addicted with the love of Christ Jesus. This expression of love they share is truly what makes America a great nation. Having a heart for the less fortunate, they serve meals, work in our clothing closet, speak in our chapel, and teach Bible studies, and doctors and nurses work in the Good Samaritan Clinic.

To all our wonderful volunteers, may the hand of God rest upon you, and from the Board of Directors and my staff, I say thank you, for the Lord shall reward thee! And to you our faithful supporters, as we impact the lives that enter our doors, it is all made possible because of your faithfulness. The wonderful programs we offer are up and running because of your financial commitment to this ministry. Thank you for all you do that allows this staff to share the gospel of Jesus Christ.

History

Ruby Pruitt

The Carolina Association was organized at Double Springs Baptist Church on October 19, 1877. Six churches, Double Springs, Mountain Page, Gap Creek, Mountain Hill, Crossroads, and Oak Grove made up the organization.

The Henderson County Association was organized October 19, 1882 (5 years later). At Old Salem Church in Fletcher, NC with eleven churches: Hendersonville, Hoopers Creek, Salem, Refuge, Ebenezer, French Broad, Mud Creek, Pleasant Hill, Mills River, Boilston, and Pleasant Grove. These two associations covered the same territory and after four years the Henderson County Association dissolved and the churches united with the Carolina Association.

The first field worker, or Associational Missionary, Thomas E. Thompson, came in 1944 and served less than a year. The first secretary was employed in 1954. Erskin Plemmons, 1946-47, published the first newsletter for the Association.

January 1, 1955, Clay Barnes was called as Associational Missionary to serve in Carolina Association and Transylvania Association. An office was opened in his home. Clay served until 1966. Later the office was located at the Hunter building on South Main Street.

In 1968, the office was moved to the Staton building on Fourth Avenue West. Guthrie Colvard came as Superintendent of Missions at this time and served until 1974.

Ron Pinkerton came in 1979 as Director of Missions serving until 1991. A move was made to a larger, comfortable and more convenient location, 211 Seventh Avenue West. It was also under Ron Pinkerton's leadership that the present Carolina Baptist Association building was built on the corner of Hebron and Willow (601 Hebron Street) in 1986. After 109 years of wandering from pillar to post, Carolina Baptist Association had a home of its own.

The present office staff is: Dr. Henry S. (Sandy) Beck, Director of Missions; Paula Janes, Financial Manager; and Linda Marie Phillips, Administrative Assistant. J.O.Y. Singers

Duane Francis, President

J.O.Y Singers continues with its weekly activity. The volunteer group meets every Tuesday afternoon at 2 PM at the Resource Center. After an hour's rehearsal, the group goes to a retirement home or health center to sing and to visit with those residents who have come to hear the program of hymns, gospel songs and choruses. The 30 minute program ends with the residents participating in a "sing-along" of some songs or choruses and the Lord's Prayer. They seem to enjoy this very much and even the managers show their appreciation for our efforts.

This is the fourteenth year of J.O.Y. Singers and we thank the Lord for its ministry which began in 1989. Our music director for the year has been Dr. Carl Waldron but, unfortunately for us, he is returning to upstate New York to be with his extended family. In the meantime, Boyd Sutton has agreed to once again step in and carry us forward. He has previously served in this capacity and is well qualified. We are fortunate to have his talent and experience.

Currently, we have 36 representatives from 10 churches with an average of about 28 each Tuesday. We are scheduled at nine different retirement homes or health centers and are being invited into more if and when the schedule permits.

The members of J.O.Y Singers are grateful for the opportunity to minister to those who are less mobile and more confined and we appreciate the prayerful and financial support of the Carolina Baptist Association.

Media Library Ministry

Janet Allman

A new *Church Media Library Ministry* was launched September 1, 2002. Hazel M. Duncan began this ministry by going to media directors in churches with libraries. Later her ministry will extend to churches without libraries to encourage them to start this ministry.

Hazel explained her vision of *Church Media Library Ministry* in this way: "This ministry started with prayer and seeking God's guidance for service to Him during a time of transition in my life." God spoke to me, 'What about all the media training you gained while employed by Carolina Baptist Association? You were too busy to share this knowledge and expertise. This is an opportunity for you to serve Me and the librarians in the churches.' In this way my vision of ministry became clear."

The purpose of this ministry is:

1) To inspire, encourage and assist librarians to maintain or revitalize libraries.

2) Encourage churches without a library to consider establishing this ministry.

3) Encourage experienced librarians to share their knowledge and expertise with less experienced librarians.

Training is important to keep up-to-date on the latest information and resources. Brenda Whitesides and Jane Lancaster, Ebenezer Baptist Church, took advantage of the opportunity to attend the NC State Media Meeting at Caswell this year.

A reception was held recently to honor all media directors, staff and pastors and wives. Carolina Baptist Resource Center was the site on this event.

Associational Church Media Library Ministry Organization has qualified leaders to assist in any area of library media work. Janet Allman, Director (697-1103); Faith Searcy, Assistant Director (692-1261); and Hazel Duncan (693-6593) are available upon request.

Membership

Paul W. Noe

The Carolina Baptist Association currently has a membership of fifty-eight churches. Our newest member to the association is the Living Water Baptist Church which was approved for full membership during the Executive Committee meeting on July 16, 2002. We welcome this new congregation into the fellowship of our association.

We have had several churches apply for membership recently. These congregations will be presented to the association for consideration as soon as the membership process is complete.

Missions Ministries

David Treadway

Your missions committee has had an active year. Many people were able to pursue God's call on their life through missions support. The association assisted many people to go on home mission trips and on international mission trips. Many children were able to attend summer camps through our missions support. Also, many were able to pursue their ministerial education through our help. These folks are so appreciative for the assistance they received and wanted me to express their thanks to you, Carolina Baptist Association.

Moderator

Joe Mullins

To the churches of the Carolina Baptist Association: It has been my joy and privilege to have served with you in the work of our great association. I thank you for the confidence you placed in me to serve as Moderator for these two years. I appreciate very much the tremendous ministry of our associational staff and the faithfulness of the officers who served with me. It is my sincere prayer that our association of churches will expand her borders by reaching the unsaved in our area. May God continue to bless the Carolina Baptist Association.

North Carolina Baptist Foundation

During 2001, the Foundation assisted individuals in establishing 33 endowment funds and 8 charitable remainder trusts totaling $4.8 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 162 churches and associations during the year to promote *Make Your Will Month*, Christian estate stewardship, and church fund management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. With a total of $16.5 million in contributions, it was the best year ever eclipsing the previous high of $10.1 million recorded in 2000.

During 2001, our distributions totaled $6.7 million, with charity receiving $4.4 million and individuals, through trusts, receiving trusts, receiving $2.3 million. During the 82-year history of The North Carolina Baptist Foundation, Inc., $20.8 million has been distributed to individuals and $36.8 million to Baptist churches, institutions and mission causes for a grand historical total of $57.6 million.

Ordination

Ray Talley

The Carolina Baptist Association Ordination Committee is charged with the responsibility of examining a candidate to the gospel ministry when requested by the pastor and church of a cooperating church in the Carolina Baptist Association. This committee makes a written recommendation to the requesting church but understands that ordination of the candidate is solely the responsibility and authority of the requesting church.

The Ordination Committee examined two candidates during this associational year. Both candidates were found to be exemplary Christians with a genuine call to the gospel ministry and both were highly recommended to their requesting churches.

On April 18, 2002, the Committee examined and recommended to Double Springs Baptist Church (Rev. Robert Garren, Pastor) that Mr. Jeff Collier be ordained.

On August 15, 2002, the Committee examined and recommended to East Flat Rock First Baptist Church (Rev. Brian Davis, Pastor) that Mr. Anthony McMinn be ordained.

Carolina Baptist Association is always excited when God calls men to the gospel ministry. It is always a privilege to examine and recommend these God-called men to their church for ordination.

Retirement Homes of North Carolina

John Rymer

The generous support received from North Carolina Baptist has enabled Baptist Retirement Homes to lead the state in providing benevolent care for Older Adults who lack sufficient financial resources to pay for the quality care they deserve. At all Homes communities, residents rest in the knowledge that they will be cared for as long as they live.

Baptist Retirement Homes continues to be on the cutting edge of meeting the needs of Older Adults – particularly those dealing with dementia-related conditions, such as Alzheimer's disease.

In recent years, the Homes has established specially designed residences to meet the special needs of these dear ones. The Fowler Memory Enhanced Residence at the Western North Carolina Baptist Homes in Asheville has been operational since 2002, the Kulynych Memory Enhanced Residence opened at the Brookridge Retirement Community in Winston-Salem in 2001; later this year, a third residence will open at the Home's newest community; the Gardens of Taylor Glen, in Concord.

Facilities are located at Albemarle, Asheville, Concord, Hamilton, and Winston-Salem, North Carolina. These Homes minister to people with various needs in their retirement years. For information concerning any of these facilities, you may contact me at 828-692-3772 or you may call a toll free number at 1-800-887-7410.

Single Enrichment

Jeannette Nelson Ballew

In March of 2001, under the leadership of Dr. Sandy Beck, CBA Director of Missions and the Rev. Travis Harrison, Chairman of the Singles Enrichment Committee, a group of interested singles of all ages and representatives of a number of the churches in the Carolina Baptist Association, met and discussed the need for an active singles ministry – a ministry that would provide needed fellowship for this group and also provide a way for singles to be of service to others. Although original plans were to minister to three separate age groups (18-35,; 36-60 and 60+), the present organization is predominately female group of widows and divorcees, ages 35 and up. However, our number of male attendees has increased since our first meetings.

In August of 2001, approximately 25 singles of all ages (college age and up) from various churches met at the first Baptist Church East Flat Rock for a kick-off dinner of barbecue catered by Henry's of Fletcher and entertainment provided by the Asheville bluegrass group *Buncombe Turnpike*.

Since that time, the group has been named *Singles/Single Again* to draw attention to the needs of the divorced and widowed as well as to singles who have never married.

The group met regularly on the second Saturday night of each month at 6:00 PM at the Balfour Baptist Church fellowship hall from February until June. Events were: *Sound Foundation*, a Southern Gospel quartet; Ruth Busbee, a well known Christian artist; a picnic at Shaws Creek; and a picnic and Holmes State Park.

Attendance has continued to increase with each meeting in response to publicity in the *Times-News* and to personal reminders postcards. Starting at 17 members in February and growing to 54 who attended in May.

The singles team leaders (Eva McCrary, Ellen Johns, Jeannette Ballew, Betty Heatherly, Dot Inman, Carrol Nelson, and Donna Pace) meet regularly to plan the programs and activities for the group. However, ideas for group programs and activities are generated from a list of suggestions gleaned from a survey of those attending.

Beginning September of 2002 the team leaders agreed to change the location for the meetings from Balfour Baptist Church fellowship hall to the downstairs meeting room at the Carolina Baptist Association Resource Center until the group outgrows the facility. Meetings have been scheduled for the coming church year for the second Saturday of each month, beginning with a social time from 6:00 PM until 6:30 PM. A light meal begins at 6:30 followed by a time for fellowship and inspiration.

Our main goal for the Carolina Baptist Association church year 2002-2003 is to provide opportunities for Christian fellowship for singles or single again, and opportunities to grow as leaders and servants of our Lord Jesus Christ.

The team leaders ask that you pray for the continued growth of this ministry and that it will meet the needs of singles in the Henderson County area. We also ask that the pastors of CBA member churches, Singles Minister or Singles Sunday School teachers publicize these activities in your respective churches and encourage those who are single to become a part of this growing ministry and much needed ministry.

Temperance and Public Morals

Lois G. McKinnish

The moral decline of our nation continues at a rapid pace. Some within the Christian community hesitate to stem the tide, believing that the moral issues are "political" in nature and not worthy of our attention. So many of cultural issues are moral in nature and should be addressed as to whether we want to be biblically correct, rather than "politically correct." The Christian community is to be salt and light. A difference can be realized by people who are discerning and aware of the cultural shift.

Our thanks to the Carolina Baptist Association Resolutions Committee for addressing the lottery issue in our state. The churches are making a difference in the decisions of our legislators.

The culture is at war with parents. Every parent should be knowledgeable about the teaching of their children. These are people in the activist community who hate the Judeo-Christian system of values. If the control of the children can be obtained, the entire culture can be changed in one generation.

The New Age thinking has infiltrated every aspect of our society – the home, the church, business, education and government. Eastern mysticism has been westernized to make it more palatable to this nation. An alert and discerning Christian can recognize these inroads and speak to these issues intelligently.

I am grateful that Dietrich Bonhoffer did not back down in timidity when he saw the wickedness of the Nazi regime. He spoke our boldly, even though he knew it would cost him his life. John the Baptist was not timid when he spoke the truth to Herod.

How can we be silent in the midst of such wickedness in our nation? The next generation hangs in the balance. I had rather hear the words of my Father, "Well done, thou good and faithful servant" than for everyone to say that I was "politically correct" and I did not rock the boat!

Woman's Missionary Union

Carrie Belle Barton

Woman's Missionary Union! What is it? Why do we have it? Woman's Missionary Union is an Auxiliary to the Carolina Baptist Association (local), and Auxiliary to the Southern Baptist Convention (national). What is an auxiliary? It is a group giving, offering, or providing help, assistance, and support in a subsidiary capacity.

It is the purpose and strategic principles that make Woman's Missionary Union different from every other organization. WMU prays for and gives to missions; we do missions; we learn about missions; we develop spiritually toward a missions lifestyle; and we participate in the work of the church and denomination. All we do in WMU is missions related. Mission expresses the vital work we all do to accept the challenge of the Great Commission. We want to involve everyone in mission – men and women, youth, boys, girls, and preschoolers. Our goal is to see everyone committed to carrying out the mission imperatives of the Bible.

We encourage all the churches to observe the Weeks of Prayer, Offerings, and Mission Study for International Mission, North American Missions, North Carolina State Missions; and emphasis for Baptist Children's Homes, Baptist Retirement Homes, Baptist Hospital, and Associational Missions.

Our churches participated in the state-wide Women's Prison Ministry. We observed the Baptist Women's World Day of Prayer at Contemporary First. In December, the annual toy project was held for properly screened families. In November and May, our churches collected food for Interfaith Assistance Ministry. During WMU Focus Week in February, we had a Celebration at Fruitland Baptist Church with Jan High from the state office. In May, we had our Annual Meeting at Hendersonville First with Janie Kirbo, who had recently adopted a little Chinese baby, and Anne Beck, who had recently completed a mission trip to China. The WMU Leadership Team attended training at Fruitland Baptist Bible Institute, several attended Equipping Today's Church, and many attended Missions Extravaganza at Ridgecrest. We provided training for church WMU officers in August at West Hendersonville Baptist Church. Mission Friends had an event in October; GA's and Children in Action had events in November, December, and May. The Youth on Mission had a roof repair project in April.

Woman's Missionary Union is here to assist, help, and support you in any way we can. Let us know what we can do! Jesus said in John 13:34 "By this all men will know that you are my disciples, if you love one another." Fannie E.S. Heck said "See to it only that you listen to His voice; follow only where Christ leads.

Dedicated in Honor of

Dr. John F. Rymer

John F. Rymer was born in Irwin, Pennsylvania. He is the son of John B. Rymer and Hester I. Pittillo, both of whom were originally from Hendersonville, NC.

Dr. Rymer is a graduate of Norwin High School in Irwin, PA and received his academic training at Bob Jones University and Southeastern Baptist Theological Seminary. He has taken additional courses in Adult Education from North Carolina State University. He was ordained to preach in 1952 by the First Baptist Church, Hendersonville, NC. He has served as pastor of Mills River Baptist Church, Etowah Baptist Church where he served for thirty years, Shaws Creek Baptist Church and numerous other churches in WNC as interim pastor.

Dr. Rymer joined Fruitland Baptist Bible Institute in 1953 as professor of Old Testament Survey and English Grammar and Composition. Since that time he has taught other courses including Old Testament Minor Prophets, Christian Ethics, Church History, and Theology. At the present time he continues as professor of Old Testament Survey. John also served as Vice-President and Academic Dean from 1990-1995.

He has been the Moderator of Carolina Baptist Association seven different terms as was the Chairman of the Building Committee for the construction of the Carolina Baptist Resource Center. He has served one term as President of the North Carolina Pastors' Conference of the Baptist State Convention of North Carolina. In addition, he was a member of the General Board of the Baptist State Convention.

John married Velma on June 26, 1954. Velma has served faithfully with him in the churches where he has served. In addition, she served for six years as the Secretary for the Director of Missions in the Carolina Baptist Association and for nineteen years as the pastor's secretary at the First Baptist church in Hendersonville, NC.

Dedicated in Memory of

Mr. James P. Clouse

Jim was born October 3, 1922 in Jefferson Country, Alabama. He graduated form Walker County High School, Jasper, Alabama in 1940 and enlisted in the US Navy in July, 1942 and was discharged in July, 1948.

Jim served in the Aleutian Islands following "boot camp" in San Diego. He contracted pneumonia and pleurisy and was hospitalized for several months in the Aleutians and Bremerton, Washington. He was later sent to a Navy Hospital in Asheville, NC for recuperation. While in Asheville he met Willa in 1945 and was sent to Shanghai, China where he served on Shore Patrol for one and a half years. He returned to Norfolk, VA and served aboard the USS Albany until discharged.

Jim liked the NC mountains and never returned to Alabama to live. He graduated from Blanton's Business College, Asheville and lived there for 26 years and worked for Cranston Print Works Company at Fletcher. He was an active member of West Asheville Baptist Church serving as Training Union Director, Chairman of Deacons, Sunday School teacher and in various other areas.

In 1976 Jim accepted a job with Texfi Industries in Goldsboro, NC and spent four years there before moving to Henderson County. While in Goldsboro he attended First Baptist Church serving as a deacon. Jim joined Hendersonville First Baptist the first of January, 1980 and served as deacon, Sunday School Department Director, teacher, and in other areas until his death May 8, 2003.

During the last 8 or 10 years, he was a Sunday School Resource Specialist with the NC Baptist State Convention at Cary working with a number of churches in Western North Carolina trying to help improve their Sunday Schools.

Jim served on the Carolina Baptist Association Consultant Team for Sunday School. All of the churches in our Association were contacted, and Jim made many visits to the churches to encourage them to have the best and most current materials for improving their Sunday Schools. Jim also served on the Associational Council as Church Development Director. He was able to collect vital statistics to assist churches in many ways, especially Sunday School. He was, indeed, "Mr. Sunday School" in the Association and State.

Survivors include his wife, Willa, and daughter, Marsha, of Hendersonville; two brothers and two sisters who live in Jasper, Alabama. Jim has a number of nieces and nephews who live in the Birmingham and Jasper area. Jim's mother, father, two sisters and three brothers preceded him in death.

Dedicated in Memory of

Mrs. Nancy Martin

Nancy was born on April 10, 1943 in Anderson, South Carolina. She was the only daughter of the late Rubin Solomon and Hattie Langston Solomon. She spent the early years of her life in Lexington, North Carolina, and was educated in the local schools there. In later years she attended Fruitland Baptist Bible Institute.

When Nancy was a young woman, her brother, Winford Solomon, was stationed at Elgin Air Force Base in Florida. On one of his trips home for a visit with his family in Lexington he brought a friend with him. His name was Tommy Martin. He introduced a friend to his sister, Nancy. A little later Tommy was sent to Okinawa for about a year and a half. Shortly after his return Tommy and Nancy were married on March 26, 1960, and began a life together that spanned 43 years.

Tommy and Nancy came to Hendersonville where Tommy was enrolled at Fruitland Baptist Bible Institute. Nancy began working at Fruitland Baptist Bible Institute in August, 1972. She served in many positions – working in the cafeteria, "coffee cove," and the bookstore. When Tommy completed his studies at Fruitland, he accepted a call to the pastorate at First Baptist Church in Jamesville, NC. He and Nancy served side by side in Jamesville for eight years. Nancy was a substitute teacher, as well, in the area.

In 1982 Nancy and Tommy returned to Hendersonville to pastor and minister at Mountain View Baptist Church. Nancy became the receptionist at Fruitland Baptist Bible Institute, later, she was the assistant librarian; and then on February 1, 1998, she began full-time work as the librarian until her death on August 28, 2003. She was also the historian for the Institute.

Nancy was very active in the Carolina Baptist Association when she served in many positions and on several committees. She served faithfully in each church she and Tommy were called to minister. She taught Sunday School for over 30 years. She was also head of mission at Mountain View Baptist Church and served in benevolent ministries. Her husband was quoted as saying "Nancy was a pastor's perfect wife." Nancy had a servant's heart and was always eager to advance the work of God's Kingdom. She has the gift of encouragement.

Nancy is survived by her husband of 43 years, Rev. Tommy Martin; a son, Christopher Alan Martin, and his wife, Lynnette, of Kingston; two grandchildren, Matthew Alan Martin and Jamie Nicole Martin, a student at Pensacola Bible College, Florida; a brother Terry Solomon and his wife, Martha, of Thomasville; a sister-in-law (wife of deceased brother, Winford); two nieces and three nephews.

EXECUTIVE COMMITTEE MINUTES
January 21, 2003

The meeting was called to order by Roy Perry, Vice Moderator. The opening prayer was by Paul Noe, Pastor of Etowah Baptist Church.

Opening Remarks – Roy made everyone aware that the Association Annuals were on the table and could be picked up. He also asked that everyone sign-in.

Copies of the minutes from the last meeting, July 16, 2002, had been given out for all who were present to read over. Roy asked that the minutes be accepted as printed and the vote was taken. They were approved as written.

Financial reports had also been given out. Debbie read the report, there were no questions and they were approved as printed. For the year 2002, 49 churches gave a total of $176,723.88. Year-to-date deposits in the General Fund totaled $189,413.88. Year-to-date expenses totaled $188,924.40.

Old Business

1) Dr. Beck reported that the Track Rack we wanted to place at the Blue Ridge Mall was to be built in the next few weeks and ready to be placed at The Open Door.

2) Joe Mullins was recognized to comment on the Refreshment Trailer. This was discussed at the last Executive Committee meeting and the Missions Committee was asked to look into the possibility of getting a tent and a utility cart with equipment to be used by the churches. Joe reported that this had been talked about at the monthly Council meetings and had hoped to have a presentation ready for tonight, but at this time we still do not have figures ready from our local area to present as to the cost of equipping a refreshment trailer. The one used in Ohio cost about $8,000. We are still in the process of getting information. Joe said he would bring this back up in Miscellaneous Business. Mike Nelson said that he had an 800 number to call for a price on a trailer that would be much cheaper than one around here. The dealer also has used trailers. Mud Creek has done business with them.

3) Dr. Beck then spoke about the Ministry Tent. The BSC has a Cooperative Agreement with Associations; funds are set aside that can be requested for this purpose. Last year he asked for a tent to use for I-26 Rest Stop Ministry. Now he believes we can make it a more useful tent with the Disaster Trailer or at churches for VBS or for Backyard Bible Clubs. We have about $500 to spend to buy a tent with sides for all weather. It will be available for all churches to check out. We may have some training available so it can be put up and taken down properly. We should have it available in the next two months. Priority will be for use with the two trailers for disaster or refreshment.

4) Next item on agenda was the Scholarship Form. Roy thanked everyone for using the new form because it had been very helpful to the Council. But we need to include on the backside where it asks for "name of school," the location of that school. Many schools have the same name, so for it to be clearer to the Council we need a location. Then we need to know something about the intensity of the need for the scholarship. Is there some urgency, will they be able to go on to school without this help? Just some clear explanation as to the intensity. Then we need an explanation about their calling. Is it to prepare for the Gospel Ministry or just to go to school? The Council would appreciate knowing the calling of the person. Why do we need these things included? Because we are working with money entrusted to us by God and we want to do the best job we can in using it for these purposes.

5) Next item on the agenda is the Disaster Recovery Trailer; Mike Nelson was recognized for this report. Our Trailer has already been used on three (3) mission trips. Fifty-nine (59) people from our Association and from a small Church of Christ in Andrews went to Thomasville. He shared a testimony about that trip and how it had changed the life of one of the men who went on the trip. One of the reasons he is so excited about going on disaster recovery trips is because people get saved and get ministered to. Volunteers try to share the Gospel with everyone they help. Mike encouraged everyone to get their church fired up by getting men or women to go on a disaster recovery trip. Our trailer is bought and paid for with logos on it. We now have money enough for the cabinets. We have some tools, a compressor, mops, buckets, and quite a few items have been donated. He has not bought anything yet because the cabinets aren't finished. He has heard from a local business man about helping us with the tools. Mike is trying to get a usage form completed. The trailer is not for making money. So many people want to pay us for helping them, but we do not take money. They can, however, give to the Men's Ministry of the BSC. Someone is also working on a scrap book with pictures showing where we have been and what was done. Training events are coming up in Franklin, Boone, and Camp Caraway. The trailer needs to be parked inside, so if anyone can help out with parking it, we would appreciate it. This trailer can be used for local, state or out of state disaster recovery.

Brian Davis now began to moderate the meeting as he had arrived late.

New Business

Membership Committee was recognized for recommendations. First recommendation was made by Paul Noe for the Gethsemane Baptist Church to be approved for watch care of the Association for one year. (Paul began working with this church while he was chairman of the Membership Committee last year). No opposition, recommendation approved.

Joe Mullins, Chairman of the Membership Committee this year, then presented the recommendation that the Wayside Baptist Church be approved for watch care of the Association for one year. No opposition, recommendation approved.

There were no other committee reports.

Director of Missions report by Dr. Beck. The Cooperative Agreement of the BSC with Associations (that he had mentioned earlier in the meeting) requires a 4 page form. The State Convention is now on a two-year funding process, which means that Associations have to plan two years ahead. He has spent several hours meeting with other DOM's and representatives from the state. We can ask for anything, but we may not get it. It is a first-come first-serve basis. As new funds are made available, they will be granted. Requests need to be in by March.

Jesus Video Project – We have been challenged by the State Convention's Evangelism Department to work on this project. Some Associations have already done it. Transylvania Association has done this and Polk Association is working on it. The videos are by Campus Crusade and if we do this project through them, we can get the videos much cheaper. "I am not asking for funds tonight, but I do ask that we create a line item for this project. The funds will come from other sources outside of our budget. Everything will be handled by a team of people. Our Association will be the coordinator and we will partner with other conservative churches in our area. I have already talked with Rev. Campbell at First Presbyterian. We also hope to work with First Methodist. We will be careful who we partner with as it will be printed on the video when it goes out. We hope to get the video for about two or three dollars which includes a mailing list." There were no questions, so Brian presented the recommendation which has two parts: 1) Recommendation to participate in the Jesus Video Project; 2) To create a line item for this project in our budget. This was seconded by Mike Nelson. All were in favor.

New Church Starts – Dr. Beck reported that there was a possibility of three new church starts in the next year in addition to the Spanish Congregation at East Flat Rock First. Three core groups have stated. "I ask permission for six (6) new church starts in the next two years." This was seconded by Joe Mullins. If this group approves this tonight, we may not start all six, but we will have approval by the Committee to do so. Many new church starts are by young men just graduated from Seminary, but they need to be partnered with a church and a seasoned pastor. They also need to go to the local churches and ask how they feel about a new church starting in the neighborhood. Money for new church starts comes from three places, a three-way partnership; 1) The mother church; 2) The Association and 3) The Baptist State Convention and North American Mission Board. There was no opposition and the recommendation was approved.

Inner City Ministry – Dr. Beck began by saying this was in the dreaming stage. Troy Greene, a student at Fruitland (will graduate in the spring) is already doing a great work of preaching on the street at the bus station on 7th Avenue. He has lead many to be saved. I hope that Troy and Rev. McMinn from Contemporary First can get together to do this ministry. In order for them to get funds from the BSC Evangelism Department, they need the approval of this tonight. We will have a line item for them so other sources can give money. The motion was seconded by Roy Perry. Mike Nelson spoke about Troy Greene and his compassion to win others to Christ. The motion had no opposition and was approved.

Other Business

1) Joe Mullins made a motion that the Moderator appoint a team to work on getting the Refreshment Trailer idea moved along. It has already been six months and we need to move on so it will be ready for VBS use this summer or to go with the Disaster Recovery Trailer. Roy Perry seconded the motion and it was approved it unanimously.

2) Joe Mullins then made a recommendation that monies from the BSC that is used for local missions be applied to the purchase and equipping of the Refreshment Trailer. It was seconded by Harold Pruitt. This money is not earmarked, so it can be used. The total of the fund now is $3,021.00. This was approved unanimously.

3) Joe Mullins then gave the observation that he had noticed in the budget there was money designated for a World Missions Conference and it had not been used in five (5) years. He then asked if it could be used for the trailer project, or were there situations? Carrie Barton said the Association had designated it for a World Mission Conference and the only way to change it would be to present it at the Spring Meeting with advance notice put in the newsletter. Joe then made the motion that it be placed on the agenda for the Spring Meeting, seconded by Arthur Whitesides. The motion passed unanimously.

Someone then asked what the difference was between a World Missions Conference and a conference by the BSC. Brian explained that in a World Missions Conference you bring the missionaries to you. This is to enlighten church members of the work missionaries do and about mission opportunities. We did have a WMC years ago.

Arthur Whitesides then volunteered to be on the team for getting the Refreshment Trailer. Mike Nelson and Joe Mullins also volunteered. Brian plans to contact Fruitland and Bat Cave churches to try to get volunteers from them to complete the team.

Attendance at the meeting: 19 people with 11 churches represented. Balfour (4), Barker Heights (1), Ebenezer (2), Etowah (1), East Flat Rock First (1), Main Street (1), Mount Gilead (1), Mud Creek (2), New Jerusalem (1), Pleasant Grove (1), Shaws Creek (2), CBA staff (2).

There was then a motion to adjourn. All were in favor. The closing prayer was by Arthur Whitesides.

Carolina Baptist Association Semi-Annual Meeting
Spring Session, April 15, 2003

1. The Spring Session of the 126th Annual Meeting of the Carolina Baptist Association met at Fruitland Baptist Church at 6:50 PM.

2. The meeting began with music provided by Patrick and Marcia Ballard, who played the guitar, mandolin and banjo. Dennis Horton then played the piano and sang accompanied by Mike Stewart on the trumpet.

3. Moderator Brian Davis then declared the 126th Spring Semi-Annual meeting in session.

4. The welcome, devotional and invocation were given by host pastor, Mike Smith. He read from Genesis 5, which was a genealogy beginning with Adam and going thorough Mahalalel. He gave the meaning of these names and put them together to show how God was at work through their lives and names.

5. Moderator Davis then presented the printed program and asked for its adoption. A motion was made, seconded, and the program was adopted as printed.

6. Rev. Ray Talley was recognized to come and welcome new pastors and staff. Four were welcomed and introduced: David Stikeleather, pastor and Horse Shoe First Baptist; Jeff Tankersley, pastor of Wayside Baptist; John Ballard, music minister at Tuxedo First Baptist; Randy McClure, music minister at Balfour Baptist.

7. Singles Enrichment Report given by Jeannette Ballew. The Singles/Single Again group meets regularly on the second Saturday of each month at the Resource Center at 6:00 pm for a social time followed by a covered dish dinner and an inspirational program. Since the first meeting in March of 2001, attendance has continued to increase. Excellent publicity through the Times-News and Linda Marie sending out the post cards each month has truly helped the growth. The main goal for church year 2003-2004 is to provide opportunities for Christian fellowship and to encourage leadership growth for the Singles/Single Again. During the past year the group has supported a number of local ministries by donating money, food items, and volunteer time. A card ministry has also been developed.

8. Family Enrichment Report given by Vo Payne. This committee is composed of three people assigned to develop enrichment events, programs, outreach and training for church leaders in the area of family life. The purpose in these things is to illuminate the family spirit and clarify Christian family management. Topics for Family Enrichment education and training are vast. The committee needs input from you and your churches to know where to focus our attention according to needs and interests of families. Surveys were sent out to the churches only four were returned back. So tonight everyone has received an index card, please take time to write down an idea or suggestion of what we might provide. Please let our committee know what you would like to see addressed by the Family Enrichment Committee.

9. Women's Missionary Union Report given by Carrie Belle Barton. WMU in the Carolina Baptist Association is celebrating 107 years. We have 33 churches with a WMU organization, with over 1,000 people involved. The Association WMU Council is willing to come to any church to assist them or to help start an organization. Laurena Helms was elected to North Carolina WMU Executive Board and will represent Region 9. Upcoming events: GA Campout at Fruitland Baptist, May 9-10; Annual WMU meeting on May 6, 7:00 at Ebenezer Baptist with special guest Dottie Williamson; Leadership Training in the summer. WMU is no longer just for women but can now be co-ed. Mission study and participation is the real focus.

10. Baptist Men Report given by Mike Nelson. The Disaster Recovery Trailer was in the parking lot for everyone to see. The trailer has been used four times so far. Almost 70 people have been involved in trips. The storage cabinets are in and most of the tools to stock the trailer have been purchased. Lowe's allowed us to buy at cost which was a big savings. We still need about $1,800 in donations to finish the list of tools needed. Mike recommends that you reserve it early for your construction mission trips. It can be used by any church in the Association for doing construction projects; it is not for personal use or to be used to make money. The next Disaster Relief and Recovery (Baptist Men and Baptist Women) covered dish supper will be 7:00 pm, April 17th at the CBA building. Call Mike if you would like him to speak at your church or help you plan a mission trip.

11. At this time Dr. Beck asked that we offer a special prayer for Rev. Joe Mullins, pastor at Balfour Baptist, who is having health problems. Randy McClure led the prayer.

12. Business - Joe Mullins was originally scheduled to present a motion about using funds from the World Conference account to fund the purchase of a Ministry Trailer. Moderator Davis asked to step aside and have Paul Noe, the Parliamentarian, to come and moderate so he would be able to speak to and present the motion in Rev. Mullins absence.

Brian then gave the background of this motion, going back to the Executive Committee meeting in July of 2002, when people from the Fruitland Baptist Church came back from their mission trip to Ohio and presented the idea of our Association investing in one. Then in January, 2003 at the Executive Committee meeting the discussion led to a committee being appointed that would present the financial cost to purchase and equip the trailer of this sort and to bring a report to this meeting tonight. Also, the question was asked if it would be possible for the money in the World Missions Conference fund could be used to help pay for the Ministry Trailer. (A handout had been prepared and was distributed to everyone at this time.)

Brian then noted that the WMC account had a total of $18,300 in it and that $3,000 had already been given for this Ministry Trailer. Motion: I ask that we give consideration to use funds from the World Missions Conference account to partially fund the Ministry Trailer. Paul said that since this motion comes from a committee it needs no second, so he will open it up for discussion.

Mike Smith said that the figure on the handout is slightly elevated because the committee did not want to ask for less than what would be needed to buy and equip the trailer.

Paul Black then requested that we amend the motion instead of partial funding it, to completely funding it up to the amount of $8,800. A second was heard.

John Owen asked about the health considerations for serving food, and knowing the restrictions put out by the Board of Health. Arthur Whiteside said "yes" all of that had been considered and contact with the Boards of Health had been made and when the time came all this will have been taken care of.

Carrie Barton then expressed concern about taking funds from this account. She asked for assurance that we would still have a WMC in the future just as these funds had been set aside for. Dr. Beck and Mike Smith expressed that they both were very hopeful that a conference would take place especially since $10,000 would still be in the fund and that is all that would be needed to have one would be someone to take the time to plan it. Pastors who would support a WMC were asked to stand and several did.

John Rymer then called for the question. The vote passed, discussion ceased. Then the vote was taken for the amendment and it passed. Then the vote was taken for the original motion and it passed without opposition.

13. Treasurer's Report given by Mike Smith for Debbie Beaver. Mike asked everyone to look at page 5 in their program. General funds $3,487.59; Designated Checking $222,874.19; Money Market account $129,476.77; NCBF Endowment (Market Value) $331,533.06.

14. Appointment of Committees by Moderator Davis. These were printed on page 2 of the program. Motion passed without opposition.

15. Enrollment Report by Jana Jones. Tonight's attendance was 82 messengers, 23 visitors, with a total of 105.

16. Nominations Committee Report given by Nancy Martin. These were printed on page 2 of the program also. All positions were filled except for the Treasurer. Motion passed without opposition.

17. Preacher and Place Report given by Paul Noe.

Spring Session - Tuesday, April 27, 2004 at Saluda First Baptist Church with Rev. Mike Stewart (Living Water) as preacher and Rev. Mike Willoughby (Mills River) as the alternate.

Fall Session - Tuesday, October 26, 2004 at Etowah Baptist Church with Dr. Sam Boyd (Hendersonville First) as the preacher and Rev. Richard Merck (Naples) as the alternate.

18. Membership Committee Report given by Sandy Beck in the absence of Joe Mullins. One church was presented to come under watchcare of the Association; Focus Point Baptist in Fletcher. Pastor is Tony Birkhead. Motion passed without opposition.

19. Evangelism Committee Report given by Sandy Beck. The Jesus Video Project information is in the back, if you haven't heard about it, please get the information tonight. At the first introduction meeting many denominations from the county attended. A Project Leader has been chosen and their name will be announced in the next newsletter. This will be an unbelievable task – we will need approximately $120,000. We can do it if we all work together for unbelievable results.

20. Resolution Committee read by Emerson Searcy.

The committee consisted of: Emerson Searcy, Paul Black and Harold McKinnish, chair.

Dr. Vic Rampey led the congregation in a hymn at this time.

21. Representative from the Baptist State Convention – Rev. Thurman spoke about a new training offered by the state Convention called "Road Maps to Financial Discipleship...a progressive process." This is offered to guide churches along three different routes leading members to financial discipleship: the Churchwide Highway, the Leadership Road, and the Personal Pathway. Anyone interested should pick up a brochure and call.

22. Ridgecrest - Darson Gregor is a volunteer at Ridgecrest along with her husband. She asked that the people consider becoming volunteers because they are so needed and because it is so fulfilling. She had brought information for people to pick up and take that explains all about volunteering.

23. Baptist Children's Homes - Judy Sinyard explained that there will be a tour of homes planned for this year if anyone would like to visit the different children's homes across the state. She said they were also working to improve communication skills to keep people informed about the homes. There is to be a new cottage built at Broyhill which will house 12 physically and mentally challenged people until their death. This kind of cottage is to be built at other campuses across the state in the future.

24. Baptist Retirement Homes - Gayle Brown says that our retirement homes are the best kept secret in the state. A new home has just been opened in Concord, NC. We offer three levels of care: 1) independent living, 2) assisted living, 3) nursing care.

He hopes that many will plan to come and make this a real special day of prayer for our churches and country.

An offering was taken at this time for new church starts in our avocation.

27. Rev. Mike Stewart introduced Rev. Paul Black, pastor of First Baptist Saluda, for the sermon. He noted that Paul had been voted the "Outstanding Small Church Pastor of the Year" by our Baptist State Convention and by the Southern Baptist Convention. There was a standing ovation of Paul.

28. John Ballard, Music Minister at Tuxedo First, provided the special music. He sang a medley written by Squire Parsons.

29. Rev. Paul Black delivered an excellent sermon entitled, 'Moving the Immovable" taken from I Corinthians 9:19-23. For a visual he used pictures of the Cape Hatteras Lighthouse on the projection screen. His sermon had three points: 1) The church must remain relevant in society. 2) The church must constantly move culturally in order to stay relevant in society. 3) The church must realize that Satan is always willing to change in order to keep the lost.

30. Moderator Davis entertained a motion to dismiss, it was seconded and the closing prayer was by Rev. Ray Talley

Needed to complete: Items from proposal list and name painted on side. (The trailer was there and open for everyone to see).

2) **Ministry Tent** - Dr. Beck reported that the tent is here, it will be stored in the Refreshment Trailer. The original cost was $1,000, but we purchased it for $500. It is a heavy grade, size is 10 x 10 like at the fair. Funds to purchase came from a Baptist State Convention grant. He would like for us to go to rest stops and use it to greet travelers and give out cups of coffee. The state would be happy to have us there for this very purpose.

3) **Tract Rack** - After it was built it was larger than we thought, Dr. Beck is talking to the mall manager for permission to place it in the mall even if we have to rent the space to put it on.

There were no committee reports at this time.

Paula reported that the list of scholarships (on pages 8-10 of our printed program) totals almost $35,000. We are thankful that we have had the money to meet these needs.

Director of Missions report by Dr. Beck. He thanked all the churches who were representd here for this meeting. Funding to other associations in the state is so bad, and yet, our contributions remain up. We are so blessed. In number we have 63 churches and the possibility of two others coming in. He knows of some Baptist churches who are independent that the pastors have no one to associate with or to have as support. He sends them our newsletter and some read it and express interest.

He has talked with Daniel Mercado of the new Spanish mission and they had eight new professions of faith. Focus Point mission had five professions of faith.

Open Arms - A new ministry may start in our county for unwed mothers. It may lead to a larger, better ministry that Open Arms may fit right in to. If the funds come in and things come together it is a possibility. Open Arms can partner with them to help girls before, through the birth and after the baby is born. It is only a possibility. The unwed mothers home in Asheville is being phased out.

Other Business

Jesus Video Project - Chuck Miller was recognized to report about the progress of this project. It began three months ago and now we have been blessed with men to head up the project, however, we need one more person for the financial chairperson. We need this person critically before we can move on. This video project provides us the opportunity to reach 48,000 homes in our county. The follow-up will be very important.

Food Round-up for Baptist Children's Homes - Before August 24 the food needs to be delivered to the CBA building. This drive is happening because of floods three years ago that was so destructive to the Children's Homes down east. We have never done this before but we do hope we will get a good response from the churches. This report was by Carolyn Lawton.

Jana was asked to give an attendance report at this time. There was 17 people present and 9 churches represented.

A motion to adjourn was given by Brian, there was a second and all were in favor. The meeting was closed in prayer.

Carolina Baptist Association Semi Annual Meeting
Fall Session, October 21, 2003
"Coloring Outside The Lines"

1. The 126th Fall Session of the Carolina Baptist Association met at First Baptist Church, Hendersonville, NC on Tuesday, October 21, 2003, at 4:00 P.M.

2. A hymn of praise, *To God Be The Glory*, was led by Victor Rampey, Pastor of Main Street Baptist Church and Associational Music Director, accompanied by Ray Talley on the piano.

3. Sam Boyd, pastor of the host church, gave a warm welcome. Read from Numbers, Chapter 13 verse 30.

4. At 4:08, Moderator, Brian Davis, East Flat Rock, declared the session in order.

5. A motion was made to adopt the Book of Reports, seconded and carried.

6. Treasurer's report was given by Michael Smith, Pastor of Fruitland Baptist Church and chair of the finance committee, noting the account balances on page 35. Motion was made to accept the printed report, seconded by Ray Talley, carried.

Note: The following reports were accompanied by Power Point presentation.

7. WMU report by Carrie Belle Barton, Shaws Creek Baptist Church and Associational WMU Director. Her report is on page 33. In addition, she gave the following report:

God definitely has a plan for all his children. He calls, we hear! We respond! God gave us the freedom to accept or reject salvation, to follow His plan for our life or go our own way. We can run with God or run away from God. We have the choice. When we follow Him, we find the joy of missions - getting involved in spreading the message of Jesus Christ to the lost in our community, town, state, country, and the world. This is missions! Actually, the word "missions" is found no where in the scripture. Yet, all of the scripture is a story of a missionary God. The very basic definition of missions means to help others in Jesus' name...help others to know Him as Savior, know how to commit our lives to Him, and how to develop as disciples. The source of missions is God's heart.

WMU has always had reasons for existing. It is missions. We currently express them as strategic principles. They are:

a) Pray and give to missions.
b) Do missions.
c) Learn about missions.
d) Develop spiritually toward a missions lifestyle.
e) Participate in the work of the church and the denomination.

As God brought light to the world during creation, He now commands Christians to take the Light of the Gospel to a dark, needy, and lost world. All Christians are commanded in the Great Commission in Matthew 28: 19-20 to be missionaries - Women, children and youth as well as men.

18. The moderator called for items from the floor. There were none.

19. Report on Resolutions by Paul Black, Pastor, First Baptist Church, Saluda.

RESOLUTION OF THANKFULNESS

WHEREAS, God has, and is, faithfully watching over His work in the local churches of the Carolina Baptist Association,

AND WHEREAS, our association continues to consistently attempt to obey the mandates of the Great Commission by serving the particular needs of our churches as they fulfill their God-given vision,

BE IT RESOLVED, that we endeavor to open our hearts to the Lord, continually asking Him to bring personal revival to ourselves, our churches, and our nation,

BE IT FURTHER RESOLVED, that we express our gratitude and appreciation to the First Baptist Church of Hendersonville and their pastor, Rev. Sam Boyd, for their gracious hospitality in hosting this 126th semi-annual meeting of the Carolina Baptist Association on this October 21, 2003.

BE IT FURTHER RESOLVED, that we express our love, support, and sincere appreciation to Dr. Henry S. (Sandy) Beck III, Director of Missions, Mrs. Paula Janes, Financial Manager, and Mrs. Linda Marie Phillips, Administrative Assistant, for their faithful and committed service to our association.

BE IT FURTHER RESOLVED, that we express appreciation to Dr Brian Davis, Moderator, Rev. Roy Perry, Vice-Moderator, Dr. Victor Rampey, Music Director, and Jana Jones, Association Clerk, for their leadership and service in this session, with other persons on the program who have contributed much to time success of this meeting.

BE IT FINALLY RESOLVED, that we commit ourselves afresh to the furtherance of the Gospel, making ourselves available to God for Him to use as He determines, continuing faithfully in the work to which God has led us, both within the association and around the world,

THEREFORE HAVING SO RESOLVED, let our Christian witness in this community be bound together by our love for God and our love for each other, so that, "By this shall all men know that ye are my disciples, if ye love one another." (John 13.35)

RESOLUTION OF PRAYER AND SUPPORT FOR OUR SERVICEMEN AND THEIR FAMILIES

WHEREAS, The United States of America has found itself in a virtual state of war since September 11th, 2001,

WHEREAS, in the course of their duties, many members of the armed services serving their Country have found themselves continually in harm's way,

WHEREAS, their faithful dedication to their duties has often resulted in long separations from their loved ones, often causing emotional, financial, and spiritual hardship,

BE IT RESOLVED, the churches of the Carolina Baptist Association commit ourselves to pray for the safety of our men and women serving their country in the military,

BE IT FURTHER RESOLVED, that we commit ourselves to pray for the families of our servicemen, asking God to provide for their physical, emotional and spiritual needs,

BE IT FINALLY RESOLVED, that the churches of the Carolina Baptist Association commit ourselves to provide ministry and support as necessary to these families, as the Holy Spirit guides us individually and provides opportunity.

RESOLUTION FOR WISDOM AND GUIDANCE

WHEREAS, the Church and the Nation find themselves in an era of ever increasing political complexity, both domestically and internationally,

WHEREAS, Proverbs 14.12, "There is a way that seemeth right unto a man, but the end thereof are the ways of death" teaches us that the best wisdom of mankind is woefully inadequate to guide us,

BE IT RESOLVED, that the churches of the Carolina Baptist Association commit themselves to prayer for our president, congress, and other leadership, national, state, and local, that God would guide them and give them wisdom as they endeavor to lead our nation,

BE IT FURTHER RESOLVED, that we commit ourselves to pray for

God's wisdom and guidance in the upcoming elections,

BE IT FINALLY RESOLVED, that we recognize that true wisdom comes only from God, and we commit ourselves to seek His wisdom and guidance in all things.

RESOLUTION TO REREAD THE SPRING 2002 RESOLUTION ENTITLED "ON TROUBLESOME TIMES"

WHERAS, traditional family values based on Scriptural truths are increasingly under assault in the public arena,

WHEREAS, the very definition of "Family" is being revised by many pro-feminist and pro-homosexual groups in our nation,

WHEREAS, many of these attitudes antithetical to Christian values are gaining political popularity in our country,

BE IT RESOLVED, that we, the churches of the Carolina Baptist Association, determine to reread and recommit ourselves to the motion entitled "On Troublesome Times", confirmed by this body on April 23, 2002.

NOTE-Before this resolution is adopted, we will need to read the aforementioned motion from April 23, 2002.

April 23, 2002 Motion – On Troublesome Times

WHEREAS, we are living in troublesome times across the span of our beloved America,

AND WHEREAS, daily developments are increasingly alarming and disarming,

AND WHEREAS, we witness the unraveling and dismantling of what many of us consider essential values,

AND WHEREAS, signs do not point to any improvement on the horizon,

AND WHEREAS, the image of family is changing into that which reflects the base nature of man rather than the holy nature of God,

AND WHEREAS, the sanctity of marriage is attacked and marriage vows considered unimportant in some circles,

AND WHEREAS, the parental authority in the home is challenged by some children at the sanction of new societal mores,

AND WHEREAS, Christians who espouse Biblical values are often ridiculed and persecuted by the media, while anti-Biblical antics are given attention and approval,

AND WHEREAS, the Lord's Day as sometimes neglected and not revered,

BE IT RESOLVED, that we renew our sacred vows unto our holy God,

BE IT FURTHER RESOLVED, that we speak again our stand with the things of God, the values of God, and the ways of God;, as recorded in the holy Scriptures,

BE IT FURTHER RESOLVED, that we proclaim and give clear and uncompromising attention to the Biblical definition of marriage and the family, highlighting the role of the man as husband and the woman as wife, and the children under parental authority in the home.

BE IT FURTHER RESOLVED, that we again speak of such tried and proven blessings in the home as Bible reading and prayer at a Family Alter, families gathering around a table for a family meal preceded by "the blessing," families traveling together to a local church for Sunday School and Worship.

BE IT FINALLY RESOLVED, that we strive to be light and salt in the world to make a difference in our communities where we live.

THEREFORE, HAVING SO RESOLVED, let us refresh our faith in God, embrace our families with love and care, return to our churches with renewed commitment, recognize and affirm Christian families, and do as Judah did after the prayer of King Jehoshaphat "And all Judah stood before the LORD, with their little ones, their wives, and their children." (2 Chronicles 20:13)

20. Memorial of Deceased Church Members by Ricky Levi, Pastor, Berea Baptist Church. These names are listed on page 59. There was a correction and an addition to the listing. Tryon First should have been Tuxedo First. The names were from Tuxedo. The following were the names for: Tryon First: Mr. Richard "Bubba" Attwood, Dr. R. Archie Ellis, Mrs. Ann Washburn Fincher, Miss Susan Fortner, Mrs. Anabelle Gosnell, Mrs. Florence Macpactridge.

21. Dedication of the Association Annual by Carrie Belle Barton, Chair, and two others on the committee, Linda Marie Phillips and Kenneth (Skip) Fendley. The committee makes the motion that the associational annual for 2003 be dedicated to the following: **In Loving Memory of**: 1) **Mr. James (Jim) P. Clouse -** He loved the church and especially Sunday school. He did a lot of work to see that every church had a Sunday school, to give opportunities for everyone to hear the Gospel and to study the Bible. He was very active in his church, the CBA, and the Baptist State Convention. 2) **Mrs. Nancy Martin** - She was the beloved wife of Rev. Tommy Martin. She was very active in her church. She held many different positions of leadership in the CBA. She was the librarian at Fruitland Baptist Bible Institute and a real asset to the students and faculty. **In Honor of: Dr. John F. Rymer** - He served as pastor of Etowah church for thirty years. Also, he served several other churches as pastor and/or interim. For fifty years he has taught at Fruitland Baptist Bible Institute. He has been an active member of the churches he has served. He has held many different positions of leadership in the Carolina Baptist Association. Motion carried.

22. The benediction and blessing was given by Brian Davis and a

delicious dinner was served by members of First Baptist Hendersonville.

Evening Session

23. The evening session began by singing a hymn of praise, *I Am Resolved*, led by Vic Rampey

24. Moderator, Brian Davis, called the session to order at 7:01 P.M

25. Immanuel Verruggao, East Flat Rock First (Communidad Internacional Fellowship) and two others sang, *Open The Eyes Of My Heart, Lord*, first in Spanish and then in English with the congregation joining in. This was also a time of worship.

26. State of the Association report by Sandy Beck. The concession trailer was parked outside at the front entrance to the church. It has been used many times so far and if any church wants to use it, be sure to contact the CBA office to reserve it. Balfour used the trailer for an "Awana kick-off festival," and Fruitland for their block party. He stated we have demonstrated well our theme, *Coloring Outside the Lines*, by the reports and ministries from our local churches. Reaching out beyond our church walls is fulfilling our mission. The Book of Reports contain reports from seventeen churches about church ministries to the unchurched. As Jesus said, go and tell.

    A graph was shown, depicting our purpose statement which was adopted two years ago. Dr. Beck proposed we add a sixth circle, *Powerful Through Prayer*. This circle was at the bottom of the graph. This was to amend the purpose statement. Someone from the floor proposed we do this, put *Powerful Through Prayer*, at the top of the graph. Therefore, an amendment to the first amendment was made to do this, seconded by Joe Mullins. Finally, the amended motion carried. Paula Janes was instructed to make this change to the graph.

27. Jesus Video Project by Chuck Miller, Hendersonville First, project leader. We hope the mailing will take place during April 5-9, 2004. Cost of everything will be approximately $3.00 per video.

28. Recognition of new pastors/staff by Ray Talley, Etowah Baptist Church. We had 1) Russell Johnson, minister of youth/education from Balfour, 2) Gary Powell, associate pastor for music and senior adults from Ebenezer, 3) Jim Hyler, associate pastor from Bat Cave, 4) Mike McMillion, associate pastor from East Flat Rock First, and 5) Alvin Melton, pastor of Refuge.

29. We did not have reports from these ministries, but there was information and brochures available: IAM, Open Arms, WMIT, Hendersonville Rescue Mission, Interfaith Chaplains, Fruitland Baptist Bible Institute.

30. An offering was taken for new church starts. Offertory music was by Bill Connor, First Baptist Church, Hendersonville.

31. The next person on the program was introduced by Dr. Ian Walker. Thomas Freeman, Director of Food Services for *The Rock Café* at Biltmore Baptist Church. He said his main object in whatever he did was to brag on Jesus. By way of Power Point presentation, he showed ways to present ministries from his church from which all could benefit.

32. Enrollment report by Ruby Pruitt, Balfour Baptist Church. We registered 114 messengers and 48 visitors, making a total of 162 representing 32 churches.

33. Installation of new officers by Brian Davis. No new officers to install at this time. Brian Davis, Moderator, Roy Perry, Vice Moderator, and Jana Jones, Associational Clerk will continue.

34. The introduction of the speaker, Rev Kemuel Pruitt, was given by Tom Jump, French Broad Baptist Church.

35. A special music presentation, *Silent Messengers*, was given by middle grade children, First Baptist Church, Hendersonville.

36. Message by Kemuel Pruitt, *Thru The Roof*, French Broad Baptist Church. Scripture. Mark 2: 1-13. He called the four friends who brought the man to Jesus the "Thru The Roof Dream Team."
    a) They were bothered. .
    b) They had burning determination...
    c) They were barrier breakers... and
    d) They had big faith.
    The result? Bubbling excitement and glory to God! How do we get there? Through brokenness. We were challenged by the meditation/invitation to *Go Light Your World* (Shannon Hall, French Broad) as small glow sticks were passed out which could be broken and groups were called together to pray.

37. Benediction and adjournment by Brian Davis. Meeting adjourned at 9:05 P.M.

Respectfully Submitted,
Ruby Pruitt
Acting Clerk for Jana Jones, Associational Clerk.

Baptist Children's Home

As a young child Patricia lived with abuse. alcoholic and drug-addicted parents who forced her to lie about their abuse. The little girl was threatened with a pistol held to her head and made to sleep on cold hardwood floors. Her abuse and neglect were compounded by a severe medical condition. Because her parents were unable to properly care for Patricia. she went months at a time without the daily medication she so desperately needed.

Then one day. Patricia found the security she had longed for at the Broyhill Home in Clyde. But even at Broyhill Home her life wasn't easy. Patricia has Turner's syndrome. a condition affecting her balance and coordination and stunting her growth. Because she was awkward and clumsy, other children made fun of her at school. But her physical problems only seemed to make her stronger.

Because of your help, children like Patricia are rescued from the jaws of hopelessness and despair, set on solid ground, supported by loving Christian men and women, and are given hope so they can realize their dreams- dreams that at one time in their lives, they could never imagine were possible.

Asheville's Calvary Baptist Church dedicated property they donated to Baptist Children's Homes and presented $100,000 to help construct the Alverta Bolick Home for developmentally disabled adults on June 8, 2003. The financial gift was made possible through the generosity of the last Alverta Bolick. The group home will be built adjacent to the church and provide a home for six residents.

If you ask North Carolina Baptists for help, expect them to provide in a big way. When the word went out to North Carolina's WMU that Baptist Children's Homes needed towels and washcloths, hundred's of women in churches across the state provided them. Towels and washcloths flooded in to all BCH locations. When Baptists learned that pillows and sheets were needed in BCH cottages, and avalanche of bedding poured in. And BCH's first statewide food roundup brought great enthusiasm and response: over 473,000 pounds of food were delivered to the homes.

Baptist Hospital

North Carolina Baptist Hospital admitted its first patient on May 30, 1923, culminating a vision of the Baptist State Convention to extend the healing ministry of Jesus Christ. Eighty years later, in 2003, we remain firmly committed to the original mission of providing the highest quality medical care marked by excellence, integrity, innovation, and compassion consistent with the teachings of Christ.

The Convention established the annual Mother's Day offering in 1924 to help patients in financial need pay their hospital bills, to lift heavy burdens in the name of Jesus Christ and his love. Since that time every dollar of every gift has been used for that purpose--caring for children like Haleigh in her battle with cancer, and adults like Wade and Vickie. You have made a tremendous difference in their lives and many others just like them. Please read their inspiring stories of thankfullness in the new Mother's Day Offering website www.ncbhmothersday.org. Thank you, North Carolina Baptists, for giving $600,372 to this ministry in 2002!

If you are looking for a mission project to do, The Friendship Place (where patients receive cancer treatments) is in need of games, puzzles, magazines, and kitchen supplies such as paper products. Brenner Children's Hospital maintains a "Treasure Chest" to provide small gifts for children after painful procedures. Items needed for younger children are matchbox toys, Beanie Babies, small boxes of Lego's, crayons, coloring books, finger paint, bubbles, and craft packages. For adolescents, the needs are school supplies, pens, notepads, stationary, picture frames, hair bows, and finger nail polish (wild colors) and Personal Care Kits which include comb, toothbrush, travel size toothpaste, and shampoo.

Baptist Hospital has various other ministries such as: Baptist Hospital CareNet Counseling Centers (Department of Pastoral Counseling), The Center for Congregational Health, The Department of Chaplaincy and Pastoral Education, The Department of Church and Community Relations.

Baptist State Convention

The Baptist State Convention of North Carolina provides on-going leadership development and direct mission ministries through its General Board programs of work, primarily conducted by staff located at the Baptist Building in Cary.

The majority of the General Board-supported ministries are in the Mission Growth Evangelism and Congregational Services groups. In addition, many of the direct mission projects (partnership missions, etc.) are administered through the two convention auxiliaries—Baptist Men and Woman's Missionary Union. Many of these mission and ministries are conducted cooperatively with the various associations across the state.

Partnership mission projects (with the approximate number of volunteers) for 2003 include Honduras (700 volunteers), Alaska (1,000 volunteers) and Southeast Asia (75 volunteers). To date, almost 1,300 volunteers have served with the Baptist Men's Medical/Dental Bus in 42 associations across the state. In addition, 1,400 people were trained for disaster relief ministries.

Other ministries and training include: Royal Ambassadors, Co-ed Student Missions, Deep Impact, World Changers, Missions Extravaganza, Nursing Fellowship, Children in Action, inmate ministry, Christian Women's Job Corp, etc.

Baptist State Convention congregational leadership projects are held across the state throughout the year, including the ETC (Equipping Today's Church) meetings at Ridgecrest and Caswell), Children's Bible Drills and Youth Speakers' Tournaments, youth weeks at Caswell and program-related training events on a statewide, regional and associational levels.

In addition, the BSC includes three social service agencies (Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital) and five college and universities (Chowan, Campbell, Wingate, Gardner-Webb and Mars Hill). The convention also support two agencies—the Biblical Recorder and Baptist Foundation.

Cooperative Program

William W. Willingham

North Carolina Baptist churches each year voluntarily send the Baptist State Convention millions of dollars to support a variety of mission, education, and benevolent ministries, programs within the state, across the nation and around the world. Each undesignated dollar sent (if Special instructions or designations are not made) is distributed according to a percentage formula approved each year by the messengers at the Baptist State convention's annual meeting in November. You will find it very interesting that over sixty-two percent of the money supports the state convention's mission programs, children's homes, colleges and universities, retirement homes, and Baptist Hospital School of Pastoral Care. The nearly remaining 40 percent is earmarked for causes related to world missions, theological education, minister's annuity, etc. in the Southern Baptist Convention.

A question that is frequently asked is: **"Where does it all begin?"**

The cooperative program begins with you and your contribution through your church. Then, your church voluntarily decides to contribute a percentage (or dollar amount) of the money received for cooperative giving. That money is then sent (usually weekly or monthly) to Baptist State Convention offices in Cary, North Carolina.

Another question that church members often ask is **"How is the money handled?"**

The Baptist State Convention receives money from the churches every business day as a part of our cooperative giving. On the day the money is received, the business office deposits the money in a local bank after properly crediting the amount to the church account (each has a "church has a "church number" and remittance forms to assure proper handling). The funds are then distributed each month according to the convention-approved formula or as directed by the church. This formula is approved at the State Convention each November.

The Baptist State Convention is very careful that the money contributed is accurately reported.

Every three months churches that contribute are sent a report of all mission gifts through the state convention's business offices in Cary. The information includes comparative data to prior years for the church's analysis. The report is sent to pastors or church treasures for verification.

Once each year the church giving report is published in the Biblical Recorder. This report shows both Cooperative Program and other mission gifts.

In North Carolina, the Cooperative Program is very flexible. The Baptist State Convention for more than 30 years has made provisions for churches to exclude ministries supported by Cooperative Program gifts which they did not choose to support. A church, for example, may exclude up to three items (including and entire category like Southern Baptist Convention or Baptist State Convention) and that money will still be counted as Cooperative Program giving.

The money sent into the Baptist State Convention offices in Cary, North Carolina, is carefully safeguarded. Financial records are audited annually by a CPA firm. The auditors present their findings to the Audit Committee of the Business Management Committee within the General Board for their study. That audit is then published in the Convention Annual. The Convention Annual, including the audits, is routinely distributed each year to all major North Carolina news media.

We give and cooperate because—

And Jesus came and spake unto them saying, all power is given unto me in heaven and in earth. Go you therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost. Teaching them to observe all things whatsoever I have commanded you, and lo I am with you always, even unto the end of the World. Amen!
Matthew 28-18-20

Council on Christian Higher Education

Christian higher education represents one of the enduring values of the Baptist State Convention. Since it's founding in 1830, North Carolina Baptists have supported Christian Higher education through gifts to the Cooperative Missions Budget.

Our state and Convention depends upon the graduates of our institutions to lead us. The classrooms across our state are filled with teachers who have received their training from one of our campuses. North Carolina businesses are staffed with people who have been challenged during their formal education on our Baptist campuses to consider the ethical and moral consequences of their decisions. Our churches are filled with God called men and women who have undergone academic preparation to lead our churches, associations and Convention. Where would we be without those graduates?

This success story has been made possible as a result of the faithfulness of North Carolina Baptists who support the Baptist State Convention through their gifts to the Cooperative Missions Budget.

Our five Baptist campuses take pride in their association with our Convention. Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate are institutions of Christian distinction. Each considers their Baptist witness to be a hallmark of their institutional mission. These institutions welcome the challenge to prepare the next generation of leaders to serve our state and our Lord.

A large majority of the students on each campus identify themselves as Baptist. Among those who are Baptist, some are receiving special financial support as a result of your faithfulness to our Convention's mission. Last year 687 North Carolina Baptists received special scholarship aid made possible by your gifts to the Convention. This group represents 504 different churches and 3 different associations.

Churches that give through Optional Giving Plans B & C are helping another special group of North Carolina Baptists. Both giving plans make it possible for the Council to release theological grants to NC Baptists who have heard God's Call and who are engaged in the pursuit of their first professional theological degree. Last year 320 recipients received this special assistance.

What does the future hold? No one knows for sure; but we know that our colleges and universities will continue to receive your students and provide opportunities for them to grow intellectually and spiritually.

Discipleship Training

Branton Burleson

The New Testament word "disciple" best defines the Christian as a "learner" and a "follower." Interestingly, the Bible never distinguishes "conversion" from "discipleship." A convert to Christ is a disciple! Repentance and Lordship are not optional in the Christian pilgrimage. Growth in holiness is the necessary consequence of our new birth. Therefore, it should be the purpose of the discipleship ministries of this association to develop maturing followers of Jesus Christ to the glory of God.

Please pray for me as I serve you, our local churches, as associational discipleship director. I would like to humbly aid our partnering churches in the following endeavors:

1. Recapturing God's design for discipleship as a function of His church to sanctify His children.
2. Obtaining the most Christ-centered literature and resources to renew the minds of God's people.
3. Cultivating and maintaining strategies that strengthen our local churches as disciple-producing station.
4. Planning training conferences and seminars for revitalizing discipleship ministry.
5. Producing disciples that are missions-zealots prepared to saturate our culture and the globe with the Gospel.

Church leaders, if at all possible, please obtain the following resources for your own personal discipleship and to educate your flocks in historical Southern Baptist faith and practice: ***Polity: A Collection of Historic Baptist Documents*** edited by Dr. Mark Denver, pastor of Capital Hill Baptist in DC, ***Teaching Truth, Training Hearts*** and ***By His Grace and For His Glory*** both by Dr. Tom Nettles of Southern Seminary, and two wonderful, but lost, treasures, ***Manual of Theology*** by Dr. John Dagg (the first theology book written by a Southern Baptist), and ***Abstract of Systematic Theology*** by Dr. James Boyce, founder of the first SBC seminary.

Please contact me at any time if I can assist you or your congregation. I may be reached at 692-5822 or 243-5041. With God's help, we can, as an association of cooperating churches, become radically committed to developing "learning followers of Christ" immersed in God's Word and transformed by God's Spirit!

Hendersonville Rescue Mission

Anthony McMinn

What a year! The staff has served more hurting people than ever. Twenty-two percent more men and women were provided shelter and 21 percent more meals were served to the hungry. We saw the biggest increase in children, with 56 percent more coming through our doors.

The Hendersonville Rescue Mission impacts lives in our community because of your faithful support. We receive no federal or state funding, so individual support is vital to the operation of our ministry. July, August and September were slow months financially, and the Rescue Mission needs your help so that we may continue to meet needs of the homeless, hungry and addicted of our community.

Each man should give what he has decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. II Corinthians 9:7

For twenty-three years this ministry has been a lighthouse to the less fortunate and the gospel of Christ Jesus has allowed us to see lives transformed. Because of faithful partners like you we see the hungry fed, the homeless with shelter provided to them, those that are addicted find recovery, those who are sick in body find help through the Good Samaritan Clinic and even more programs that impact lives.

On behalf of the staff and Board of Directors, I thank you for your faithfulness.

J.O.Y. Singers

Duane Francis, President

J.O.Y. Singers continues with its weekly activity. The volunteer group meets every Tuesday afternoon at 2 PM at the Resource Center. After an hour's rehearsal, the group goes to a retirement home or health center to sing and to visit with those residents who have come to hear the program of hymns, gospel songs and choruses. The 30 minute program ends with the residents participating in a "sing-along" of some songs or choruses and the Lord's Prayer. They seem to enjoy this very much and even the manager's show their appreciation for our efforts.

This is the fifteenth year of J.O.Y. Singers and we thank the Lord for its ministry which began in 1988 under the leadership of Rev. Walton Coppedge. Our music Director for this past year has been Boyd Sutton. He has previously served in this capacity and is well qualified. We are fortunate to have his talent and experience.

Currently, we have 34 representatives from 10 churches with an average attendance of about 26 each Tuesday. We are scheduled for a full year at ten different retirement homes or health centers of Henderson County and are being invited into more if and when the schedule permits.

The members of J.O.Y. Singers are grateful for the opportunity to minister to those who are less mobile and more confined and we appreciate the prayerful and financial support of the Carolina Baptist Association.

North American Mission Board

God is working through and among Southern Baptists, and the North American Mission Board (NAMB) is a key part of the team reaching North America for Christ. In partnership with state conventions, associations and local churches, we are commissioning more missionaries, putting more money on the mission field, and starting challenging, new ministries. In 2002, gifts to the Annie Armstrong Easter Offering and the Cooperative Program helped NAMB efforts in church planting, evangelism, strategic cities, disaster relief, Canada, and much more. Following are a few highlights of what those offerings, 5,204 missionaries, 2,400 chaplains and 400,000 mission volunteers accomplished.

Reaching People for Christ

An estimated 2,500 schools have students-led Christian clubs who are using the **FiSH!** strategy. More than 8,500 commitments to Christ are made each year as a result of these FiSH! clubs.

176 new Chaplains received SBC endorsement through NAMB. The total chaplain count is 2,416, and more than 13,800 people came to Christ through their faithful sharing of the gospel in settings such as prison, military, institutional, corporate, and healthcare.

Church and community ministry missionaries recorded 29,594 professions of faith. Literacy mission efforts resulted in 14 new churches and more than 820 professions of faith. More than 280 refugees were resettled. Hunger ministries fed 3.7 million people, with more than 17,000 professions of faith recorded.

The Evangelism Response Center makes it possible for specially trained Southern Baptist volunteers to accept calls in their homes from people responding to evangelical advertising about a personal relationship with Jesus. Information is forwarded to local SBC churches. There were 29,666 calls received and 460 people made salvation decisions during the calls, while 13,877 referrals were made to SBC churches.

Starting New Churches

Southern Baptists established 1,451 new congregations, and added 164 new SBC affiliated churches for a total of 1,615 new SBC churches.

The Nehemiah Project, which has established seven church planting centers on Southern Baptist seminary campuses, trained and helped place over 160 students in short and long term church planting ministries. Seventy-nine students went out as lead church planters in 2002.

Canadian leadership set a prayer goal of establishing 1,000 healthy, reproducing churches by 2020. Partnerships were established with several SBC mega-churches to plant flagship churches in Canada.

North Carolina Baptist Foundation

The mission of North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially under girding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2002, the Foundation assisted individuals in establishing 28 endowment funds and 17 charitable remained trusts totaling $1.5 million and received $3.3 million in contributions to existing endowments all of which ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote *Make Your Will Month*, Christian estate stewardship, and church fund management. Over $1.5 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received $6.3 million in contributions during 2002 for Christian causes.

During 2002, our distribution totaled $5.8 million, with charity receiving $3.5 million and individuals, through trusts, receiving $2.3 million. During the 83-year history of The North Carolina Baptist Foundation, Inc., $23.1 million has been distributed to individuals and $40.3 million to Baptist churches, institutions and mission causes for a grand historical total of $63.4 million.

Retirement Homes of North Carolina

John Rymer

The Baptist Retirement Homes ministry continues to make a wonderful contribution to the health and welfare to the older adults of North Carolina.

North Carolina Baptists support this ministry by maintaining several facilities across the state. Let me name them for you as follows:

1. The Brookridge Retirement Community in Winston-Salem.*
2. The Gardens at Taylor Glen Retirement Community in Concord.
3. The Western North Carolina Baptist Home in Asheville.*
4. The Taylor Home in Albemarle.
5. The Hamilton Home in Hamilton.
6. In the Piedmont Triad, Baptist Retirement Homes operates In Home Care, Incorporated, a full-service home health agency offering in-home nursing and therapy services giving assistance to Older Adults who need at home supportive assistance.

* Alzheimer's units for care and ministry.

Baptist Retirement Homes opened its doors in 1951 with 25 residents. This year the Homes will be serving close to 850 residents. The statewide Baptist Elder Care Network continues as a free service to all with resource counselors available to those facing decisions related to the care of the Older Adult. The toll-free number is 1-800-887-7410.

Baptist Retirement Homes continues to lead the state in providing benevolent care to the "Poor Elderly." Because of the generosity of North Carolina Baptists through the Cooperative Missions Giving Budget and the North Carolina Offering for older adults, the "Homes" will be able to provide approximately $2 million dollars of benevolent care.

Please call me at 828-692-3772 if you wish further information concerning this worthy ministry.

Seminary Extension

Branton Burleson

For some, the term "Seminary Extension" may be misleading; and although I **do** want to continue encouraging leaders in the Carolina Baptist Association to promote Southern Seminary's extension in Greenville, the Seminary Extension division of the SBC is a ministry aimed specifically at local Baptist associations. The purpose, then, of Seminary Extension is associationally oriented and multi-faceted. This service is intended to provide specific training for lay ministry, for formal ministerial education on behalf of those unable to attend college or seminary, for ministerial and lay person continuing education, and even as a method of earning and transferring credit toward an undergraduate degree.

Officially, Seminary Extension is a ministry of the six Southern Baptist seminaries and seminary professors write most of the curriculum. The various avenues to study include CD-Rom courses, internet courses, independent study, and even a classroom setting in an officially recognized Extension Center organized by the local association. Although Seminary Extension is not a degree granting institution, it does offer several types of certificates and diplomas. These certificates and diplomas may by earned in Biblical Studies, Theology, Church History, Mission, Childhood Education, Pastoral Ministry, and many more disciplines. Individual courses may be taken on particular books of the Bible, as well as, in the area of Bible Interpretation, Southern Baptist History, Systematic Theology, New Testament and Old Testament survey, just to name a few.

Additionally, a number of colleges have accepted Seminary Extension diplomas credits toward a baccalaureate degree. For example, Judson College, a Southern Baptist school in Marion, Alabama will accept up to 30 hours of Seminary Extension work toward a Bachelor of Arts degree.

I will be working closely with Lester Evans, the Western area resource officer for the Baptist State Convention, as he guides us through the process of implementing this tremendous educational opportunity into the life of our association. Whether you are interested in a certificate of diploma, or simply in a course or two for your own personal benefit, Seminary Extension may be for you. Prayerfully consider your role or participation in Seminary Extension ministry for the coming year.

Senior Adult Enrichment

Joe Mullins and Ruby Pruitt

The Seniors of the Carolina Baptist Association has met three times this year. The Seniors are known as the Doris McGee Carolina Senior Adults.

The Seniors gathered in November at Balfour, April at Mud Creek and the August meeting was held at First Baptist Church Hendersonville. The meetings offered a program of special music, games and activities, guest speakers and of course, food. At each meeting there was an offering taken. This year $200 was given to the Jesus Video Project sponsored by the Carolina Baptist Association.

The next meeting will be held at the Horse Shoe First Baptist Church on November 5, 2003 at 11:00 AM. We encourage all pastors and senior members of the Carolina Baptist Association of churches to join us on this date.

Singles/Single Again

Jeannette Ballew, Eva McCray, Ellen Johns

The Singles/Single Again continue to meet at the Carolina Baptist Resource Center on the second Saturday of each month. Attendance for the past year has varied from 20-40 with an average of 25-30 at each meeting. Those attending have participated by serving as host/hostesses, sharing ideas for programs and projects, participating in programs, preparing food, decorating tables, and enjoying good food and Christian fellowship with each other.

Programs for the year 2002-2003 have included concert pianist Linda Moser Smith, who performed inspirational and sacred arrangements; Marcy Pyrtle, a Hendersonville native who sang selections from her newly recorded CD; a panel discussion on adoption and foster care by members of the Department of Social Services chaired by Marian Goodman; a special presentation by the Rev. Anthony McMinn, executive Director of the Hendersonville Rescue Mission; a catered barbecue; a Flag Day celebration; and a "Mystery Dinner" coordinated by Ellen Johns.

As an outreach, the Singles/Single Again group contributed more than 200 pounds of food to the Interfaith Assistance Ministry and gave generous donations of money and food to the Hendersonville Rescue Mission. Love offerings were also given to several speakers and performers to assist their ministries.

The Singles Enrichment Team has worked diligently to encourage all in attendance to share their unique talents and continue to welcome any suggestions for improvement.

Woman's Missionary Union

Carrie Belle Barton

Woman's Missionary Union emphasis for 2002 – 2004 is **GOD'S PLAN…MY PART**.

The watchword is 2 Timothy 1:8-9 (NIV) "So do not be ashamed to testify about our Lord, or ashamed of me his prisoner. But join with me in suffering for the gospel, by the power of God, who has saved us and called us to a holy life – not because of anything we have done but because of his own purpose and grace. This grace was given us in Christ Jesus before the beginning of time."

This past year we have read the watchword, put it to memory, and learned how to apply it to our daily lives. Paul, the mentor, wrote this to Timothy to encourage him and also to let me know that ministry is not always easy. The calling Paul and Timothy had was not given to them because of their talents or work, but because of God's grace – His purpose – His plan. He has a plan for each of us. He calls us…we hear…we respond. The choice is ours. In Woman's Missionary Union this year we have been challenged to learn God's Plan…My Part and to accept the challenge to help take the message of the Gospel to the lost in our community, town, state, nation, and the world.

From the very beginning in 1888 Woman's Missionary Union has been a mission's organization. This organization has remained true to its purpose for 115 years. Our strategic principles simply tell how we plan to accomplish our mission purpose: 1) Pray and Give to Missions 2) Do Missions 3) Learn About Missions 4) Develop Spiritually Toward a Missions Lifestyle and 5) Participate in the Work of the Church and Denomination. Woman's Missionary Union is for everyone – preschoolers, boys, girls, youth, men and women. It is for every church!

All of our churches have been encouraged to observe the Weeks of Prayer, Special Offerings, and Mission Studies for International Missions, North American Missions, North Carolina State Missions; and emphasis for the Baptist Hospital, and Associational Missions.

Last September our leadership team had a brunch for all the WMU Directors in our association. This past year we participated in Women's Prison Ministry providing hundreds of ballpoint pens. We observed the Baptist Women's World Day of Prayer at Asheville Korean Church. The annual toy project with witnessing was held in December for properly screened families. In November and May the churches collected food for IAM. Mrs. Dorothy Allred was our guest speaker at the Celebration during WMU Focus Week in February. Our Annual Meeting was at Ebenezer Baptist Church in May with Miss Dottie Williamson, the special guest speaker, and Mrs. Marcia Ballard who did the special music.

We had good representation at Mission Extravaganza at Ridgecrest, NC State Annual WMU Meeting and Training Conferences. The Children in Action had a Foreign Missions Fair in November at Oak Forest and a Home Mission Fair in May at Dana; the Girls in Action had a camp out in May at Fruitland Baptist Church. The Leadership Team for our association attended training at Fruitland in July, and we had an Extravaganza Training Conference for all church WMU officers and leaders in August at Balfour. Our churches collected food boxes for Iraq and we helped in the Food Roundup for the Children's Homes. The Youth on Mission did a mission project at New Direction Farm. Judy Sinyard has been promoting the World Crafts Project. Many other projects and ministries have been carried out by the churches and individuals.

Woman's Missionary Union is for everyone and every church. Our Leadership Team is here to assist, help, and support you in every way possible. Please feel free to call on us. "For we are laborers together with God." I Corinthians 3:9

We, the messengers of cooperating Baptist churches in Henderson, and parts of Buncombe and Polk Counties, North Carolina, propose to establish and maintain the principles of a district association consistent with this constitution.

Article I - NAME

The name of this body shall be "Carolina Baptist Association, Inc."

Article II - PURPOSE

To aid churches in their obedience to the Great Commission, and, seeking direction from the unchanging God in a constantly changing world, it shall be the purpose of Carolina Baptist Association, Inc. to help churches cooperate with koinonia in missions, evangelism and growth projects they cannot do alone. The Association shall be a resource center for training and equipping church workers to be more effective in performing their duties. The Association shall encourage cooperation in the denomination for the advancement of God's Kingdom.

Article III - MEMBERSHIP

SECTION 1 Carolina Baptist Association, Incorporated shall be composed of messengers from cooperating member churches.

SECTION 2 The Association shall be sole judge of its membership and may receive churches, or reject churches according to its Constitution and Bylaws.

SECTION 3 Churches who want to join the Association may apply to the Membership Committee. Upon the committee's recommendation to the Association, a church may be received under watch-care for a period of one year during which the church shall have all the rights and privileges of membership except that members may not vote nor hold office. After a satisfactory relationship for one year, the church can be received into full membership.

SECTION 4 A church may withdraw from the Association by transfer of letter to another association or by an official request to have that church removed from the membership role.

Article IV - MEETINGS

SECTION 1 Carolina Baptist Association, Inc. shall meet regularly on the fourth Tuesday evening in April from 7:00 through 9:00 P.M., at which meeting general officers shall be elected, and on the fourth Tuesday in October, from 4:00 P.M. through 9:00 P.M. each year.

SECTION 2 Special meetings may be called for specified purposes by the Moderator or the Associational Council provided that two weeks notice is given to member churches.

SECTION 3 Messengers shall be elected annually by each member church. Dedicated in Honor of

Dr. Henry S. (Sandy) Beck III

Dr. Sandy Beck was born in Dublin, Georgia on June 24, 1945. He is the son of Kathleen and Henry S. Beck Jr. Sandy was reared in a strong Christian family where his father was a lay minister. At the age of seven, Sandy responded to a minister's message to children by asking Christ to come into his heart and life and become his Savior.

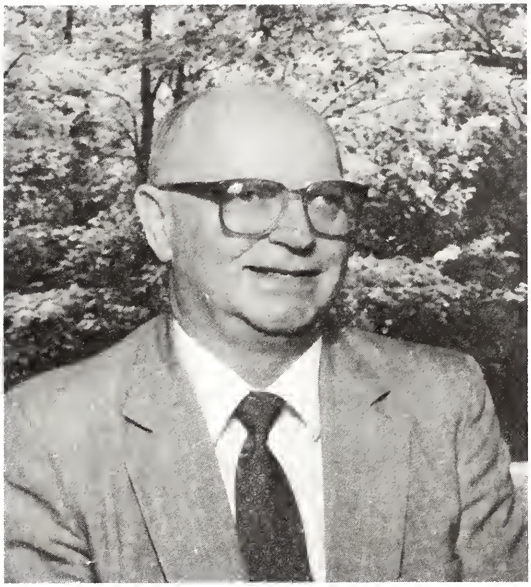
Sandy married his sweetheart, Anne Owens, on July 4, 1965. They have two children: a daughter, Melodie, who married Tom Fleming, they live in McAllen, Texas; and a son, Henry S. Beck, IV who married Julie, they live in Greer, South Carolina. Sandy and Anne have two grandchildren, Matthew and Hanna Mae Fleming.

Sandy is a graduate of Greer High School in 1963. He continued his education at North Greenville College with an Associate of Arts degree; University of South Carolina; Ohio Christian College with a Bachelor of Sociology degree; Georgia Southern College, Shorter College, Augusta College with a Master of Education; Dallas Theological Seminary; New Orleans Theological Seminary; Georgia State University; and Trinity College and Theological Seminary where he received his Doctorate of Ministries degree. Sandy believes training and education should continue through life, there is no end.

Sandy has served in many capacities: Director of youth, music, education, athletics, outreach, associate pastor, executive pastor and in March, 2000, was called to Carolina Baptist Association as Director of Missions. Sandy visits every church in our association every year and knows the pastor of each church. Sandy's vision and mission statement is: "*My personal mission in life is to encourage and equip believers, pastors, staff, and laity to reach their highest potential in Christ through the discovery and development of their spiritual gifts and natural abilities. This is best expressed in the Great Commission and the Great Commandment.*" He wants believers in our churches to have opportunities for the best training to learn how to do their service through their churches and communities better and honor God as they share Christ with others. Sandy has the desire to plant new congregations, new churches, and to make available places where the lost can hear the Good News and know what Jesus has done for them.

Since his position as Director of Missions, Sandy has been the Chair and Board member of Open Arms Pregnancy Support, Board member of Interfaith Assistance Ministries, Membership Chair of Henderson County Ministerial Association; Pastor, Place and Program Committee Member of North Carolina Baptist Convention, Vice President of North Carolina Baptist Associational Missions Fellowship, and Professor of Church Administration/Leadership at Fruitland Baptist Bible Institute.

Carolina Baptist Association is blessed to have such a man as Sandy Beck to lead us, help grow our churches, and care and encourage the pastors and his staff.



Dedicated in Memory of

Rev. Zeke Crawford

Rev. Zeke C. Crawford was born December 2, 1927 on a farm near Portsmith, Virginia. His Parents were Clarence and Molly Crawford. Zeke met Doris Pennell when her family moved from Chase City to Portsmith. They attended the same high school.

After high school graduation, Zeke enrolled in a business college. Just a short time later, he was drafted into the United States Army. He served occupational duty in Japan. When he returned to Virginia, he entered private business. Zeke and Doris were married on July 12, 1947. They are the parents of five children; Paulette, Ronald, Linwood, Timothy, and Karen. They have nine grandchildren and three great-grandchildren.

One night in early 1963 Zeke awakened Doris to tell her that he felt drawn to the ministry. Her reply was: "*Go back to sleep Zeke, I knew that a couple of weeks ago*." The Bethany Baptist Church in Portsmith, Virginia, ordained him in March, 1964.

After graduating from the Fruitland Baptist Bible Institute in 1966, he continued his education with Moody Bible Correspondence School. He and Doris served four churches in Virginia: Zion Baptist in Orange; Antioch Baptist and Union Baptist in Dillwyn; and Hollywood Baptist in Chatham with a radio ministry as well. In North Carolina they served Mills River Baptist, Bat Cave Baptist, and Little Cove Baptist. He also served as interim at several other churches. In December 1992, Zeke joined Dr. Alex Booth as Co-Associational Missionary of the Carolina Baptist Association. After the death of Dr. Booth on August 3, 1998, he served as interim Associational Missionary until March 14, 2000.

He always had a twinkle in his eyes and a grin on his face when he affectionately referred to Doris as his "first wife." Of course, Doris was really his one and only wife.

Zeke's favorite word was "Glory!" How he could say it! It will always remind us of Brother Zeke. We can definitely say "Glory! He is with the Lord." On April 9, 2004, he died shortly after suffering from a stroke.

Both Zeke and Doris were counted as faithful, worthy, and dedicated servants of the Lord everywhere they served. We are most thankful for the time they served in Carolina Baptist Association.

EXECUTIVE COMMITTEE MINUTES

February 3, 2004

(Rescheduled from January 27th due to bad weather).

The meeting was held at the Resource Center and called to order by Roy Perry, Vice-Moderator. The opening prayer was by Rev. Jerry Orr, Pastor of Gethsemane Baptist Church.

Rev. Vic Rampey, Associational Music Director, led everyone in singing three songs, "Leaning on the Everlasting Arms," "My Jesus, I Love Thee" and "Summertime In My Heart."

Copies of the minutes from the last meeting, July 22, 2003, had been given out for all who were present to read over. There were no additions or corrections. Roy asked that they be approved as printed, the vote was taken and they stood approved.

Financial reports had also been given out. There were no questions and they were approved as printed.

For the year 2003, 52 churches have given a total of $187,801.51.
General Fund ending balance $4,224.40.
General Fund deposits in December $16,097.14. General Fund expenses in December $16,880.24.
Money Market balance $107,838.96.
Designated Checking balance $10,729.33.

There was no **Old Business** to consider.

New Business

1) The **Membership Committee** made a recommendation that Gethsemane Baptist Church, Pastor Jerry Orr and the Wayside Baptist Church, Pastor Jeff Tankersley, be accepted into full membership of our Association as they have finished their year of watch care. There was no discussion, the vote was unanimous in favor of full membership and they were welcomed with open arms.

2) Melanie Love, Chair of the **Nominations Committee**, told us that Brian Davis, our moderator, was resigning his position and they recommended that we elect Rev. David MacEachern as moderator to complete Brian's term which will expire at the end of the October meeting. The vote was taken and approved with no opposition. Roy then explained that Brian's responsibilities with his church and the State Convention were just all that he could do. Roy then explained that with his duties at the Sheriff's Office and his church made it impossible for him to take over the moderator's position.

There were no other committee reports.

Director of Missions Report:

1) In the past funds have been allocated for a **Missions Conference** and this seems to be a good year to have one. We are asking tonight to change the date of the Missions Conference and the Associational Meeting in October to be backed up one week to October 10-19, with the Associational Meeting on the 19th. This is the week that the Vice President of the North American Mission Board, Richard Harris, is able to come and be our special speaker at the Associational Meeting. Dr. Beck has contacted many of the pastors about brining the missionaries that they are working with for the Missions Conference. The greatest amount of the funds will be used to fly the missionaries here. On the night of the Associational Meeting, he wants to have displays set up all around the room from the featured missionaries' places of service. This will give an opportunity to show what great things we do and support through our special offerings and the Cooperative Program. This is one thing we do right and many people in our churches don't know it. Also, on the night he would ask that the reports be kept short and just refer to what page their report is on in the Book of Reports except for WMU and Brotherhood. We want to make this a real mission's night so we want these two to give their reports. Any church in the Association can ask for a missionary to come and speak at their churches that week. A host church will provide lodging, transportation and food for a visiting missionary. The vote was taken to move the date, no opposition, the recommendation was approved.

2) **The Jesus Video Project** is about $50,000 short of the goal. The weather has hurt us. However, in the next week we should know how much we are going to get. Dr. Beck feels sure that they will be mailed on time. And this is such a good time to do this with the new movie, "The Passion" coming out brining more interest in Jesus birth, death, ad resurrection. It may not be in video form, but in disc form because discs come with about 16-17 languages. He hopes to find churches that will stock some video tapes that can be exchanged for the discs for those who have no DVD player. DVD players are now very cheap and can be purchased for $25-$50.

3) **A Track Rack** has now been placed at IAM and hopefully being used by many. Patricia Myrto and her husband are making one to be used at the Blue Ridge Mall to be placed at the Open Door Book Store. We will pay to stock it and it will say "Compliments of the Carolina Baptist Association."

4) **New Church Starts** – We have been concentrating on major thoroughfares like I-26. Our goal was to have a healthy Southern Baptist church near each exit of the interstate. We now have that in place. We are moving now to reach the new people on highway 280 from the airport to the Transylvania County line. This area is going to grow with new housing developments and we will need a new church in that area. We will do our homework in finding out who the people are and what kind of music they like, etc. Next we will look at Highway 25 South down to and maybe even over the SC line. New housing developments have already

been built and more will be coming. We will need to do a survey to determine the people needs. Following that we will be looking at Highway 64 West when the county is able to expand that road into more lanes. The hold-up seems to be what to do with the cemetery.

Dr. Beck then said that the newest church start will be done by Branton Burleson, possibly near the I-26 corridor. Branton then was asked to stand and give a short report. He said that he hoped to start meeting at the Quality Inn in March, and when they are able to organize they would be named Christ Covenant Church.

Other Business

Baptist Men Report - Mike Nelson reported that the Baptist Men are currently working on two projects:
1) They have been helping the Progress Baptist Church build a new building out on North Rugby. They have done electrical and ceiling work, hung sheet rock, and painted. He said the people were a great group and that they have had 28 professions of faith.
2) The have been working on a house in Saluda. They have been trying to thaw out the water pipes. Right now they are unable to get in the driveway due to the mud. The driveway needs gravel very badly so if anyone could help with the gravel it would be appreciated.

The disaster trailer is up and ready to go. Call the CBA office to schedule it. We have more tools and ladders. Last year it was used in West Virginia, Thomasville and down on the coast.

It was added that someone would be needed to take Mike's place next year as Baptist Men Director.

Discipleship Director Report – Branton Burleson then gave information about these upcoming events:
1) Monday, April 5th will be the Children's Bible Drill. He would like to see this revived in the churches. He will ask churches who are not participating to come and watch, then they may be more motivated to participate.
2) A Discipleship Conference is scheduled for April 23-24. The special speaker will be Dr. Don Whitney, author and teacher at the seminary in Kansas City. Hopefully it will be held at Fruitland Bible Institute, but if not, they will work with a church.

WMU Report – Carrie Barton announced that there would be a WMU Celebration on Tuesday, February 10th at the Etowah Baptist Church. A covered dish supper will begin at 6:00 PM and the program at 7:00 PM which will feature Dr. Paul Noe, pastor of Etowah Baptist. Dr. Noe will share about their church's partnership with a church in Romania and about the mission trip there last fall by some members of Etowah.

Attendance Report - Jana reported there were 18 people present and 10 churches represented.

A motion to adjourn was given by Roy, there was a second and all were in favor. The meeting was closed in prayer by Branton.

Associational Clerk

Carolina Baptist Association Semi-Annual Meeting
Spring Session, April 27, 2004

1. The Spring Session of the 127th Annual Meeting of the Carolina Baptist Association met at First Baptist Church, Saluda at 6:50 pm.

2. The meeting began with a time of praise singing "Majesty" led by Gary Powell and accompanied by Dr. Vic Rampey on the piano.

3. Moderator David MacEachern then declared the 127th Spring Semi-Annual meeting in session.

4. The welcome, devotional and invocation were given by host pastor, Paul Black. The scripture was Matthew 28:18-20. Paul then showed a film clip from the movie, "Titanic." The ship sank on May 14, 1912. 1,523 people perished, yet, the lifeboats were only half full – why? Paul then compared those lifeboats to the churches of today, saying that the churches hold the good news of Jesus Christ in them and yet they many times are only half full. He then challenged everyone to be witnessing, caring Christians who can help all those out there in the murky waters of life to find eternal life.

5. Moderator MacEachern then presented the printed program and asked for its adoption. A motion was made, seconded, and the program was adopted as printed.

6. Rev. Ray Talley was recognized to come and welcome new pastors and staff. Three were welcomed and introduced: Branton Burleson of the new Christ Covenant Mission, Tracy Fletcher, Pastor of West Hendersonville Baptist Church, and Matt Bradley, Youth Minister of Ebenezer Baptist Church.

7. Discipleship Report – given by Branton Burleson. Branton came to the podium with a stack of books. One was "Passion of the Christ" by John Piper. He encouraged everyone to buy and read and then give away, they cost only $1.00. He has plenty of them and he will be available after the meeting if anyone wants to buy one. He then talked about the other books that were available for discipleship training. Branton ten gave a report of the 1st Annual "Revitalization Conference" that was held at Fruitland Baptist Bible Institute earlier this month. Fifty people registered on Friday. Dr. Donald Whitney, Professor at Midwestern Seminary was the conference leader. The two classes that he taught were "Congregational Worship" and Church Discipline."

8. Seminary Extension Report – given by Branton Burleson. Branton reported that he was looking for someone to work in this position to get classes from the seminary started as our association is now qualified to have extension courses.

9. Senior Adult Enrichment Report – given by Joe Mullins. Our Senior Adults of the Carolina Baptist Association would like to extend an invitation to all senior members of our churches along with all pastors and staff to join them for their meeting times. We recently met at Balfour Church with a wonderful program of music and fellowship. A special thanks to Boyd Sutton and the JOY Singers and to Ms. Carol Ownby for the program of worship music. We have moved our meeting time from Tuesday to Thursday. The next meeting will be held at the Main Street Baptist Church on Thursday, August 5th, 2004 at 11:00 am. Be there or your will miss out on all the fun!

10. Singles Enrichment Report – given by Jeannette Ballew. All pastors are encouraged to come and visit our group. All singles are not young as some people think. Since our organizational meeting in March of 2001, attendance for our group has been fairly consistent. We have a nucleolus of 30-35 who attend regularly. We receive excellent publicity from the Times-News by Denise DeMayo, Religion Editor, and Jennie Jones Giles, Community Calendar Editor. Linda Marie is also a wonderful helper as she mails out over 100 personal reminders from the associational office each month. Many who attend have asked about dues or inquire as to how we are financed. They are amazed when they find out that we are included in the associational budget and that we are open to those from diverse religious backgrounds. Originally the Singles Planning Team was made up of three team leaders for three different age groups; 18-35, 35-60, and 60-up. Presently, the only active group is the 60+ group. So we are not meeting the needs of all the singles/single again people of our county. Our main goal is to continue to provide opportunities for fellowship and to encourage leadership growth.

11. State of the Association Report – given by Dr. Sandy Beck. Thank you for being here and for your participation in the Carolina Association. If you will look on the back of your program you will see the scholarships that have been granted for the first quarter of this year. For mission scholarships we have granted a total of $4,318.80, and for education scholarships we have granted a total of $3,600 for a grand total of $7,918.80. Now this is a result of your foresight and planning in the past that we are able to do this. Our camp requests are coming in and by the end of this quarter we will have granted a large number of camp scholarships, helping children and youth go to camps.

The annual congregation profile summaries have come in and will be mailed out to you next week. But, just looking at them everything seems to be up: Sunday School, baptisms, and giving. So, I commend you on all that you are doing. Last year (2003) we set a record in our giving for the third year in a row. And this year we are $370 ahead of last year! And it is you who are doing this, not me.

Now as a matter of information from the Association Council, as you probably know Brother Zeke Crawford passed away earlier this month. Zeke was the Co-Director of Missions of the Association and then the interim DOM when I came, so our Council would like to announce the formulation of the Zeke Crawford Memorial Fund in his memory for Fruitland Baptist Bible Institute. Funds have already begun to come in and they are earmarked for helping the students at Fruitland. Zeke was a graduate of Fruitland and he had a heart for the school and the students there. Zeke was a great encourager to me and I will miss him very much.

12. WMU Report – given by Carrie Belle Barton. I've got good news! WMU is alive, well and growing. In the past year in North Carolina there have been 141 new organizations started. In our own association we have had new organizations and re-organizations. Why are there new organizations in our churches? Because churches see the need for mission education of our preschoolers, children, youth, and yes, adults. Please be sure to get one of the brochures – "Why WMU?" I won't take the time to read it to you. WMU is a lot more than you think. It clearly tells us what WMU is, why missions are important, and why my church and

your church needs WMU. It's for all ages – boys and girls as well as men and women. WMU is 116 years old nationally and 118 years old in NC. This year is the 90th birthday of Girls in Action. Linda Leake is planning a great birthday party for all former and current GA's to be held on May 14th at Fruitland Baptist Church beginning at 6:00 pm. The annual WMU meeting will be on May 6th at 7:00 pm at Tuxedo First Baptist Church. Our theme for 2004 – 2006 is "Christ Followers." As a Christ follower we know His plan and we learn our part in His plan. Look at your hands – what are you doing – what are you holding – can we make commitments to follow Christ and do our part in His plan – He needs every one of us to use our hands for His honor and glory.

Moderator MacEachern then asked if there were other reports that needed to be made. There were none. He then gave recognition to Brian Davis who is serving as the second vice president of our state convention and that our association is proud that he is taking the time to do that.

Gary Powell came at this time and led the congregation in singing "God of Grace and God of Glory."

Business:

13. Appointment of Committees by Moderator – Please look on the inside cover of the program in the first column. You will notice that we have two vacancies on the Enrollment Committee. The Moderator asked that this report be approved by the saying of "Amen." There was no opposition.

14. Treasurer's Report – given by Patricia Myrto. Patricia asked everyone to look at page 5 in their program. Year-to-date 2004, 43 churches have contributed $50.088.04. General fund balance is $10.631.23; Designated Checking balance $22,459.75; Money Market account $108,305.20; NCBF Endowment (market value) $358,756.38.

Committee Reports:

15. Nominations Committee Report – given by Melanie Love. These were printed on page 2 of the program. New people coming on the committees are underlined. Tom Cooper will fill the remaining term for Zeke Crawford as trustee. Motion passed without opposition.

16. Membership Committee Report – given by Joe Mullins. We currently have 61 churches (full membership), 2 missions (Christ Covenant and La Communidad Internacional Fellowship), and one under watch care to make 64 total. We recommend that the Focus Point Baptist Church, currently under watch care status, having completed a satisfactory relationship with the association for one year be received into full membership. Motion passed with no opposition.

17. Place/Preacher Committee Report – given by Joe Mullins. Please be aware that there is a change for the fall session 2004. The date was changed at the Executive Committee meeting in February from October 26th to October 19th. The Committee recommends as amendment to the recommendation of the Place/Preacher Committee Report of 2003, that the place be changed from Etowah Baptist Church to First Baptist Hendersonville. We further recommend that the annual sermon be replaced with the program for the Missions Conference as determined by the associational staff and leaders for the conference. Motion passed with no opposition.

Notes: The Association of churches will have the opportunity and great blessing to host missionaries who will lead us in a missions conference. The date of our semi-annual meeting was changed to reflect the date of the conference. The October 19th 2004 date will be the final night of the missions conference and will be a time of celebration. In light of the program change we feel that the regular sermon offered by the preacher or alternate would be better utilized at the spring 2005 semi-annual meeting.

A. The committee recommends that the semi-annual spring meeting of 2005 be held at Etowah Baptist on April 26th; the preacher for that meeting is Sam Boyd, Pastor of First Baptist Hendersonville, and the alternate preacher is Richard Merck, Pastor of Naples Baptist Church.

B. The committee recommends that the semi-annual fall meeting of 2005 be held at First Baptist Fletcher on October 18th; the preacher for that meeting is Richard Merck, and the alternate preacher is Mike Smith, Pastor of Fruitland Baptist Church. Motion passed with no opposition.

18. Resolution Committee – given by Paul Black. The committee decided to bring only one resolution and that is one of thanksgiving:

Resolution of Thanksgiving

WHEREAS, God has continued to lead the churches of the Carolina Baptist Association, and WHEREAS, the power of the Holy Spirit has been manifest in these same churches, and WHEREAS, souls have been saved, saints have been edified, and worship of God has been living and powerful, and WHEREAS, faithful leadership have been demonstrated in our association, and God has moved through the Carolina Baptist Association both here and abroad, BE IT RESOLVED, that we publicly glorify God and give Him all honor and praise for what He has and is accomplishing through the churches of the association, BE IT FURTHER RESOLVED, that we voice our gratitude and appreciation to the First Baptist Church of Saluda and their pastor, Paul Black, for their gracious hospitality in hosting the One Hundred Twenty-Seventh semi-annual meeting of the Carolina Baptist Association on April 27th, 2004. BE IT FURTHER RESOLVED, that we express our sincere appreciation and thanks to Dr. Henry (Sandy) Beck, III, Director of Missions, Mrs. Paula Janes, and Mrs. Linda Marie Phillips, Administrative Assistants, for their leadership, hard work, and excellent service to our association, BE IT FURTHER RESOLVED, that we express our gratitude to Rev. David MacEachern, Moderator and Dr. Victor Rampey, Association Music Director, and others who have worked faithfully to assure this successful meeting.

This resolution was heartily received by the congregation, and passed with no opposition.

19. Jesus Video Project – given by Chuck Miller. Thanks to all who helped to bring to completion the distribution of 51,167 DVD's, they are now in people's homes. We have a shortfall in funds of $22,000 which we hope that churches will continue to give to pay off. The next phase of the project will be our real work which will involve many of you. It is the follow-up. Training for the follow-up is set for Thursday, May 6th, at Mud Creek Baptist, 5:30 to 8:00 pm. This will be conducted by Mark Hunnicutt and Greg Mathis. Then again on Saturday, May 8th, 9:00 to 11:30 am at the CBA Resource Center. We are setting up a data base with names, phone numbers, and zip codes to divide up the county according to the location of the churches. We also want to create a status chart of those who have been contacted and who have been saved so we can learn some of the results of this project. So please try to come

to the training. We are also swapping some of our DVD's with other counties who sent out videos so that the people who do not have DVD players can get a video.

20. Harold McKinnish asked that Brother Sandy give an explanation of the funds which we have and how we came to have these funds. Brother Sandy asked that Paula do that as she is the Financial Manager. Paula came to the podium and asked that everyone turn to page 4 of the program. This is the money that comes in monthly for the day to day expenses of the association. On page 7 the money that is in the NC Baptist Foundation is money we received from the sale of Camp Bearwallow and an endowment from Mr. Frank Neville. You will note a principle amount and a balance amount. The difference of these two is what we use for the scholarships. Also, a dividend check is received twice a year for scholarships. Scholarship priorities are: One – camps, Two – mission trips, Three – education. A limit of $500 is set on priorities two and three. Forty or fifty camp scholarships were granted in April.

21. Enrollment Report – given by Jana Jones. Tonight we have registered 77 messengers and 79 visitors for a total attendance of 156.

22. Special Music – by the Living Water Baptist Church Choir. They sang "Praise the Lord Almighty."

23. NC Baptist Foundation Report – given by Representative David Webb. David brought greetings from the State Convention Office. Because of our planning we were able to grant 174 scholarships as of last November for year 2003. He congratulated us on the wise use of our money for the Kingdom of God. He works with churches and individuals to set up their finances so they can do exactly what we have done here. to establish wills and TNT – Tithing Now and Tomorrow. He then explained how people can keep on tithing after they are in heaven – if they will only plan for it before they go to heaven.

24. Celebrate Jesus Event – by Gayle Brown. This event is on May 23, 2004. Flyers were available to take back to our churches.

25. Offering was taken for new church starts, $386.00 was collected.

26. Introduction of speaker by Paul Black.

27. Sermon by Mike Stewart. He began by showing a DVD "Life Reality" clip. Life will not stop; it is rushed, aggravating and stressful. We keep our sanity by stopping and worshipping. To worship Jesus should be called, "The Art of Worship." The choir from Living Water sang another special as part of the sermon. The main points of his sermon were:

*A fixed focus on God
*Singing songs "to" God
*Giving our resources to God
*Giving our service to God
*Giving our hearts to God

Following the sermon, the Moderator entertained a motion to adjourn. The closing prayer was by the Moderator.

EXECUTIVE COMMITTEE MINUTES
July 27, 2004

The meeting was held at the Resource Center and called to order by Moderator David MacEachern. The opening prayer was by Paula Janes. Copies of the minutes from the last meeting, February 3, 2004, had been given out for all who were present to read over. There were no additions or corrections. David asked that they be approved as printed, the vote was taken and they stood approved.

Financial reports had also been given out. Patricia made one correction on the top of page 7; the date of the withdrawal should have been "end of June." There were no questions and the report was approved.

For year 2004, 52 churches gave $96,193.04 as of June 30th.
YTD 2003, 50 churches gave $90.812.10.
General Fund ending balance $4,669.49.
Money Market balance $97,973.85.
Designated Checking balance $36,362.76.
Endowment Money Market Balance $321,624.34.

Old Business

Patricia Myrto showed a picture of the Tract Rack located in the Four Seasons Mall at the Open Door. She is keeping up with the tracts taken, people are taking the tracts and that is what we had hoped for.

New Business

Baptist Men Report given by Mike Nelson – He is excited to see so many from our association going on mission trips. The group that recently went to Alaska to help the Lighthouse Community Church did a great ministry for them. The Lighthouse Church is a wonderful ministering church to that community.

WMU Report given by Laurena Helms – They are doing their normal projects. August emphasis is the Open Arms Crisis Pregnancy Center. They are busy collecting deodorant for the Women's Prison Ministry. The goal is to collect 500. It can be bought for $.79 through someone special if people would want to give money. The deodorant needs to be in Raleigh in October so the cut-off time to bring it in will be sometime in September. Some people who attended the last State Convention meeting said that the highlight of the convention was when a woman gave her testimony about being saved because of the WMU Women's Prison Ministry.

Director of Missions Report

1. **The World Missions Conference** will end with the Associational Meeting on October 19, 2004. The churches are slow to respond for participating in the conference. We have missionaries coming from four countries. We may get some from the State Convention. We are trying to meet the needs of the church. On the night of the Associational meeting we will have a speaker from the IMB and a speaker from NAMB. It will be a true mission's celebration. Displays of local and state ministries will be all around the room in the gym of First Baptist. The purpose of these displays is to show things we do here and in the state, national and international.
2. **Dr. Jerry Rankin**, president of IMB, will be speaking at First Baptist on December 12th, and we are planning to have him speak on Saturday night December 11th in an association wide event. The Association Council has approved this. Dr. Rankin is president of the largest mission board in the world.

Other Business

Frank Tantillo member of the Jesus Video Project Team was recognized to talk about the follow-up. The intention of the project was to put a video in each home (53,000 plus) with a cost of $150,000, $22,000 is still needed to finish paying off the debt. We had 106 churches participate. The Hendersonville County area has been divided into six teams to do the follow-up. We were able to find a data base of names and phone numbers. Then we came up with the questions to ask people. Then we printed the sheets with names and phone numbers and the questions to ask and handed them out to the team captains. Each team captain has five churches to contact. We have had some disappointments because some churches backed out of doing the follow-up. We still have videos that can be exchanged for the DVD's.

Jana was asked to give the attendance report at this time. We had 10 churches represented with 12 people present.

Mike Nelson had a prayer request. He said for us to pray for the State Convention as they make the decision for a new partnership as this is the last year in our partnership with Alaska. Since we have been going there it is reported that churches have been growing and bars have been closing. Praise the Lord.

A motion to adjourn was made, seconded and the closing prayer was by Moderator, David.

Carolina Baptist Association Semi-Annual Meeting
Fall Session October 19, 2004

1. The Fall Session of the 127th Annual Meeting of the Carolina Baptist Association and World Mission Conference met at First Baptist Church Hendersonville at 3:00 pm.

2. The meeting began with a mini concert by Music Evangelists, Bob and Betty Bynum from Albuquerque, New Mexico. This was followed by Victor Rampey leading the congregation in the hymn, "Send the Light." Since this meeting was also the end of our World Missions Conference, the theme for the evening was "Jerusalem, Judea, Samaria and the Uttermost Part of the Earth" taken from Acts 1:8. There were approximately 40 displays around the room. All displays related to missions in some way.

3. The welcome, scripture reading and prayer were given by host pastor, Sam Boyd.

4. Moderator, David MacEachern declared the 127th fall session of the Carolina Baptist Association open.

5. The Moderator then asked that the Book of Reports be adopted. A vote was taken and passed unanimously.

6. Patricia Myrto was recognized to present the Treasurer's report. As of September 30th, year-to-date contributions were $146,849.70 from 54 churches. General fund ending balance was $4,485.23, Money Market balance $98.898.81, Designated Checking balance $20,231.37, NCBF Endowment (mkt. value) $317, 112.68. Our Association had an audit done of the financial records which Paula keeps; it was reported to be exceptional. If anyone would like a full report they can receive a copy from Paula.

7. The Moderator then asked if there was any miscellaneous business from the floor. There was none so he asked Branton Burleson to give the Nominations Committee report. The committee had only one name to present -- Becky Turpin for the position of Associational Clerk. The motion was seconded and passed. Melanie Love served as the Chairperson for this committee.

8. Mike Smith was recognized to present the Committee on Committees Report. This report was printed on page 4 of the Book of Reports. New members were elected to the Constitution, Finance, Membership, New Work, Nominations and Ordination Committees. The motion was seconded and passed. Mike served as Chairman of this committee.

9. Mike Smith was recognized to present the Proposed Budget for 2005 printed on page 10 of the Book of Reports. There was an increase of 6% overall. The motion was seconded, and passed. Mike served as Chairman of this committee.

10. Joe Mullins gave this report for the Membership Committee: The Membership Committee has one point of information and one recommendation for consideration today. Information - We have received an official request from the Berea Baptist Church to be removed from the membership of the Carolina Baptist Association. He then read a portion of the letter stating their desire was made with no ill will or feelings. Recommendation -- The Committee met with the pastor and other representatives from the First Baptist Church of Mills River. This congregation has met the requirements of our Constitution Article III, they have agreed to the doctrinal beliefs of the Southern Baptist Convention as reflected in "The Baptist Faith and Message." This church voted favorably on August 22, 2004 to request membership to the Carolina Baptist Association. Your committee upon interviewing the Pastor, Rev. Mike Willoughby, and its representatives, unanimously recommends that the First Baptist Church Mills River be received under "watchcare" status. This will be for a period of one year and the church will be eligible for full membership fall, 2005. During this one year period they will have all rights and privileges of membership except for voting rights or the opportunity to hold office. Moderator then asked if anyone had any comments before the vote was taken. Rev. Mike Smith, Pastor of Fruitland Baptist Church asked to comment. He said his concern was over the fact that this church came from a split and he was concerned that there would be some hurt. He would like to see us attempt some reconciliation. In response, Rev. Mullins said the committee had the same concern and the committee did their best to discover their true intention and motivation. This motion was seconded and passed.

11. Paul Noe was recognized to give the Association Council Report: He said that two topics had taken the Councils attention quite a bit this year, The Jesus Video Project and the Missions Conference. You may look on pages 11-14 to see all the scholarships that were granted this year. Our Association is so blessed to be able to do this; however, on October 1, 2004 we declared a moratorium on priority 2 and 3 requests. There are three reasons for this 1) depletion of escrow account, 2) the increase of applicants, 3) and decrease of interest rate. This will give the fund time to replenish by spring when we will be receiving camp scholarships again. Priority I will remain the same.

12. Report on Resolutions by Paul Black. The Committee prepared two resolutions to be voted on.

1. Resolution of Thanksgiving, WHEREAS, *God has made His presence manifest in the churches of Carolina Baptist Association, AND WHEREAS, the power of the Holy Spirit in these same churches has brought salvation to the lost and power to the saints AND WHEREAS, the churches of the Carolina Baptist Association have faithfully committed themselves to living faithful, vital worship, AND WHEREAS, consistent faithful leadership has been demonstrated in our association, and God continues to move through the churches of the Carolina Baptist Association, BE IT RESOLVED, that we publicly recognize the truth of Jesus' words in John 15:5, " without Me ye can do nothing" and that we give all honor, glory and praise to Jesus (Christ for what He is accomplishing through the churches of the Carolina Baptist Association, BE IT FURTHER RESOLVED, that we voice our gratitude and appreciation to The First Baptist Church of Hendersonville, and to their Pastor, Sam Boyd, for their gracious hospitality in hosting the One Hundred Twenty-Seventh semi-annual meeting of the (Carolina Baptist Association on October 19th, 2004. BE IT FURTHER RESOLVED, that we express our sincere appreciation and thanks to Dr. Henry (Sandy) Beck III, director of missions, Mrs. Paula Janes, and Mrs. Linda Marie Phillips, administrative assistants, for their continued faithful leadership, hard work, and excellent service to our association, BE IT FURTHER RESOLVED, that we express our gratitude to Rev. David MacEachern, moderator, Rev. Roy Perry, vice moderator, and Dr. Victor Rampey, association music director, and all others who have worked faithfully to assure this successful meeting.*
This motion was overwhelmingly passed.

2. *Resolution on World Missions, WHEREAS, the churches of this association recognize that Matthew 28:19-20, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you. . ." is a universal command and priority for the church throughout the ages, WHEREAS,*

John 14:6, "I am the way, the truth, and the life: No man cometh unto the Father, but by me. "Demonstrates that a living, vital relationship with Jesus Christ is the only path by which the people of this world can inherit eternal life in Heaven, WHEREAS, current evangelization efforts by the church have not kept pace with the rapid expansion of the world population, the result being that the percentage of the world evangelized for Christ has actually fallen, WHEREAS, persecution of the church worldwide has increased dramatically in the last 100 years, the result being that more saints have been martyred for their faith in the last 100 years than in the previous 1900, BE ITRESOLVED, that the churches of the Carolina Baptist Association redouble their efforts to bring the lost to a saving knowledge offJesus Christ in our communities, our state, our nation, and the world. BE ITFURTHER RESOLVED, that the churches of the Carolina Baptist Association commit themselves to faithfully pray for the lost, both at home and abroad BE IT FINALLY RESOLVED, that the churches of the Carolina Baptist Association commit themselves to furthering the Gospel both at home and abroad through both spiritual and material means, as God leads each individual church.

This motion was overwhelmingly passed.

13. State of the Association report given by Director of Missions, Sandy Beck. It has been an excellent week with missionaries from the state, from the North American Mission Board and the International Mission Board. Thank you to the churches who participated and to those who put up displays. We have about 40 displays so please take time at supper to see them. We are so happy to have been able to have planned this for you. CBA only exists to assist churches and I am here only to serve you. Sandy then recognized the Baptist State Convention employees who were present. Richey Gilmore from the Baptist Children's Homes came and extended an invitation for everyone to come to the annual celebration to be held on Thursday of this week at the Broyhill Home in Clyde.

We had special music at this time by Julia McCloud who sang in Chuck Lusk's place.

14. Carrie Belle Barton was recognized for the Dedication of the Associational Annual for 2004. IN LOVING MEMORY – of Rev. Zeke C. Crawford. Zeke was a native of Portsmouth, Virginia. After serving with the army in Japan and returning home to private business, God called him to the ministry. He was a graduate of the Fruitland Baptist Bible Institute and Moody Bible School. He served three churches in Virginia and three churches in NC (two in our association-Mills River and Bat Cave); and served as interim at several of our other churches. In 1992, he became co-associational missionary of our Association with Dr. Alex Booth. After the death of Dr. Booth, Zeke served as Interim associational missionary until March 2000. I am sure you recall how he always referred affectionately to Doris as his first wife (really his one and only wife), who served faithfully with him. How he could say GLORY!. Every time I hear that word I think of Bro. Zeke Crawford.

IN HONOR OF - Dr. Henry S. (Sandy) Beck, III. A gentlemen from the deep south who always had his eyes on the mountains and a heart to serve God in the mountains. He is a native of Dublin, Georgia, and began his Christian ministry in 1973. This is another proof of something good coming out of Georgia! He has served in many capacities - director of youth, music, education, athletics, outreach, and as associate pastor and executive pastor. Now he is serving in the mountains of Carolina as Director of Missions. He has been here since March 2000. He has received training at several colleges, universities, and seminaries (too many to mention here) but among them North Greenville College, New Orleans Seminary, Trinity College and Theological Seminary. He believes training and education should continue through life - there is no end. He wants believers in our churches to have opportunities for training and learning how to do their service through their churches and communities better to honor God as they share Christ with others. He has visited all the Baptist churches in our association and knows the pastor of each church. We have 63 churches currently, and he has the desire to plant new congregations, new churches, and to make available places where the lost can hear the Good News and know what Jesus has done for them. He has been instrumental in obtaining the best of equipment for our associational office - he could not improve his helpers - Paula Janes and Linda Marie Phillips - but he has given them the best of high-tech equipment (some of which only they know how to operate!). His wife, Anne, serves faithfully with him.

This motion was passed by everyone in favor saying "glory."

15. Dr. Beck presented certificates from The International Mission Board to two churches. First Baptist Hendersonville was awarded one for giving the most money to the Lottie Moon Christmas Offering and was accepted by the Pastor, Sam Boyd. The next one was give to the Fruitland Baptist Church for giving the most per capita and was accepted by the Pastor, Mike Smith.

16. The Moderator now recognized Mr. Kenny Young, principal of Hendersonville Christian School. Mr. Young said he appreciated the opportunity to say thank you for the support given to him and the school. He told how seven years ago he had followed the Lord leading him to Budapest, Hungary to set up Christian schools there. He was there for five years. He said there was over 1,000,000 children in Christian schools across the US today. The name of the school has been changed from Faith Christian School to Hendersonville Christian School. He is excited about being part of this association.

Testimonies:

17. Jana Jones gave information about the International Service Corp and Mission Service Corp. Have you ever needed a helper in your ministry or on your job? Our missionaries need helpers also. They contact the International Mission Board or the North American Mission Board for help in finding volunteers who will come and be helpers to them. So, if you are unemployed, retired, or can be away for your job for four months up to two years, please consider becoming a Mission Service Corp volunteer with NAMB or an International Service Corp volunteer with IMB. These volunteers are self-supporting. You can call the Boards and get information about being a volunteer or our Associational Office has information. For those of you who have access to a Mission Mosaic Magazine, you will see the names of these volunteers on the prayer calendar with the letters MSC or ISC next to their name. So, when you are praying for the missionaries on their birthdays, you are praying for these volunteers also. You do not have to be gifted or talented to become a MSC volunteer or a ISC volunteer because God can use anyone who is open and willing to serve in advancing His kingdom.

18. CBA Mission Scholarship Recipient - Tony Birkhead gave this testimony. Two months ago I was able to go on a mission trip to Costa Rica. Thank you for the scholarship which made it possible for me to go. Some young people went also and they took the

movie "Searching for Nemo" to show to children. About 500 children were in attendance for the movie. The young people then shared that Jesus was searching for them. About 100 children were saved that night. Praise the Lord and again thank you.

19. A video about the Fair Ministry was shown. It explained the history of this ministry which began in 1990 with one association and has now grown to eight. The fair is a mission field when it is in town. Five basic ministries take place each year: 1) The Break Tent: 2) Mission Booth; 3) Witnessing Booth; 4) Disaster Relief; 5) Medical & Dental unit. Most of the ministry is done for the fair workers who say we are the only people who care about them or loves them. This ministry is funded in part by the NC State Missions Offering and by the associations who participate. Our association is the 2nd largest contributor. Carnival workers remember us because we care.

Supper Break

Evening Session

The evening session began with music again provided by Bob & Betty Bynum.

The Moderator, David MacEachern then thanked the cooks for the delicious meal and asked for a round of applause for them. David led in prayer.

20. David then recognized a student from the Fruitland Baptist Bible Institute, Ishmael Mwilima from Tanzania. East Africa. He is from a Muslim family. He said it was against the law to preach about Jesus where he lived because it was controlled by Muslims. Missionaries went there from Black Mountain and when he met them they asked him to come to their home. He went and they talked to him about the Bible and Jesus. He visited them for three days before he understood the gospel and was saved. He waited three weeks to tell his parents that he believed in Jesus. His father told him to leave he could not live there anymore. When he came to the US he was unhappy. unable to speak English and homesick. But now he is very happy that he came and he gives thanks to Jesus for helping him to adjust, learn the language and go to school at Fruitland. He asked us to pray for his parents and his country.

This ended the testimonies.

21. Recognition of new staff: Don Porter, Music Minister at Naples; Greg Neely, Youth Minister at Bat Cave.

Jerusalem (Hendersonville)

22. Daniel Mercado, Pastor of La Comunidad Internacional Fellowship was introduced. Daniel shared that the Lord had impressed on him to pray early in the morning everyday because Christ is coming soon. In Hendersonville there are 28 countries represented. The best way to reach them is to ask God to use us. He is grateful to the East Flat Rock First Baptist for opening their doors to them. We are touching nations. Daniel then showed a short clip of the history of La Comunidad which was a part of the State Missions emphasis in September. Daniel has been in the US for eight years and he has learned to preach in both English and Spanish doing his own interpretation as he speaks. The ministry is a ministry that brings families together. God has called us to minister to the world not just one race. He thanked everyone for praying for them. The church has many challenges, the building is small but he knows God has called him to preach and that is what he is going to do. Daniel then asked some of his members join him in singing a song.

Judea (The State of NC)

23. Laurena Helms, Associational WMU Director gave this report: The Woman's Missionary Union is an auxiliary to the Southern Baptist Convention and has been since its formation. Everything we do is involved with missions. Our preschoolers "Mission Friends" study about our missionaries and how they live in foreign countries and win people to Christ. Elementary age children "Children In Action" and "Girls In Action" not only study about our missionaries they participate in an annual camp-out and visit nursing homes and shut-ins. High School "Youth On Mission" and "Acteens" participate in mission trips and local missions helping the elderly and handicapped around the home. "Women On Mission" promote mission offerings, pray for missions and develop a missions lifestyle. We recently collected more than 700 deodorants fulfilling our part in the Women's Prison Ministry Christmas Project. We are collecting new toys for the Christmas Toy Project that helped over 100 children locally last year. We promote the Lottie Moon International Mission Offering, the Annie Armstrong Easter Offering for North American Missions, World Hunger Offering, the North Carolina State Missions Offering, plus offerings for the Children's Homes, Retirement Homes, the Baptist Hospital and individual local mission projects. We would like all of our churches to join us in doing missions. Now, I would like to introduce Sandy James, our president of North Carolina WMU.

Sandy James came to the microphone and gave this message: Greetings to you from Raleigh, thank you for letting me come and speak to you. We have 120,000 women and children in NC in WMU programs. We are in the business of changing lives. We teach people to live a mission's lifestyle. We give women opportunities to serve others and to do leadership training. We offer an annual Extravaganza where 2,000 women gather to train, fellowship, and meet missionaries. We have 1,500 GA's and Acteens who come to Mundo Vista for camp. Two hundred of them have been saved while at camp. Lives have been changed through the Women's Prison Ministry. One inmate whose life was changed is now a counselor at the retreat. Gifts to inmates are put in red boxes, and the women say that is the only gift they get at Christmas. The Job Corp changes lives through training and job sites. Women who would have been on welfare have the opportunity to work and have a better living. Local, state, national WMU will never change our focus on missions and changing lives.

24. Mike Nelson, Baptist Men Director gave this report: I thank the Lord for what He has done; I have seen Him at work. I also thank the Carolina Baptist Association for the opportunity to serve as Baptist Men's Director. We have been involved in so many ministries; I will only talk about two. In our partnership with Alaska, I have gone there for three years. In my former life I hated Christians and churches; I wanted to tear them down. Now I am helping build them in places like Healy, Palmer and Kiska, Alaska. Locally, we helped build a house in Saluda, a church in our county, and sent care packages to foreign countries. In the state our disaster and relief ministry helped people near the coast after hurricanes. We are going to have a new partnership with the state of Vermont. It is the second largest state with unchurched people. A historical church and parsonage has been given to the Vermont State Baptist Convention. Teams will go and help remodel it. If you want to help the people in Clyde you can take the disaster trailer and go

over there for a day because it is only one hour away. The ministry is already in motion; you can call Gaylon Moss the BSC or go to their web site.

25. An offering was taken for the speakers of the World Missions Conference. Joe Mullins led the prayer.

Uttermost Part of the Earth

26. Gary Letchworth who works with Evangelism Explosion International came to introduce the next speaker. He said he had known Nickolay for eight or nine years. Nickolay holds several degrees and was a professor at a university. Thousands of Eurasians are now saved due to his ministry with Evangelism Explosion. He is half Russian and half Ukrainian. Please welcome Nickolay Revtov, the Eurasia Vice-President/Director of Evangelism Explosion.

27. Nickolay began by saying "It is the right time to reach people. Do you remember how Paul got a vision of Macedonia? Where is your Macedonia? Is it NC or maybe in Russia?" Nickolay then gave his testimony of how he, a communist, had a plan for his life and what he wanted to accomplish and change the world. But he was missing the best degree - BA - born again. God worked through his trips to China, a free offer for a Bible and a missionary who was the vice-president of Evangelism Explosion to help him find Christ. After his conversion he felt God call him to full-time Christian ministry. At first he said no, because he didn't want to leave his career. But God said, "If you will follow me, I will be with you." His Macedonia is Russia. Both of his sons also work in EE. A map of Russia was projected on the screen. He said Ukraine had the most religious freedom of any of the states. They are sending out many missionaries to the rest of Russia. Two important questions he must ask are: 1) What is God doing? 2) How do you relate to what God is doing? In Russia we do not say Evangelism Explosion, we call it Heart-to-Heart. He felt most fortunate to come here to be a part of our World Mission Conference and thanked us all for our kindness and prayers.

28. Tim Locher, a trustee for the IMB, and a member of First Baptist Hendersonville, was asked to come and share some words. He said the budget for IMB this year is $273,000,000. The goal for Lottie Moon last December was $133,000,000 but actually $136,000,000 was received so the missionaries who were trained and ready for appointment were able to be sent. We now have 5,411 missionaries on the foreign field. This year 1,600 people want to be sent out, but we will have to wait and see how God works this year. Thank you for your support and prayers.

We had special music by Wally Shamburger at this time. He sang, "Thank You"

Samaria - North America

29. Dr. Beck came to introduce our last speaker, Richard Harris, who works with the North American Mission Board. Mr. Harris began by saying that he travels a lot and doesn't experience this common goal and feeling of desire to reach the world very often as he has here tonight. His scripture was Acts I: 1-8. Seven out of ten of us in Southern Baptist churches today do not have a relationship with Jesus Christ. We now have one church for every 5,800 people in our country. It is time for us to get up and go on. We have 5,300 missionaries here in North America. How do we reach the unchurched? You will receive power. If we read through the book of Acts we would find that the number of people added to the church by the end of the book would be as many as 250,000. How? The witnesses received power! Jesus gives the power. When are we going to do it? Jesus told them to go he would provide the power. People all over are in desperate need. He then related two personal stories - one of how an elderly couple decided to not commit euthanasia after he had preached a sermon about moral values; then, how he had gone to Puerto Rico and thought there was no power until he surrendered to doing as the Holy Spirit directed him and then he led a man named "Herb" to the Lord. The power is available we just have to be willing to follow.

30. The Moderator - David came and gave an invitation saying we should be filled with the power, spirit and compassion of Christ. Most everyone gathered at the front, held hands with someone near them and prayed.

31. Following the prayer, Jana Jones, Associational Clerk, was asked to give the enrollment report for today's meeting: We registered 92 messengers, 83 visitors for a total of 175.

The meeting then stood adjourned.

ASSOCIATION REPORTS

Annuity Board

Johnny Ross

After a tumultuous three year period resulting in a dramatic economic downturn which adversely affected retirement accounts of millions of Americans a dramatic rebound occurred during the last year. As a result, the asset base of the Annuity Board gained over 1 billion dollars in one year for the first time since the Annuity Board was established in 1918 to serve ministers and employees of the Southern Baptist Churches. Many participant accounts recouped much of the funds which evaporated during the downturn.

Secondly, the ongoing national health care crisis continues to present serious challenges to our churches who strive to be responsible employers by providing adequate medical insurance in a rapidly escalating cost environment. The Annuity Board responded this year by offering new medical insurance plans. Along with the new plans, the Board emphasized a three-step approach to address the rising cost of health care. First, managing costs and create a plan to provide more options. Second, develop healthy habits. Third, encourage churches to provide medical coverage as a benefit rather than part of the salary package. Church employees who live within the constraints of an antiquated "pay package" approach have seen a dramatic decline in disposable income if they have tried to maintain adequate medical insurance for themselves and their families.

Thirdly, the Annuity Board gained permission to serve evangelical ministry organizations outside the SBC and to change the official name to GuideStone Financial Resources of the SBC. The name change will become official with an affirmative vote at next year's annual convention in Nashville, Tennessee.

Fourthly, the Endowment ministry of the Annuity Board continued it's work to make Southern Baptists aware of the tragic plight of retired ministers and their widows who were unable to plan adequately for retirement. Individuals and churches responded with open hearts and open hands as they helped underwrite the financial assistance given to those who are in desperate need. More than 3,000 persons in our convention presently receive financial assistance with 335 residing in NC.

As of May 31, 2004, North Carolina participants in the retirement plan moved above 5,200 in 2,332 (61%) of our churches. Our goal is to have all of our churches participating in the retirement plan.

In closing, we remain committed to serve all of our churches, ministers, and other church employees. For more information call 1-800-395-5102 ext. 320 or 321, visit our web site at www.bscnc.org, call the Annuity Board at 1-800-262-0511, or visit the Annuity Board web site at www.absbc.org.

Associational Council Report

Paul W. Noe

Our Associational Council faithfully meets on a monthly basis to discuss the business, ministries, and work of the Carolina Baptist Association. This year two of the exciting topics of discussion have been the "Jesus" video project and the World Missions Conference.

On October 1st a period of moratorium began on the Associational Missions (Priority 2) and Educational Scholarships (Priority 3). This decision became necessary due to a rapid depletion of funds, low interest returns on the NCBF endowment account, and a continued increase in applications. The Associational Council along with the Screening Committee felt that this action was necessary in order to protect the account of its original intent of providing camp scholarships for children and youth. Camp Scholarships (Priority 1) remain active and are not affected by this action. During the 2005 Spring Associational meeting, a report on the status of the situation with recommendations concerning future guidelines for granting scholarship funds will be given. Individuals and churches, who desire, are encouraged to contribute to the scholarship endowment account. These gifts are an investment into the Kingdom of God, missions, and the work of the Carolina Baptist Association. These financial gifts should be above the regular contributions to the annual associational budget.

The Associational Council affirms and appreciates the ministry and leadership of our Associational Director of Missions, Dr. Henry "Sandy" Beck We express our gratitude for his "labor of love" among Carolina Baptists.

Baptist Children's Homes of NC

Judy Sinyard

Above and beyond...describes what NC WMU did last year! Towel drive in the spring, prayers continually, monetary donations, gifts of food, sheets, school supplies and clothing. These were showers of blessings due to a budget cut. Churches also played a big part as they joined our first ever Food Roundup.

Director of Missions opened their doors as collection points. Churches delivered foods collected. Trucking companies donated their services. This food drive saved BCH more than $250,000 in the first nine months.

United together, NC Baptists not only met our 2003 Thanksgiving goal...but exceeded it!

BCH is at the center of NC Baptist's hearts. Our children and staff, the people in your communities, and the citizens of NC saw Jesus in action and our Heavenly Father was glorified!

Shine your light...the theme for our 2004 Thanksgiving Offering will continue to reflect our love and prayers for BCH, their unconditional love to continue their opportunity and dedication to the children and hurting families of Western North Carolina and around our state.

We are also accepting food cards with the rising price of food.

Plan to participate in our 2005 Food Roundup in early April.

Thank you! Thank you! Thank you from BCH and myself for a job loving done. May God bless each of you!

Baptist Retirement Homes of NC

J. Luther Osment

All of your gifts through the Cooperative Giving Plans of the Baptist State Convention, through the February NC Offering for Older Adults, and through direct gifts from the churches are designated to provide care for those who otherwise could not receive care. Many of our Assisted Living care residents and the majority of our Nursing Care residents receive financial assistance from you. Furthermore, our promise to each of our residents is care that will last for as long as they live.

At the Western North Carolina Home in Asheville...at Brookridge Retirement Community in Winston-Salem...at The Taylor House in Albermarle...and at the Hamilton Baptist Home in northeastern NC, beauty, security, and comfort are found in full measure.

At each of the Homes, the ministry of a Baptist Chaplain lifts the hearts of our residents. The enrichment and recreational opportunities at each Home make for an enjoyable lifestyle. Day after day the high quality of care that is given speaks of the care of a loving Heavenly Father, helping to make life for our Aging Saint....The Best of Times!

Church Media Library Ministry

By Janet Allman & Hazel Duncan

Faith Searcy has actively served the Carolina Baptist Association Church Media Library Ministry Organization for over 25 years. Her enthusiasm, knowledge and dedication have been freely shared with those who ask for assistance.

During a time of training she served as Assistant Director and then as Director. She regarded these training opportunities as preparation to serve her church, Balfour Baptist, the association, NC Baptist Convention, and the Southern Baptist Convention. On the state level she served as a Regional Representatives for nine associations.

This year Faith will step down as Assistant Director. Thank you, Faith, for a job well done. And God bless you as you continue your ministry in your local church.

Hazel Duncan's Church Media Library Ministry got off to a good start and then had to be put on hold because of surgeries, fractures and recuperation. She is back in circulation now and plans to resume her ministry. Church Media Directors will be hearing from her to set up appointments to visit their Media Library Centers

We express our deep appreciation to those Church Media Library Ministry Directors who have served in their churches in the past and continue to serve. We welcome the new directors who began their ministry during the past year:

The Associational Church Media Library Ministry Organization officers — Janet Allman, 697-1103, and Hazel M. Duncan, 693-6593, are available to assist in any way when requested. CALL US!

The Cooperative Program

William W. Willingham

Southern Baptists have been partnering together to reach the world for Christ through Cooperative Program Missions since 1925. Cooperative Program Missions have united Southern Baptists into a missions team fulfilling the Great Commission. Jesus gave us the Great Commission in Matthew 28:19-20. He said:

> "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; Teaching them to observe all things whatsoever I have commanded you; and, lo, I am with you always, even unto the end of the world. Amen."

There are more than 16.3 million members in approximately 43,024 churches in all 50 states and Canada in the Southern Baptist Convention. These churches are working together through approximately 1,194 associations, 40 state conventions, 1 fellowship, and the Southern Baptist Convention to achieve through voluntary cooperation far more than they ever could do individually.

In large part, the Southern Baptist worldwide missions endeavor is funded through the unequaled, effectual, and fair Cooperative Program. In the Cooperative Program, a part of the undesignated tithes and offerings of members received by Southern Baptist Churches becomes Cooperative Program dollars. It is noteworthy that in 2003 these churches gave over $501 million through the Cooperative Program to their state conventions to support work within the state and the Southern Baptist Convention.

As decided by messengers to the annual meeting of each state convention, a percentage of these Cooperative Program dollars is sent to the Southern Baptist Convention Executive Committee for distribution to Southern Baptist Convention causes. An average of 63 percent of total Cooperative Program receipts was used for state convention ministries, and roughly 36 percent was forwarded to the Southern Baptist Convention for national and worldwide ministries in 2003.

The Cooperative Program begins with you. You give yourself first to God. Out of thankfulness and obedience to God for what He has done for you, you commit to give back to Him, through your church, a portion of what He has given to you. Your church determines the next step. Every year your church decides how much of its undesignated offerings will be committed to reaching people in North Carolina and around the world through the Cooperative Program Mission. This amount is then forwarded to the North Carolina State Baptist Convention.

To help Cooperative Program Missions reach its potential, every one of us should do three things: In the first place, we should pray regularly for our Southern Baptist missionaries In North Carolina and around the world. In the second place, we should determine that we arc going to go. All of us need to be involved in some kind of missions endeavor. In the third place, we need to give. Out of our love for the Lord, we should give regularly to Him through our church. Anyone who is not tithing should begin to do so, and, in so doing, they will discover the blessings of giving beyond the tithe.

Council on Christian Higher Education

Clella A. Lee - President

Five institutions that define the spirit and commitment of NC Baptists draw their very essence from the NC Baptist State Convention. an institution that was created in part to fulfill the mission of Christian higher education in this state.

Begun in 1830, the Baptist State Convention has poured love and devotion and care into the pursuit of offering only the finest in college education.

Campbell University. Chowan College. Gardner-Webb University. Mars Hill College and Wingate University are the five institutions affiliated with the convention. With the support received from the convention through scholarships. resources. prayer, encouragement and leadership. these institutions grow stronger each year in reputation, prestige. character. quality and respect.

Gifts to the Cooperative Missions Budget of the BSC of NC last year made it possible for 499 members from 316 convention related churches to attend our five affiliated institutions of higher education. Some of the recipients would not have been able to pursue their dream of a degree from an accredited college or university without the financial assistance provided by generous Baptists like you.

Discipleship Report

Branton Burleson

The highlight of this year's associational discipleship activity was the 1st Annual Church Revitalization Conference hosted on the campus of Fruitland Baptist Bible Institute. The purpose for organizing this conference was to address relevant issues facing today's local churches. The hope and plan is for this conference to become an annual event to encourage and promote healthy spiritual growth in all Evangelical churches, especially those of Southern Baptist affiliation.

The guest speaker for the 2004 inaugural conference was seminary professor, conference speaker, author, and former pastor, Dr. Don Whitney. Dr. Whitney has been Associate Professor of Spiritual Formation (the first such position in the six Southern Baptist seminaries) at Midwestern Baptist Theological Seminary in Kansas City, Missouri since 1995. He is the author of Spiritual Disciplines for the Christian Life, How Can I Be Sure I'm a Christian?, Spiritual Disciplines Within the Church, Ten Questions to Diagnose Your Spiritual Health, and Simplify Your Spiritual Life.

This first conference addressed the two crucial topics of church discipline and congregational worship. Dr. Whitney approached, examined, explained, and applied his content with great care and clarity. All those in attendance were greatly blessed by the conference. Attendance was especially strong for a first-time event. Approximately 50+ people came to hear Dr. Whitney teach these biblical, but often neglected and overlooked, subjects. If you were unable to attend the conference sessions. taped copies of each session may be obtained from the CBA resource center. Please contact myself or the office for copies to be mailed directly to you.

Plans are already being made for the 2nd Annual Church Revitalization Conference in Spring, 2005. One potential speaker *is* Dr. Mark Dever, pastor of Capitol Hill Baptist Church in Washington, D.C. Next year's conference likely will address the topics of congregational polity, the biblical roles of pastors/elders and deacons in Baptist life, as well as, church membership issues.

Further information on both Drs. Whitney and Dever may be found at the following Web addresses: www.SpiritualDisciplines.org and www.9marks.org. Please be in prayer for the association's discipleship ministries and the ministries of our local churches. Plan now to attend next year's conference and encourage your respective church to help make this conference an annual success!

Family EnR.I.C.H.ment

Reclaiming Illustrious Christian Homes!

Vo Payne

"As for me and my house, we will serve the Lord" Jas. 24:15

The Family Enrichment Committee is currently putting together ideas and plans for reclaiming illustrious Christian homes in Western Carolina! With pressures from the world bearing down on families more fiercely than ever, now is the time to reclaim and strengthen the family with Biblical teaching and abundant support. The committee hopes to establish a special time each year to focus on a topic of interest to families and have a dynamic speaker come to town for a kick off event. From that event, we will encourage churches to have follow-up seminars and educational classes on the topic of enrichment for the year.

After receiving feedback from local surveys, a common area of interest for families is parenting, so-o-o-the first proposed enrichment topic is PARENTING ON PURPOSE! Dr. Bob Barnes, President of Sheridan House Ministries in Ft. Lauderdale for the past 30 years, has developed an interactive training program for the parent of the 21st century. He has written several books on parenting and now has a video/workbook program on raising a responsible child. Carolina Baptist Association is currently considering purchasing the training materials for the media center and inviting Dr. Barnes to be our first family enrichment event speaker next spring.

The purpose of a family enrichment event and subsequent series is two-fold: To encourage and help families and to attract neighbors and friends to your church! Reach out! Reclaim! Rejoice in your family!

Fruitland Baptist Bible Institute

Our mission at Fruitland is to provide quality training for Christian ministry that balances academic, devotional, and practical emphasis. Academically, we aim to lay a foundation for any further study that the student may undertake. The devotional atmosphere which we seek to maintain in our classrooms and on our campus challenges students to grow spiritually.

Our student body is diverse in ages and backgrounds. Several international students have been enrolled. Student family housing and dormitory housing provide for resident students and we have many commuting students. Our cumulative, non-duplicated enrollment for the past year was 257. We began classes in Spanish in the spring of 2004.

On September 9, 2003, we joined in the celebration of the fiftieth anniversary of Dr. John Rymer. Dr Rymer continues to teach Old Testament which he has taught during his entire tenure. Joe Stoneham is the newest faculty member. He teaches Computer Science. In the Fall Quarter of 2003, we had Dr. D.L. Lowrie of Lubbock, TX, as a visiting professor of Old Testament and Pastoral Ministries.

A number of special events are held on our campus annually. In October, we observed Alumni Day and Preaching Week, with guest speakers, Joe Brown and D.L. Lowrie. For Founders Day in May, Dr. Gray Allison and Dr. Elmer Towns were special guest speakers and a guest leader, Alice Lowrie for the Women's Retreat in October. Sunday School Seminars were conducted by the staff of the BSC in November.

Preliminary plans have been made to renovate the Crouch Building which houses our chapel and eight classrooms to provide better graduations and special events and providing the classrooms with the latest technology equipment.

Fruitland continues to adapt to changing needs and opportunities while endeavoring always to remain "true to God's Word and loyal to His purpose." We are grateful for the continuing support of the Baptist State Convention. Our alumni continue to assist us in the fulfillment of our mission by praying, recommending the school to prospective students, and giving. Visiting groups and individuals are welcome to visit our beautiful campus. Our offices are open except for holidays. For a tour of the campus contact Todd Edmiston, our Campus Services Director by telephone at 828-685-8886 or by email at fruitland@mchsil.com.

J.O.Y. Singers

Duane Francis, President

J.O.Y. Singers continues with its weekly activity. The volunteer group meets every Tuesday afternoon at 2 P.M. at the Resource Center. After an hour's rehearsal, the group goes to a retirement home or health care center to sing and to visit with those residents who have come to hear the program of hymns, gospel songs and choruses. The 30 minute program ends with the residents participating in a "sing-along" of some songs or choruses and the Lord's Prayer. They seem to enjoy this very much and even the managers show their appreciation for our efforts.

This is the sixteenth year of J.O.Y. Singers and we thank the Lord for its ministry which began in 1988 under the leadership of Rev. Walton Coppedge. Our group continues this year under the musical direction of Boyd Sutton. We are fortunate to have his talent and experience.

Currently, we have 35 representatives from 12 churches with an average attendance of about 28 each Tuesday. We are scheduled at eleven different retirement homes or health centers of Henderson County and are being invited into more if and when the schedule permits.

The members of J.O.Y. Singers are grateful for the opportunity to minister to those who are less mobile and more confined and we appreciate the prayerful and financial support of the Carolina Baptist Association.

North Carolina Baptist Hospitals

Len B. Preslar, Jr.

The mission of NC Baptist Hospital, "to provide and advance excellent healthcare, embracing the healing presence of God," reflects our distinctive heritage of extending the healing ministry of Jesus Christ. Since 1923, we have been privileged and grateful to be partners in mission with NC Baptists.

Thank you, North Carolina Baptists, for giving compassionate witness to the love of Christ through the Mother's Day Offering! Every dollar of every gift ($584,958 in 2003) relieves the anxious burden of hospital bills for our patients in serious financial need. The needs of many patients far exceed the resources available to help them. Please give generously so more can be helped in the name of Christ's love.

NC Baptists, by Cooperative Missions Giving, provide healing ministry to thousands of hurting people, strengthen the effectiveness of hundreds of churches, and equip scores of ministers for service through the School of Pastoral Care.

The compassionate, healing ministry of Christ continues to be realized in remarkable ways at N C Baptist Hospital. We are profoundly thankful for the privilege of serving Christ by serving others through these ministries of growth, hope, and healing. We are deeply grateful to NC Baptists for being our partners in ministry, and prayer that God's love will continue to shine rays of healing hope through our common mission.

Singles Enrichment Committee Report

Jeannette Nelson Ballew, Team Leader

The Singles/Singles Again continue to meet on the second Saturday of each month for a covered dish dinner and fellowship. A core group of 25-30 attend on a regular basis, and recently, when faced with the prospect of disbanding, expressed their desire to continue meeting. Several stated that they enjoy seeing their friends at least once a month and that it gave them an opportunity to meet new people and share in some of the best food prepared by some of the best cooks in the area.

The group is largely female, ages 35 and up, with some regular male participants, ages 50 and up. Many of these have expressed the need for such an outreach, including one lady from Canton, NC, who stated that her church and surrounding area sponsors no activity of this type. She has attended all of our meetings, except one, since she visited the first time.

Pastors and church leaders need to be aware of the all singles in their congregation or their community. According to research, this is the largest segment of our church population, yet it is overlooked or under-served. Singles of any age who have never married make up only a small portion of this group. Divorced men and women, widows and widowers are also **single again** and have special needs that a group such as this can provide. Being single *(whether never married, widowed, or divorced)* is never easy in a world that sees and thinks in couples. As an association and as a committee we need to raise the consciousness level of the needs of the single, divorced, or widowed. Many are just looking for friendship, someone to eat a meal with, or someone with whom they can share a life experience.

Woman's Missionary Union

Laurena Helms

Woman's Missionary Union is the missionary support auxiliary of the Southern Baptist Convention. Our purpose is to lead members to learn about missions, pray for missions, support missions, be involved in missions, do missions and develop a daily mission's lifestyle.

In the Carolina Baptist Association, our year began in September, supplying bears and witnessing to the WNC Mountain State Fair. In October, members of the Leadership Team visited Pacolet Baptist Church and assisted them in organizing their mission groups. On the first Monday in November, the Broad River Baptist WMU hosted the Baptist Woman's World Day of Prayer.

In December, the Woman's Prison Project collected 740 toothbrushes, and our annual Christmas Toy Project supplied 120 local children and had two professions of faith. Our Focus celebration in February, held at Etowah Baptist Church, highlighted a mission trip to Romania made by local church members.

Girls in Action celebrated their 90th birthday at Ridgecrest during Missions Extravaganza and held a campout at Fruitland Baptist Church with an appearance of Anne Beck as Lottie Moon. Children in Action recently held a Missions Fair at Contemporary First Baptist. Mission Friends participated in Christmas in August for our missionaries and started a new project of coloring bookmarks for distribution to our missionaries.

Locally, WMU mission's involvement collects for the Interfaith Assistance Ministry, Open Arms, Pregnancy Center, and sends tabs to the American Legion for the Ronald McDonald Houses. We emphasize four major offerings each year: Lottie Moon Christmas Offering for international missionaries, Annie Armstrong Easter Offering for North American missionaries; World Hunger (used only to relieve hunger in the world); and the North Carolina Missions Offering, which supports many statewide mission organizations. In addition, we support other Baptist missions – the NC Children's Homes, Baptist Retirement Homes, Baptist Hospital, and provide financial assistance for leadership training for members and leaders.

Our theme for the next two years – "Christ Followers" – is based on Luke 9:23 (CEV): "Then Jesus said to all people: if any of you want to be my followers, you must forget about yourself. You must take up your cross each day and follow me."

Dedicated In Honor of

Rev. David MacEachern

David Joseph MacEachern was born April 26, 1958 in Detroit, Michigan, the oldest of 5 boys and 1 girl. His family moved to Gastonia, N.C. when Brother David was 7 years old. David and his wife Marline have been married for over 25 years and are the proud parents of Allan, Heather, and Chelsea. They also enjoy their 4 grandchildren too much to write about in this brief biographical piece.

David owned and operated a remodeling company for 13 years in Gastonia before surrendering to God's call on his life in 1991. He was licensed and ordained to the gospel ministry by the West Cramerton Baptist Church in the Greater Gaston Baptist Association in Gaston County N.C. David and Marline moved their family to Hendersonville in 1992 that he might attend the Fruitland Baptist Bible Institute.

On Father's Day 1994, Brother David was asked to supply the pulpit of Fruitland Baptist Church due to Pastor Michael Smith being on a mission trip in Russia. It was on this Sunday that a pulpit committee from Bat Cave first introduced themselves to David and Marline. David was asked to preach at Bat Cave the next Sunday. All went well and David has been the pastor of the Bat Cave Baptist Church since July 7, 1994.

God has truly been blessing Brother David and the Bat Cave Baptist Church. They are very active in ministry and missions locally and around the world. Several trips have been undertaken to Russia, Romania, Honduras, and even most recently, a three week trip to minister God's grace to the underground church in Vietnam. The church is very active in home missions up and down the eastern part of America as well. Due to their faithful obedience to the Lord's leading, God has provided Bat Cave Baptist Church with a new $2.5 million building for worship, education, and fellowship. Their prayer is that God will continue to guide them for His glory in the days ahead.

In addition to leading God's church to fulfill her purpose, Brother David has been very active in the ministry of the Carolina Baptist Association. At present, he serves as Associational Moderator. He has served in many other roles in the past. Some of these include President of Pastor's Conference, Missions and Ministry Director, Evangelism Committee, and New Work Committee.

The dedication of this annual in appreciation for David's ministry is certainly recognition of God's grace operative in David's life and he gives all glory to the Lord Jesus for such an honor.

Dedicated In Honor of

Dr. Michael Smith

Dr. Michael Smith was born in Marion, NC on September 6, 1953, and he graduated from Garinger High School in 1971. As an adult he answered God's call to preach in 1982 while attending Beverly Hills Baptist Church in Rockingham, NC. He graduated from Fruitland Baptist Bible Institute in September 1984, received his Bachelor of Arts degree from Mars Hill College (summa cum laude) in May 1988. While pastoring at Oak Grove Baptist Church near Lake Toxaway, NC he felt called to go for further training, graduating from Southern Baptist Theological Seminary in May 1991. He was called to Fruitland Baptist Church in June of that same year. In May of 2002 he received his Doctorate of Ministry from Southern Baptist Theological Seminary. Mike is the father of three lovely adult children, Dustin, Jennifer Pressley and Daniel. One of his most treasured roles in life and favorite name to be called is "Daddy."

Mike has never wanted to be called Dr., Mr. or Rev., always preferring to be called Brother Mike, a servant in Christ leading us to carry out the Great Commission. Locally he has served our association on the Finance, Constitution and Committee on Committees teams, the Council on the Church Development Team, Vice Moderator, and he was the NC Missions Representative. He has also served as the chair of the Committee on Nominations and on the General Board for the Baptist State Convention of North Carolina. He has served as leader of the Alumni for Mars Hill College and is nominated to serve on the board for the Biblical Recorder beginning in January, 2006.

While teaching at Fruitland Baptist Bible Institute he met a brother in Christ who would be a life long friend, David MacEachern. They have been compared to David and Jonathan in scripture, serving in the community and on mission trips together. This friendship has made each of them better pastors, leaders, and servants for Jesus.

In order to be a lighthouse church for the community, you must be loving and outreaching. He has made the journey such a blessing and taught his church what a joy it is to serve our Lord and Savior. Members were not sure they would ever see the day Fruitland would grow but they have. Fruitland now has a new sanctuary for His glory. The wonderful part of this is that Mike has made certain that they understand God's economy. Members still have given more than ever this past year to John and Doris McGee's Christmas Offering for Foreign Missions and Annie Armstrong Offering while still contributing 33% to the Cooperative Program and 5.5% to the Carolina Baptist Association. In addition to this he has taught his church how to serve locally with Block Blast and many other outreach events, led 14 mission trips in the United States, and have set the example abroad by ministering in Russia seven times. Since then many in the church congregation serve overseas.

Fruitland has truly become a church on mission for God with Mike's leadership. As WMU Director, friend and sister in Christ, Merle Pittillo was honored to present her pastor, Dr. Michael Smith as the co-honoree at the Carolina Baptist Association Semi-Annual Meeting Fall, 2005.

Executive Committee Minutes
January 25, 2005

The meeting was called to order at 7:00 PM by Moderator David MacEachern. Bill Landreth led in prayer. Minutes from the July 27, 2004 meeting were distributed and approved as printed. The treasurer's report was sent in by Paula Janes. For the year 2004, fifty-six churches gave $199,018.05 The General Fund ending balance was $8,869.90. The Money Market Account balance was $92,166.64. The Designated Checking balance was $15,259.06.

Old Business

The "Jesus Video Project" has a zero balance; as a benefactor completed paying for this.

New Business

David MacEachern presented the need for a garage to house the Concession Trailer (now housed at Turf Mountain Sod) and the Disaster Relief Trailer (now housed at Mud Creek Baptist Church). A motion was made and seconded for a committee to be assembled to obtain the cost and plans for an approximately 24' X 36' garage to be built in conjunction with Baptist Men. This garage would be built adjacent to, but not connected to the Association office building. It would need electricity, but no plumbing. David MacEachern will get the committee together and the report will be presented at the April meeting.

Rev. MacEachern also announced that ten scholarships, each totaling $500.00, would be made available for any members who want to go to aid the Tsunami Relief. Presently medical and water treatment people are needed. Thus far, one person has taken advantage of this scholarship offer.

Membership Committee Report

Joe Mullins announced that a committee had met with Pastor Mike Searcy and a committee from Middle Cross Baptist Church, since they had voted on November 11, 2004 to seek membership in the CBA. He presented a motion from the committee to have this church in "watchcare" for one year, then to vote them into full membership in 2006. This was unanimously approved. Joe also announced that New Jerusalem Church will be dropped from membership, since their pastor, David Blackwell, has announced that the church had disbanded.

Other Business

Greg Connor, from Bat Cave Baptist, is the new Baptist Men's leader. He announced his goals for Baptist Men to "Come Alive in 2005." He discussed these goals:

1) Participate in building Hope Homes in Grifton, NC for homeless people, in conjunction with a grant for Governor Easley, which will fund building supplies.

2) Send a mission team to Murphy, NC and other areas in Western North Carolina for flood relief and recovery.

3) Coordination between all the churches with a person at each church to spearhead an elderly repair ministry, to help with home repair needs for the elderly in each church.

4) Participate in New Direction Farm in Madison County. This 460 acre campus, adjacent to Mars Hill College, is a place for troubled teens. Available to both boys and girls, it was started by David and Bridgettte Walls, and has a sliding scale of cost. A building needs to be completed for them, with outside painting and inside finishing to be done.

5) A garage for the two Association trailers needs to be built.

6) Greg wants a Missions coordinator or contact person from each church to become involved.

David MacEachern announced that Water Purification and Mass Feeding training would be available June 24-25, 2005 at Mud Creek. Registration forms are available.

A request was made that a list of needs to stock the Disaster Relief trailer be made available in the future. Joe Mullins also requested that the possibility of keeping the Concession Trailer stocked and paid for as items are used be considered for the future use.

Joe Mullins announced that the Carolina McGee Seniors have three meetings a year. This year a fourth meeting will be held to present a special concert by Squire Parsons at Balfour on Friday, May 13, 2005. The next regular meeting will be held on the first Thursday in April at Naples Baptist.

Laurena Helms reported that the WMU is now making plans for the Annie Armstrong Offering. The WMU has supported local groups such as the Rescue Mission and Open Arms Crisis Pregnancy Center. In February, there will be a WMU Focus with the State Executive Director, Ruby Fulbright. This will be held February 17, 2005 at Balfour Baptist.

Missions Report

Sandy Beck reported that there would be prayer training at Living Water Church in February. He wants to advertise our activities regionally to allow other associations to participate.

He thanked David MacEachern for this fine job of leading and Joe Mullins for all of his work with the Membership Committee. He also stated that he is glad for the changes made at the SBC in regards to Biblical inerrancy.

Attendance Report

Becky Turpin, Associational Clerk, reported that nine churches were represented, with fifteen present at this meeting.

David MacEachern dismissed the meeting with prayer at 8:20 PM.

Submitted by Becky Turpin, Clerk.

Carolina Baptist Association
128th Semi-Annual Meeting Spring Session
Tuesday, April 26, 2005 6:15 PM

Prior to the meeting, the Association's JOY singers, led by Mrs. Judy Seay, led in worship with a concert of hymns including "*There Is Joy*," "*Brethren We Have Met to Worship*," "*Fairest Lord Jesus*," and "*I Will Arise*."

Reverend Patrick Ballard of Mountaineer Ministries next brought a smile to faces with his original words and music, "*Stay Here Longer*." Other banjo songs that he presented included the old favorite, "*Down at the Cross*" and "*Play Me Some Mountain Music*."

The meeting was officially called to order by Moderator David MacEachern at *6:45* PM. The evening's program was adopted unanimously with the addition of Miscellaneous Business after the Finance Committee Report. The host pastor, Dr. Paul Noe led devotion and an invocation. His words encouraged the attendees to faithfully, confidently, gladly, prayerfully, locally and globally be sewers of the seeds of the Gospel, based on Matthew 13:3.

Rev. Ray Talley **recognized new pastors and staff** in area churches. They were: Rev. Jimmy Tarrant, Pastor, First Baptist Church of East Flat Rock; Rev. Jack Abbott, Youth Minister of First Baptist Church of Hendersonville; Rev. Jack Maltby, Associate Pastor of Living Water Baptist Church; and Rev. Kenneth Priest, Associate Pastor of Education of First Baptist Church of Hendersonville.

The following time of **Business** was conducted by the Moderator:

1) Moderator Rev. David MacEachern noted that there were still openings for volunteers on some of the committees. He stated that these would be filled by the Executive Committee by the Fall meeting.

2) The **Treasurer's Report** was given by Mrs. Patricia Myrto, Association Treasurer and member of Etowah Baptist Church. The March 3 1 , 2005 account balances were as follows: Operating Fund Checking \$3,422.02, Designated Checking \$40,733.77, Designated Money Market \$92,917.79 and NCBF Endowment (Market Value) *\$335,855.22*. Contributions of \$49,722.89 in the first quarter by forty-seven churches. A motion was made and passed to accept this report.

3) The **Association Screening Committee report** was given by Rev. Paul Noe. He reported that at the Fall 2004 meeting a moratorium had been passed for Mission and Education scholarships. Since this fund has stabilized, he made a recommendation that the moratorium be lifted on the Mission scholarships only and the moratorium on education scholarships remain for one more year and be reviewed before the next Spring meeting. This passed unanimously. He further stated that these camp scholarships are for financial need of students and that they should be filled out by the individual requesting funds. Scholarships for chaperones will no longer be accepted. These should be the responsibility of the local church. A sample application was included with the evening's packet of materials.

4) The Associational leader of **Baptist Men**, Greg Connor, of Bat Cave Baptist, reported on Associational mission projects. These include laying a foundation for a house at Hope Homes in Grifton, NC, May 11-14, 2005. In July they will return to build a house there. Baptist Men will also be building a garage for the Association's Concessions and Disaster Relief Trailers. A group will soon meet with County inspectors to find out what will be allowed. A third request has been made of this group: painting the steps at the Association Office.

5) Mr. Sam Gibbs, of Living Water Baptist gave a report about the Association **Prayer Team**. It included quarterly activities and goals. During the first quarter, the Prayer Conference was held at Living Water. During the second quarter, the committee will seek representation from all churches to participate on the prayer team. During the third quarter, there will be a prayer walk around all of the schools in Henderson County. The fourth quarter emphasis will be on missions, with the Lottie Moon Offering.

6) The **Youth Enrichment Committee report** was give by Rev. Jack Abbott, of Hendersonville First Baptist. He stated that for the past few months, youth ministers from many of the churches have been meeting together for a monthly breakfast, with a time of encouragement and planning together. An outcome of these meetings was the "True Love Waits" emphasis in the churches, culminating with a concert at Mud Creek Baptist. The future plans are for a concert and speaker at Lake Lure on May 28th will be called "Lurefest" and will feature vocalist Kimberly Perry and speaker Dawson McAlister. There is a need for counselors from all churches.

7) Rev. Mike Smith of Fruitland Baptist Church gave a report from the **Finance Committee** of the Association. He noted that on the budget for this year, the Youth Enrichment line had only been given *\$250*. Since there had been no activities or need for more in several years. Now, based on the above report by Jack Abbott, the Finance Committee recommended increasing this line item. Thus far \$ 1,466.09 has been spent for youth activities, with the approval of Dr. Sandy Beck, Director of Missions for the Association. Rev. Smith made a motion that the aforementioned past activities with a cost of \$ 1,466.09 and proposed future activities with a cost of \$3,096.00 be funded by the current budget. The motion passed unanimously. (Dr. Beck commented that he is very pleased with these activities that involve all associational churches and have been spearheaded by Rev. Abbott.) There was a question concerning insurance coverage for such events. Dr. Beck answered that he believed that our insurance does cover this.

8) Under **Miscellaneous Business**, Rev. Mike Smith

of Fruitland Baptist announced that his church was taking a group on a mission trip to Carland, Illinois on June 3-11th. A small church there has been given a 31,000 foot building and needs help to convert it into a church. He invited interested people from other churches to join them.

A second item of Miscellaneous Business was brought to the attention of those in attendance by Rev. Jimmy Tarrant from East Flat Rock Baptist. He voiced a prayer request for Rev. Lincoln Shelton, who has taken over the leadership of their Hispanic Baptist Mission.

In a third item of Miscellaneous Business, Laurena Helms, Associational WMU Director, reminded the group that WMU was having a food drive for the Broyhill Home and that the next Associational WMU meeting was to be held at Naples Baptist Church on Tuesday, May 3,2005 with a speaker that is a State GA Director.

A Special Report was given by Rev. Mike Smith of Fruitland Baptist Church concerning the increase of drug activities in Henderson County. He emphasized the need for churches to get involved and support the local school system as well as law enforcement since this problem affects all of us: either children or grandchildren, our taxes, our property values and the crime rate. Then Rev. Roy Perry, pastor of Mount Gilead Baptist Church, as well as a member of the Sheriff's Department, introduced Detective Sgt. Patterson, head of Drug Enforcement for Henderson County. Sgt. Patterson stated that there is currently an epidemic of clandestine crystal meth labs in our county. The drug that they manufacture is 80% pure, as opposed to the usual *7-25%* purity of other labs in various states. Because of the purity, only 6% of those using the drug only one time can get off of it. Henderson County has caught children as young as fourteen and fifteen using the drug. Economic level does not affect use of the drug. Henderson County has only four drug enforcement officers-the same as twelve years ago, even though our population has doubled in that amount of time. Schools have not supported the law enforcement officers previously, but now allow "drug dogs" in the schools. Besides the personal harm done to those using the drug, each illegal lab costs the county between $5,000 and $50,000 to clean up, as hazardous wastes are put into the environment due to the chemicals used to produce crystal meth. He urged the churches to find ways to intervene and to support local officials who are fighting this problem. Moderator David MacEachern led a prayer time for those in authority dealing with these problems.

A congregational hymn, "*Victory in Jesus*" was led by Rev. Gary Powell, Minister of Music at Ebenezer Baptist Church. Following this, the Log Cabin Blue Grass Band presented special music. Members of this band: Harold McKinnish of First Baptist Church of East Flat Rock, Darrell Rhodes of Liberty Baptist Church, Euliss Taylor of Mount Gilead Baptist Church and Ricky Campbell of Barker Heights Baptist Church presented selections on the fiddle, banjo, mandolin and guitar which included: "*I'll Fly Away*," and "*Using the Bible for a Roadmap.*"

There were several other reports given to share information with those in attendance.

1) Charles Martin, of First Baptist Church of Hendersonville, reported on his recent mission trip to work on a Disaster Relief Medical Missions Team in Sri Lanka and Indonesia. He stated that this has been the largest on-going disaster relief effort in history. Over 150 Baptists from North Carolina and surrounding states have gone to help. North Carolina Baptists have given $1.5 million to these efforts. Nationally, Baptists have given over $15 million. Many people in these areas are hungry for the Gospel. He offered to speak at area churches and show his slides of the work there. Charles plans to go back when he can to give additional help.

2) Damon Davenport and Jonathan Lotz reported on the "Build the Village" project which has goals to use a holistic approach to evangelism- building homes, markets, schools, soccer fields, orphanages, etc. in East Africa to meet the needs of the people, as well as using these as a tool for evangelism and discipleship. They want to speak in area churches and invite people to participate in this project.

3) Becky Turpin, of First Baptist Church of Hendersonville and Association Clerk, gave the attendance report. There were 86 messengers and 51 visitors in attendance at the evening's meeting, for a total of 137.

The Log Cabin Blue Grass Band played "*What a Friend We Have In Jesus*" before Steve Briggs, Church Training Director at First Baptist Church of Hendersonville introduced the speaker, Dr. Sam Boyd, Pastor of First Baptist Church of Hendersonville.

Dr. Boyd spoke from 2 Kings Chapter 6 with a message entitled "Letting God Be God in Your Life." In his message, he challenged the group with the following questions:

1) Are you really seeing God at work in your life? (Seeing His miracles even through our failures.)

2) Are you hearing what God is saying? (He comes all the time with new agendas and we will not see our Big God work if we don't listen.)

3) Are you trusting God to take your life and efforts and do something grand with them?

4) Are you "being" God where you are? (Representing His mercy and grace to others).

Rev. Gary Powell led an invitation hymn, "Take My Life and Let It Be."

The meeting was adjourned at 9:25 PM with a prayer by Rev. David MacEachern.

Executive Committee Minutes
July 26, 2005

The Executive Committee Meeting of the Carolina Baptist Association was called to order at 7:00 PM by Moderator David MacEachern. Rev. Richard Merek from Naples Baptist led in prayer. Minutes from the January 25, 2005 meeting were approved as printed. The Treasurer's Report was given by Paula Janes and was approved as read. The report included the following:

Income for June was $17,802.34

* YTD Income $98,393.65 (see below)

The Endowment Investment balance is $336,737.90, (with stable interest).

The Checking balance is $35,039.76

The Money Market balance is $86,290.20

*This amount was more than last year, yet expenses have been more, so $6,000.00 was transferred from reserves to meet the budget.

Old Business

David MacEachern reported that Darius Rogers would come next week with the building inspector to see the site for the garage for the trailers. The building is to be wired, but have no plumbing. It was verbally agreed that the garage did not have to be bricked like the CBA building and that one eighteen foot door would be sufficient.

New Business

No new business was reported.

Committee Reports

The Nomination Committee report was phoned in by Branton Burleson, chair of Nomination's Committee. The Committee recommended that Richard Merek complete the term this year for Paul Noe and also fill the term for the next year (Oct 19, 2005 – Oct 18, 2006).

The Committee on Committees will meet on August 2, 2005.

Other Business

David MacEachern suggested that when representatives sign in at the Semi-Annual meetings; they should include their names, phone number and church name.

Director of Missions Report

The Director of Missions report was given by Sandy Beck. He told good news, that financial giving is up from the churches, but bad news, expenses are also up. It is really important that all churches give their fair share so that the works of the Association can go on. Examples of spending:

1) Youth activities such as the Beach Blast. More of these types of activities are to come in the future.

2) Associational Prayer Ministry – There are 35-40 on this team now. Sam Gibbs of Living Water is organizing a Prayer Walk before school begins. He reports that the response from pastors and churches has been good (32 people were at the last meeting). There will be a quarterly prayer emphasis and one large emphasis a year. They will probably team up with the State Convention, as the State Prayer Conference will be at Biltmore Baptist this year.

3) Sandy wants to work to organize an evangelism team next.

4) Franklin Graham (Crusade) is working to bring one of these to this area in the next two or three years. They need a place to hold about 15,000 people. The Center in Asheville will hold about 11,500 people. Another possibility is the fairgrounds. (Dr. Beck is in charge of researching this. He has found out that a large tent to hold 9,000 people would cost about $3,500).

5) Sandy would also like to start a loan ministry of medical equipment and possibly store these in the new storage building for the trailers.

New church starts are doing well (i.e. Living Water). Bat Cave's new church has a lot of glass to give a wonderful outside feel. Fruitland also has a nice new building. Many of our churches are having mini-revivals.

Other Reports/Announcements

Dr. Beck made a comment that as new committee members are being recruited, we need new people – especially young people.

Attendance Report

Seven churches were represented, with eight people in attendance at this evening's meeting.

David MacEachern closed in prayer.

Carolina Baptist Association
128th Semi-Annual Meeting - Fall Session
Fletcher First Baptist Church - October 18, 2005
"Growing Powerful through Prayer"

The meeting opened with congregational *hymns:* "Step by Step" and "0 God Our Help in Ages Past," led by Gary Powell. Rev. Roy Waldrop welcomed everyone, shared scripture from 1 John 1: 1-10, and led in prayer. Moderator Rev. David MacEachern made the Declaration of the Session and led in the adoption of the Book of Reports. The treasurer's report was given by Patricia Myrto. The report, including the fact that $151,912.69 had been given this year by 50 churches, was approved as printed.

In the Membership Report given by Rev. Joe Mullins, New Jerusalem Baptist Church has disbanded and Middle Cross Church will be eligible for full membership in January of 2006. The First Baptist Church of Mills River was received into full membership at this meeting.

The Preacher/Place Committee Report was given by Rev. Roy Perry. It was approved as printed with the Spring meeting to be held at Fruitland Baptist and the meeting next Fall to be at Bat Cave Baptist.

The Committee on Committees Report was given by Rev. Richard Merck. It was approved as printed.

Rev. Mike Smith presented the proposed Budget Report. It was approved as printed.

The need for a garage to keep the two CBA trailers more secure was presented by Rev. David MacEachern. The Council recommended that the approximate $15,000 to complete this project be taken from the Emergency Church Fund account. One proposal was to have Morton Buildings pour a floor and put up a building. Another suggestion by Rev. Harold McKinnish was to check the price for a masonry building that would be more secure. Both of these will be priced and reported to CBA before one is chosen.

Dr. Sandy Beck gave a report on the "State of the Association." Included in this report was his statement that "...of all the years I've been a Southern Baptist, I am more proud now than ever before." This was in the context that Southern Baptists have the third largest relief organization in the county and have offered the following relief to Hurricane Katrina's victims through the North American Mission Board: Volunteers from forty-one states have given 99,037 days of work, served eight million meals, plus many other services such as child care, water and showers provided. He also reported that three hundred churches were destroyed and another eleven hundred cannot be used in the hurricane relief area.

Dr. Beck also reported that Southern Baptist churches have been challenged to hold outdoor Associational Baptismal services twice a year with the hope that people can be saved through this visual witness. They need to be in a neutral place where the general public can witness them and see and hear the Gospel being preached.

Laurena Helms presented the WMU Report with the statement that WMU exists to help all of us grow as Christians and develop a missions' lifestyle. All ages, beginning with preschool, share in instruction about missionaries and missions projects locally, nationally and internationally. All are also instructed in the need to participate in the Annie Armstrong and Lottie Moon offerings each year.

The Resolutions Committee Report was delayed until the evening session.

The JOY Singers, led by Boyd Sutton, sang "Praise Ye the Father" and "My Savior is the Lord and King."

Gayle Brown next gave a report about the Baptist Retirement Homes which included information about the five homes which give services such as independent living, assisted care and skilled nursing care. He invited all to visit and receive more information about the programs.

Lewis Smith gave a report concerning the Baptist Children's Homes which have ministered to over two thousand children across North Carolina. They were originally opened to care for orphans, but now also reach out to children of broken homes and those with unfit parents.

David Webb of the North Carolina Baptist Foundation presented a check for one thousand dollars to Dr. Beck for use in the new ESL program in CBA. He also gave information about how he works with individuals and churches concerning estate planning. He closed with the potential of TNT (Tithing Now and Tomorrow) which can help individuals witness with their lifestyle and support Christian causes even after their death.

There was a benediction and blessing for the meal closing this session.

The evening session of the CBA Semi-annual meeting was opened with the hymns "Revive Us Oh Lord" and "Shine, Jesus, Shine" led by Gary Powell and prayer led by Rev. David MacEachern. Rev. Ray Talley recognized a new church staff member: Seth Smith from Naples Baptist. Rev. Talley also announced that pastors meet weekly at 10:00 AM on Mondays for prayer.

Tim Locher, from First Baptist Church of Hendersonville and representing the IMB presented two certificates: to Mike Smith of Fruitland Baptist for being the most per capita giving church; and to Kenneth Priest of First Baptist Church of Hendersonville for being the top giving church to the Lottie Moon Christmas Offering in the Carolina Baptist Association. He also added that two and a half million dollars has been taken from IMB funds to rebuild churches in the hurricane devastated areas. This did not come from the Lottie Moon Offerings, but from interest off of other offerings. Another important item was brought up by Mr. Locher was that since three states would not be able to give to the LM Offering, other states would have to increase their giving to reach the one hundred fifty million dollar goal for foreign mission.

Betty Reynolds from Bat Cave Baptist and Merle Pittillo from Fruitland Baptist made a joint dedication to the Association Annual. Both Rev. David MacEachern of Bat Cave and Rev. Mike Smith of Fruitland were honored in this dedication.

Special music and prayer were next provided by Samuel Vixtha and members of his congregation at Iglesia Bautista Agua Viva.

Sam Gibbs from Living Water Baptist reported on the prayer emphasis and the formation of the Prayer Team with representation from fifty-nine churches. Activities of this group include the Prayer Walk at twenty three schools, Administrative Offices, Bus Garage, Blue Ridge Community College, Fruitland Institute and seven private schools. Plans are already being made for next year's walk on the Saturday before school starts. Mr. Gibbs also announced the new "Shield a Badge" group to pray for police, sheriff's department and firemen. Next, a new group to pray for the military will be started. Other up-coming activities include: Evangelism Training at FBC Hendersonville on November 8, 2005; Prayer Conference at Mud Creek in January; Prayer Walk in Paris, France in May or September; State Prayer and Evangelism Conference at Biltmore Baptist on March 16-18, 2005.

Thom Sherwood presented the report from the Resolutions Committee:

1) The resolution to conduct outdoor baptisms as challenged by Dr. Bobby Welch of the SBC was acknowledged and passed.
2) The resolution to participate in "Crossover" - which will have sports events, street evangelism, etc. as Greensboro hosts the SBC next summer passed.
3) The resolution to continue to support Hurricane Relief with prayer, giving and service passed.
4) Since President Bush has asked churches to pray for him, the resolution to pray for him, advisors, and the administration, as well as the military passed.
5) The resolution to publicly acknowledge Fletcher First Baptist for hosting the 128th annual meeting and the following for working so hard to organize the meeting was passed: Sandy Beck, Paula Janes, Linda Marie Phillips, David MacEachern, Roy Perry and Gary Powell.

Mark Krohl, a student at Fruitland will do presentations at churches on the subject "How to Reach Catholics." He was a former liturgical minister on his way to becoming a priest when he was saved through the television ministry of Charles Stanley. He has a pamphlet showing the subjects that he will cover in his presentation: Purgatory, Mary, the Pope, Peter, Transubstantiation Mass and the Catholic Bible. He is also a musician and played "The Lord' s Prayer" on the trumpet later in the program.

Rev. Chonhee Park offered a prayer in Korean before the offering for the CBA garage. $510.11 was collected.

The Attendance Report was given by Becky Turpin, Association Clerk. There were one hundred seventy-seven people present at the Semi-annual meeting: 114 messengers and 63 visitors.

James Robinson introduced speaker, Rev. Richard Merck from Naples Baptist who brought a message entitled" Prayer Foundation for Revival." In the message he answered the questions: How important is prayer in your life? How often do you engage in prayer? How fervently do you pray? He used Psalm 51 as well as 2 Samuel 11 - 12 which shows David's sin confronted and David's brokenness before God to illustrate that many do not pray because they do not want to be confronted by a Holy God.

The evening closed with an invitation and prayer by David MacEachern and the song "Jesus Loves Me" led by Rev. Oliver Skerrett.

ASSOCIATION REPORTS

Annuity Board

John Love

As your Annuity Board representative, I remind you there are some very good programs available through the NC Baptist State Convention for your pastor and church staff.

Pastors and non-pastors (secretaries, custodians, day care personnel, school employees, etc.) who work an average of 20 hours or more weekly are eligible for disability income benefits, survivor protection benefits and matching retirement contributions. For staff to be eligible for these benefits, your church must contribute $420 per year per participant to the Cooperative Program, and staff must receive W-2 taxable income from the church.

There are also some insurance products available through the Annuity Board (medical, dental, term life, accident, long term care, etc.) which you may wish to consider. Do not put this off as there is no guarantee for tomorrow.

If you have questions, call Johnny Ross (1-800-395-5102 or 1-919-467-5100 ext 320) or me, John Love, at 891-7167.

Baptist Children's Homes of NC

(July 2004 – July 2005)

Celebrating our past...charting our future! ... Baptist Children's Homes has set its sights courageously toward the future as it observes 120-historic-years of service. Baptist Children's Homes has touched thousands upon thousands of lives throughout three centuries, never afraid to meet the ever-changing needs of children and families, yet never wavering from its fundamental mission.

In the dawn of a new millennium, Baptist Children's Homes stands poised. BCH proudly charts an exciting pathway to the future through it's new strategic plan; *GuidingStar...Illuminating the Lives of Children and Families.*

Lives are miraculously changed. Tears of boys and girls evaporate and hopeful smiles bloom. Through the remarkable efforts of North Carolina Baptists and the love and leadership of God, BCH continues its mission of *helping hurting children...helping broken families* – offering the promise of a better tomorrow to those we serve now and in the years to come.

GuidingStar Defines Bold Path... After a year-long effort led by BCH President Michael C. Blackwell, BCH launched *GuidingStar...Illuminating the Lives of Children and Families.* The new strategic plan was approved by the Trustees in their September 2004 meeting and was officially introduced in February of this year. Comprised of defined core values and determined focus, *GuidingStar* was created with essential input from all BCH staff. Blackwell's vision was to create a strategy that could be utilized for years to come.

Family Gathering II Celebrates 120 Years... "Family Gathering II" brought together all staff members and children from BCH's facilities statewide to celebrate the agency's 120th anniversary. The historic day was held on June 14, 2005, at Mills Homes in Thomasville and was only the second time the entire "BCH family" has gathered at the same time and place. Everyone participated in a day of games, singing and a worship program in the campus church.

North Carolina Baptists "Roundup" Food for BCH...

The "Food Roundup" was held in April 2005 for the second time in three years. North Carolina Baptists poured out their support by collecting, sorting and delivering essential food supplies for all BCH's geographic areas. Associations reported church participation was high as Directors of Missions allowed their offices to become key collection points for donations. Volunteers donated their time to help sort and count the food.

Baptist Hospital

In 1921, North Carolina Baptists were led by God to establish Baptist Hospital. The founding commission wrote, "We desire to build a hospital to bring the healing art more definitely under the dominion of the Great Healer." In 2005, NCBH President Len Preslar affirms, "We were founded to serve and to provide care for people in times of great need. Our mission, "**to provide and advance excellent healthcare, embracing the healing presence of God**," reflects our Christian heritage and sincere commitment to each person we are privileged to serve."

By their prayers and Cooperative Program Missions Giving, NC Baptists are vital partners in our ministries at the School of Pastoral Care. Together we are serving thousands of hurting people and fulfilling our mission – "**to provide ministries of growth, hope, and healing in the Spirit of Christ.**"

Baptist Retirement Homes of NC

John Rymer

The Baptist Retirement Homes ministry continues to make a wonderful contribution to the health and welfare to the older adults of North Carolina.

North Carolina Baptists support this ministry by maintaining several facilities across the state. Let me name them for you as follows:

1. *The Brookridge Retirement Community in Winston-Salem.
2. The Gardens at Taylor Glen Retirement Community in Concord.
3. *The Western North Carolina Baptist Home in Asheville.
4. The Taylor Home in Albemarle.
5. The Hamilton Home in Hamilton.
6. In the Piedmont Triad, Baptist Retirement Homes operates In Home Care, Incorporated, a full-service home health agency offering in-home nursing and therapy services giving assistance to older adults who need at home supportive assistance.

* Alzheimer's units for care and ministry.

Baptist Retirement Homes opened its doors in 1951 with 25 residents. This year the homes will be serving more than 850 residents. The statewide Baptist Elder Care Network continues as a free service to all with resource counselors available to those facing decisions related to the care of the Older Adult. The *Baptist Elder Care Network* – Simple Questions – Simple Answers – 1-800-887-7410.

Baptist Retirement Homes continue to lead the state in providing benevolent care to the "Poor Elderly." Because of the generosity of North Carolina Baptists through the Cooperative Missions Giving Budget and the North Carolina Offering for older adults. The "Homes" will be able to provide approximately $2 million dollars of benevolent care.

"*...as the Lord has assigned to each his task...**we are laborers together with God.**" (I Corinthians 3:5 and 9).*

"We are laborers..."

The challenges related to Older Adults are tremendous – mushrooming numbers and mushrooming needs. In response, Baptist Retirement Homes continues to stay on the cutting edge in providing a full range of services: Independent Living in Winston- Salem and Concord; Nursing Care in Asheville, Winston-Salem and Concord; Assisted Living at all locations.

"...together..."

It is your prayers and your financial support that under girds the high quality of Christian care provided by Baptist Retirement Homes. Because you join "together" with us, this year more than $2 million will be shared in caring for Aging Saints who are unable to pay the full cost of the care they both need and deserve.

"...with God"

The great good news is not only that are we ministering together in the name of our Lord but also that we minister in His strength. While the challenges are great, His "grace is sufficient."

Please call me at 692-3772 if you wish further information concerning this worthy ministry.

Carolina Media Library Ministry

Janet Allman

Our new program, Church Media Program took a short break this year. While Hazel Duncan has now recuperated, she will be contacting each of the Church Media directors for a visit. This will help us to determine the programs and the needs that our churches have.

We want to thank those directors who have served in their churches this past year and welcome new directors who are beginning their ministry.

We continue to offer training and any assistance to church media directors. Please take advantage of the resources available from the council members. The council members have training in many different areas to help your church. The members are Janet Allman, 697-1103 and Hazel Duncan, 693-6593.

Cooperative Program

William W. Willingham

In the October 1, 2005, issue of the *Biblical Recorder*, there is an article about the Cooperative Program that every Southern Baptist should read. The article states that: "If the Cooperative Program is to grow and thrive in the future, then leaders elected to national positions within the Southern Baptist Convention must come from churches committed to the Cooperative Program and must be Cooperative advocates themselves." This report was put together by a Task Force of Southern Baptist Convention entity heads and state executives.

More than 30 entity heads and state executives met in Nashville, Tennessee, to discuss this report. They released their report on September 17. The report has thirteen recommendations and required more than five years of work by The Task Force on Cooperation, an eight-member group composed of four entity heads and four state executives. The Task Force was established in 2000 to investigate ways to strengthen inactive Cooperative Program growth as well as ways to cultivate better relations between the national body and state conventions.

The report reveals that, over the last forty years, the Cooperative Program – Southern Baptists' method of financing missions, seminaries, and other ministries since 1925 – has "gradually begun to vaporize as a high priority" in the hearts and minds of "many pastors, their people, and even denominational leaders."

As a result, the Cooperative Program has struggled to compete with inflation although giving to the Cooperative Program generally increases each year. Unfortunately, the results have impacted the entities. An example of this is seen in the fact that the International Mission Board and the North American Mission Board – both of which receive Cooperative Program funds – were required to cut their budgets, hindering new missionaries from being appointed to the field.

The report states that in 1984 churches sent an average of 10.6 percent of their offerings to the Cooperative Program through their state convention. Today that number is only 6.64 percent. The effort to reverse the trend must be directed by leaders within the convention, the report affirms.

It is a well-established fact that a number of our church leaders in the past generation seldom ever spoke about the Cooperative Program or supported it in one way or another, the report maintains. Their churches, for the most part, were poor models of Cooperative Program support. It has been suggested that literally thousands of pastors and churches lowered their Cooperative Program percentage of undesignated monies as they followed the example of those who influenced them.

The Task Force concludes its report by saying: "For sure, this reality has hurt the Cooperative Program as much as anything and has been discouraging and regrettable. About that point, there yet remains a huge amount of disappointment, mistrust, and even raw emotions which need to be recognized, addressed, and reconciled all across the Southern Baptist Convention.

Council on Christian Higher Education

Linking Together to Impact the World

Like all institutions of higher learning, your Baptist colleges and universities - Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate provide education for their students. But what makes our Baptist colleges and universities unique is their mission.

Education with a mission is training and developing knowledge, skill, mind and character with a special purpose. This special purpose is to encourage and enable students to use expanded knowledge, enhanced skills, improved minds and enriched character to impact the world for good in keeping with their faith commitment to God through Jesus Christ.

Thanks to your support for Christian Higher Education the Baptist State Convention provided financial aid to 550 North Carolina Baptist students in the amount of $1,174,922 in 2004. These students received an average of $2,136. From Carolina Association 4 students received scholarship aid. These students came from the following churches: **East Flat Rock First, Etowah, Fruitland and Hendersonville First**.

Without your assistance many of these deserving students would not have been able to attend a Baptist college or university. Thank you; Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate for providing education with a Christian mission. And thank you Baptist churches for supporting North Carolina Baptist students. Together you are impacting the world for good and for God.

GuideStone Financial Resources

The name change from the Annuity Board of the Southern Baptist Convention to GuideStone Financial Resources, SBC, became official with action at the annual convention in Nashville, TN, in June of this year. With the name change comes a renewed effort from the national agency and the individual state conventions to service more effectively the needs of church employees relating to retirement, insurance, planning financial support, church and clergy tax issues, etc.

In an ongoing effort to provide a variety of insurance products priced competitively to meet the diverse needs of our constituency, GuideStone continues to negotiate with insurance providers for the best price. Moving to Blue Cross/Blue Shield Highmark as the primary provider and to the Blue Cross/Blue Shield national network has saved millions of dollars this year for our churches and church employees. Unfortunately, pastors and employees of our smaller churches (less than 10 employees) are at the greatest disadvantage because of the requirement to prove evidence of good health in order to qualify for coverage. We continue to encourage new students in our divinity schools, Bible institute, and seminary to take advantage of the 31 day open enrollment period commiserate with their first time enrollment in one of these schools.

The need for retirement planning among our church employees continues to be a challenge which must be met through meaningful educational experiences. The most difficult task is getting the appropriate information to key decision makers in our churches---church treasurers, budget/finance committee members, personnel committees, deacon chairs, etc., who determine what retirement benefits, if any, the church will provide for their pastors and other church employees. Many of these key leaders are unaware of the protection benefits—disability and survivor—in the Church Annuity Plan which are **provided at no cost** to North Carolina retirement participants who meet the eligibility requirements. During calendar year 2004, 964 disability checks totaling $459,166.09 and 15 survivor checks totaling $328,655.38 were sent to North Carolina church employees and their families.

Without question the most disturbing part of my work is the large numbers of pastors who come to retirement with social security as their only source of income. This is especially sad for those who have served our churches for many years and have little or **NO** retirement monies to rely on in their latter years. Presently, GuideStone is providing financial assistance on a monthly basis to 244 retired pastors and church employees here in North Carolina through the Adopt An Annuitant and Relief Ministries.

Finally, it is our desire to increase the level of retirement participation from 5,165 participants in 2,354 churches, which represents 61% of our NC churches as of June 30, 2005, and to serve all of our churches and their employees with the appropriate products to meet their needs. J.O.Y. Singers

Duane Francis, President

J.O.Y. Singers continues with its weekly activity. The volunteer group meets every Tuesday afternoon at 2 PM at the Resource Center. After an hour's rehearsal, the group goes to a retirement home or health care center to sing and to visit with those residents who have come to hear the program of hymns, gospel songs and choruses. The 30 minute program ends with the residents participating in a "sing-along" of some hymns or choruses and the Lord's Prayer. They seem to enjoy this very much and even the managers show their appreciation for our efforts.

This is the seventeenth year of J.O.Y. Singers and we thank the Lord for its ministry which began in 1988 under the leadership of Rev. Walton Coppedge. Our group continues this year under the musical direction of Boyd Sutton. We are fortunate to have his talent and experience.

Currently, we have 36 representatives from 15 churches with an average attendance of about 28 each Tuesday. We are scheduled at eleven different retirement homes or health care centers of Henderson County and are being invited into more if and when the schedule permits.

The members of J.O.Y. Signers are grateful for the opportunity to minister those who are less mobile and more confined and we appreciate the prayerful and financial support of the Carolina Baptist Association.

Prayer Team

Sam Gibbs

It's hard to believe the prayer team is almost a year old. It has been a busy year. We have a team in place but would like more volunteers, the harvest is great. As a team we have developed a purpose statement, basis organization, qualifications, duties, vision, and mission statement.

Our first project was a prayer conference that was held in February of 2005 at Living Water Baptist Church. It was a great success with 29 churches represented and 5 churches from other associations.

The second quarter we began recruiting a representative from each church. There are over forty churches on board now. This allows us to pass information both ways. Our goal is to have at least 90 percent participation by the end of the year 2005.

The third quarter we had a prayer walk on all the school grounds in Henderson County both public and private. Jon Brezillac did a wonderful job with this project. This will impact our school system in a positive way. We hope to make this an annual event.

The fourth quarter project is "Shield a Badge" program that enables us to pray for law enforcement officers for a year. This program will officially begin January 1, 2006. Marilyn Swygert is doing a great job with this project.

The events for next year are:

1. The State Prayer and Evangelism Conference to be held at Biltmore Baptist Church, March 16-18, 2006.
2. The annual prayer conference for the Carolina Baptist Association to be held in the spring of 2006.
3. Prayer walking in Paris, France to be held in May or September 2006.
4. Week of prayer for North American missions in March 2006.
5. Week of prayer for International missions in December 2006.
6. Two new projects for 2006 are a prayer reach program and a survey of the churches of their prayer needs.

Singles Enrichment

Jeannette Ballew

The Carolina Baptist Singles Enrichment Committee continues to coordinate monthly meetings that provide an opportunity for Singles/Singles Again (mostly age 50+) to fellowship with others of similar backgrounds. The group meets on the second Saturday of each month for a covered dish dinner in the downstairs meeting room at the CBA Resource Center. Attendance averages between twenty-five and thirty, with the larger percentage of the group being older ladies who are widowed or divorced.

Each month the team tries to provide a program that serves some need of the group, whether it is entertaining, informative, or inspirational. This years programs have varied from blue grass gospel groups to the Acting Troupe from the Sammy Williams Senior Center to a presentation on "Senior Safety and Identity Theft" by Lieutenant Ben McKay from the Henderson County Sheriff's Office.

Jana Jones from Main Street Baptist Church and Ellen Johns from French Broad Baptist have volunteered to coordinate the events for the coming year.

Jeannette Ballew, a member of Barker Heights Baptist Church, will continue as a member for the fourth year, serving as chair and publicity coordinator.

WMU
Laurena Helms

Woman's Missionary Union is a mission's organization working with local churches to promote awareness of needs.

Our theme this year is Christ followers based on Luke 9:23. "And he said to all, if any will come after me, let him deny himself, and take up his cross daily, and follow me." We strive to practice this through a personal mission's lifestyle. We give to missions, go on missions, do missions, learn missions and daily pray for missions.

We produce mission offering for North Carolina State Mission Offering, Children's Homes, Retirement Homes, Baptist Hospital, Women's Prison Ministry, North American Missions (Annie Armstrong), International Missions (Lottie Moon), World Hunger and Relief, and locally: Open Arms Pregnancy Services and Christmas Toy Project.

We train our local leaders and attend leadership training at Fruitland Baptist Institute by state level officers and staff. We also attended "Missions Extravaganza" at Ridgecrest. This year we attended a national WMU "Discover the Joy of Missions" conference at Ridgecrest.

We teach missions at all age levels: Mission Friends, Girls in Action, Children in Action, Acteens, Youth on Mission, Women on Mission, and Adults on Mission. Our members have gone with the Disaster Relief Teams to help the victims of the Tsunami and Hurricane "Katrina."

Our annual events include; Baptist Women's World Day of Prayer in November, Focus on WMU Celebration in February, WMU Annual Meeting in May, Children in Action Missions Fair, Mission Friends Party, GA Campout, one youth activity such as Crosswalk and an evangelistic rally. October 15th 2005 we had a Carolina Baptist Association GA Day at Holmes Education State Park.

In short, if it's missions, we're involved.

Youth Ministry
Jack Abbott

This year has been a time of new beginnings for coordinated efforts in the area of youth ministry. Youth ministers of this area began meeting for breakfast once a month to pray for each other, encourage one another, share resources, ideas, and to produce events for all the students in our community.

This winter area youth groups coordinated their focus on a True Love Waits program within their youth groups. Then these youth groups came together for a Commitment Service and True Love Waits Celebration. There were over 300 students at this event that signed True Love Waits Commitment cards.

Another event that youth ministers of our area came together to work on was the Lure Fest 2005. This was an outreach event that students could event their friends to a non-threatening program to hear a presentation of the Gospel and have a chance to respond. Youth leaders from many churches trained volunteers to be counselors, serve food, sell merchandise of the artists, and help make this event a true success.

The third large event that youth leaders coordinated efforts on was the Core Concert during the Apple Festival. Again youth leaders brought volunteers to work the merchandise tables, serve as counselors, assist with trash removal, and anything else that needed to be done. The artists included the Katinas, Everlife, Monday Morning, and Building 429. The guest speaker was Keith Deltano that challenged the audience to decide where they stand in their relationship with Christ.

There are many more ideas that we have such as a community wide sports camp that will bring professional athletes to our area to work with the students and then present the Gospel to the families of these students. Another idea is to partner with World Vision to do their 30-hour famine to promote hunger awareness and to be a fundraiser for the victims of Hurricane Katrina. Finally, another desire is to provide a community wide outreach event where students are trained to share their faith and then are sent out in to neighborhoods to take prayer requests and look for opportunities to share their faith.

We are excited about what God is doing through the student ministries in our area and would like to invite any youth leader to come and be a part of this movement. If you have any resources or contacts that can help with these events please contact, Jack Abbott at 693-3493.
